from the PASTOR

Last weekend we celebrated Mothers' Day, and I hope that all the moms of our Parish were blessed!

How clever that we celebrate Mother's Day during the month of May. Not only is this a month where spring comes into full bloom with its new life, but the month of May is specially dedicated to Mary the Mother of Our Lord and the model of the Church—which is our "mother". Moms are supposed to be nurturing and life-giving. Even as we honor them today, I encourage you in your devotion to the Blessed Mother.

Anytime it's nice outside, you can stop by the Grotto next to the church for a rosary, or even a Hail Mary or two. Once we finish construction, anytime the church building is open you can stop by the expanded devotional area in church (to the left of the sanctuary). Another opportunity you may want to consider is joining other parishioners for a communal recitation of the rosary each Tuesday evening at 6:30 in the evening. (They're still meeting in our temporary Worship space.) If you already pray the rosary regularly, consider inviting your spouse, children, or neighbors to join you in common prayer whether in your home or in Church. If you *don't* normally pray the rosary, consider trying it for a while to see if it is a helpful addition to your prayer life. If you need a rosary, we have a few free rosaries available at the Parish Business Office (the rectory). There are pamphlets about "How to say the Rosary" at the kiosks in the church vestibules.

There are many different approaches to prayer, and many different styles of prayer. You owe it to yourself to find the ones that are most beneficial to your spiritual growth. The rosary has been a source of blessing for many people; perhaps it would be for you, too.

As we celebrate Mother's Day, I also note that moms can find in Mary's life a model for their own, and can appeal to her intercession in their troubles. On a

The "One-Hour Challenge!"

To have *a happy, peaceful life*, it is important that we have our lives in order, with our grateful response to God for his gifts being our top priority. That is how a disciple responds in the areas of *prayer, family, finance*, and *service*.

If you need help to put balance in your life, take the "one-hour challenge": Each week, spend at least…

- One hour in prayer and worship.
- One hour, special, focused on your family or other important relationship.
- One hour's wage (if you have a job) for the Lord. No job? Then give what seems right for you.
- One hour in service. (Helping another, or working for some cause.)

It's important to be *specific* in what steps to take in order to ensure that each "hour" actually happens!

May God bless you!

(Continued from page 1)

slightly different note, If you happen to know of any child who has *lacked* a mother's care, you can ask Jesus to send His own mother, Mary, with a perfect mother's love, to comfort and "fill in the gaps," even if that wounded "child" has already grown old in years.

Perhaps, if you are blessed to still have your own mother alive and living near you, you can bring your mom to Church with you on occasion, and then maybe follow that up with a family meal. A *great* opportunity for that is on Pentecost, on June 5th. By tradition, Mary was present in the room when the Holy Spirit descended upon the disciples on that first Pentecost in tongues "as of fire". The Holy Spirit had a special impact in the life of Mary, as we read in the account of the Annunciation: "And the Holy Spirit will come upon you and the power of the Most High will overshadow you." Through her openness to the Holy Spirit, Mary was able to present the Christ to the world.

Back in the days of the pandemic, a lot of things came to a standstill, including people's attendance at Mass. However, our Mission never comes to a standstill or goes "on hold". We are still expected by the Lord to "Go, make disciples." While in the early days of the pandemic when we were told to "lock down", the Faithful were only able to attend Mass vicariously through live-streaming—which caused many to realize how much they missed being physically present, worshipping with a community, and receiving Holy Communion!

We developed our livestream ministry during the pandemic, and it still serves well people who are homebound. Unfortunately, there are others who really should be with us every Sunday but have "gotten used to" being absent. We pray that all who are able will soon join us at Eucharist, which is the source and summit or our Catholic experience.

Regardless of our individual situations, however, we are all expected to continue to *grow as disciples* and *bring others to Christ*.

During any difficult times in our lives, we are reminded that Mary is the **model** for disciples. She continued to trust in God's love for her even during the difficult times in her life, and she never stopped saying "Yes" to God's plan. Because of that, and by the overshadowing of the Holy Spirit, she was given the power to make Christ present in history; she was able to bring the Savior into the world. As disciples, we are called to make Christ present to others, to bring the love of Christ to all whom we meet—to let the Light of Christ illuminate people who have been living in a darkened world. Like Mary, we need the power of the Holy Spirit in our lives if we are to be successful in bringing Christ to others.

