Guidelines *for* Receiving The Eucharist

The Eucharist is the source and summit of the Christian life. Our Lord Jesus Christ is truly present under the appearances of bread and wine, in every particle and drop. When we approach the altar, we are invited to pray, reflect and receive with deep faith and adoration. The Eucharist is always received as a gift, never taken. Let us renew our devotion and prepare our hearts to participate in Holy Communion.

A Letter from our Pastor

Dear St. Angela Merici Parish Family,

For many years, our parish has been blessed by the generosity of parishioners who have answered Christ's call to care for our brothers and sisters in need through ministries such as Active Christians Today and Bread of Angels. So many of you have given generously of your time, resources, and hearts to these ministries. Through your service, you have helped make Christ's love present to people during difficult moments in their lives.
For that witness of faith and charity, I am deeply grateful.
Our commitment to serving those in need is not changing. Caring for the poor and vulnerable is not simply one activity among many in the life of the Church. It is part of who we are as disciples of Jesus Christ.
At the same time, Christian stewardship asks us to periodically step back, listen carefully, and prayerfully discern whether the way we are carrying out a ministry continues to serve people well.
Over time, circumstances surrounding these ministries have changed. We have experienced growing concerns involving safety, security, parish operations, and the impact of activities on our parish community and our neighbors. These concerns affect not only our parishioners, employees, and volunteers, but also the very people we are seeking to serve.
After much discussion, consultation, and prayerful consideration, we have decided to **temporarily pause the current operations of Active Christians Today and Bread of Angels** while we discern how St. Angela Merici can best continue this important work of mercy.
As we enter this period of discernment, I invite our parish community to think about three words:
Pause. Preserve. Proceed.
Pause.
We will take the time necessary to listen, learn, and honestly assess the needs of our parish and the wider community.
Preserve.
We will preserve what is most important: the spirit of generosity, compassion, dignity, and Christian service that has inspired these ministries and the many parishioners who have faithfully supported them.
Proceed.
Then, with prayer and thoughtful discernment, we will move forward. We will seek ways of serving that respond to today's needs while providing appropriate safeguards for those we serve, our volunteers, employees, parishioners, and neighbors.
This is not an end to our outreach. It is an opportunity to renew it.
During the coming year, we will prayerfully explore what the next chapter of outreach at St. Angela Merici should look like. We want that ministry to reflect the dignity of every human person, respond to genuine needs in our community, protect those who serve and those being served, responsibly steward the resources entrusted to our parish, and build partnerships with organizations that have experience and expertise in serving those most in need.
I also want to speak especially to those parishioners who have devoted so many years to these ministries.
Thank you. Your service has mattered. Your generosity has touched lives, and the experience and wisdom you have gained through that service are valuable. I hope you will remain part of the conversation as we discern where God is calling this ministry next.
The question before us is not whether St. Angela Merici will continue to care for those in need.
We will.
The question is how we can best live out that Gospel calling today, with compassion, dignity, wisdom, and good stewardship.
I ask for your prayers during this time of discernment. Pray for those who rely upon the assistance of our parish, for our faithful volunteers, for our neighbors, and for all those who will help us determine the path forward.
May the Holy Spirit guide us so that whatever comes next will continue to make Christ's love visible in our community.

In Christ,
Fr. Daniel

Update to Altar Server Procedures.

You may notice a few changes to our Altar Server procedures in the coming weeks. One of the most visible changes will be the procession of candles during the Gospel. The Gospel holds a special place in the Liturgy of the Word, as it proclaims the words and actions of Jesus Christ. The lighted candles symbolize Christ's presence among us as the Light of the World, highlighting the importance and reverence of this moment in the liturgy. Thank you to our altar servers who lead our parish community in prayer and reverently celebrate the Mass.

Dealing with the emotions of grief

Support as you move through the grief process

We are forming a Grief Share group beginning January 7, 2027 at 6:45PM in the Noah room. St. Angela's Grief Share is a safe, welcoming place where people understand the difficult emotions of grief. Through the 13-week program, you will discover what to expect in the days ahead, and what's "normal" in grief, in all its unpredictability, and gain solid support each step of the way. If you are interested in joining us, please call the parish office at 714-529-1821 and leave your name and phone number. Our Grief share team will contact you.