May the prayer of Mary, the Mother of the Church, be joined with your prayer for the continued growth of the Church.

St. Anne, mother of Mary and patroness of our Archdiocese, pray for us.

In Jesus
Fr. Michael

Pray for Vocations!

As Catholics, we firmly believe that God has a plan for our lives! He calls some to marriage, some to the priesthood, and others to religious life or to live as generous single people. Fully living our own vocations—and teaching young people how to discern God's call—is a serious duty, but also a joyful one. During this week, please encourage the young people in your life—children, grandchildren, students, and friends—to be open if God calls them to priesthood or religious life.

2025 Knights of Columbus College Scholarship Raffle

The 2025 Knights of Columbus 'Ushers Memorial Scholarship Fund' Raffle is rolling along with over 350 tickets already sold (out of 600) and 3 sets of drawings already taken place! Thanks to everyone who has supported our raffle over the last several years! BTW, we sold all 600 tickets in 2024 and awarded $7,000 in Scholarships and $4,225 in monthly prizes! Additional money funded $3,000 more in Scholarships bringing our total to $10,000 in Scholarships. We'd like to do the same this year but we need to sell the remaining 250 tickets to do so. Please purchase a ticket(s) from any Knight or Usher for only $20 each, and remember they make great gifts for Birthdays and other Special events too! We'll keep everyone updated as the Raffle progresses.

St. Vincent de Paul Society
Fifth Sunday of Easter

In the Gospel today, Jesus says "I give you a new commandment: love one another....This is how all will know that you are my disciples, if you have love for one another."

By your gift to the Society of St. Vincent de Paul you show that you have love for one another, especially those suffering and poor, and that indeed you are the disciple of Jesus.

A Family Perspective
by Bud Ozar

Fifth Sunday of Easter

In today's gospel Jesus tells us: "Love one another." Love holds a family together. It is not what a family *does* which makes it outstanding, rather it is what is *has*, love for one another.

St. William Young Adult Ministry

"Navigating a Faithful Adulthood Together"

As our lives are moving forward, the world has become more secularized. Adults are faced with trials and temptations that come with modern day influence. So, how can we decide where we draw the line between acceptance and our faithful beliefs? How can we become more prepared to be accurate representatives of God's love? How do we know who God wants us to be? We are gathering young adults from the ages of 18 -35 to form a young adult group. We will meet weekly at St. William as a group, discussing modern day topics, and building tools with our backgrounds and personal faith, that we can use to maintain a strong relationship with God in such a complex and distracting world. The group will be free of judgment, run by young adults, and totally fixed on the goal to guide each other into becoming the people God created us to be.

For more information, please contact Young Adult leader, Shannon Geoffrey, Shannonfgeoffrey@gmail.com.

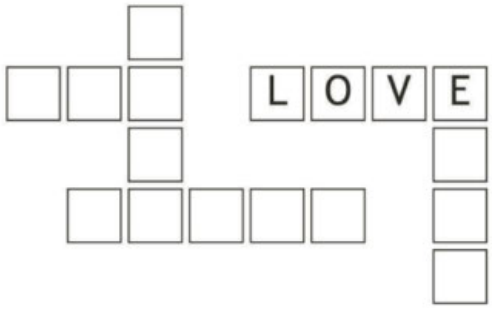
Fit this Gospel message into the empty squares:

You must love each other.



5th Sunday of Easter | John 13:31-33a, 34-35

Sharing the Gospel

Jesus gave his disciples a new rule. He told them they had to love each other, just like he loved them. What did Jesus mean? Jesus was very patient with his friends. He forgave his friends when they let him down. Jesus comforted his friends when they were afraid. Most of all he helped them grow closer to God.

Prayer

Dear God, help me to love my friends like Jesus did.

Something to Draw

Draw a picture of yourself talking to a friend who is afraid.

Mission for the Week

I will follow Jesus and forgive those who have hurt me.
