Dear Friends in Christ,

We begin a New Year, thank goodness! Thank you, God, for the year that we just completed. We are grateful for Your presence in guiding us safely through a very challenging year. We are grateful for Your assistance during those difficult times when things seemed dark, and we wondered what might happen next. Your presence, Lord, in every circumstance of life is greatly appreciated. We know that in our weakness, we are strong in Christ. (see 2 Cor 12:9) Jesus, I trust in You.

There is a special blessing that a priest may invoke at the end of Mass at the beginning of the New Year. The priest is praying that God's blessing will be upon the people throughout the entire year. Some people may take it for granted that God will bless us anyway. When we take something for granted we also tend to underappreciate the value of the gift and the giver. By invoking God's blessing, we demonstrate that we realize and appreciate that all blessings come from our loving and merciful God. It reminds us to turn toward God and lift up our hearts to Him. There is a two-fold action in asking for God's blessing – we lift up our minds and hearts to God, and He pours forth His grace upon us. The blessing that a priest invokes at the end of Mass at the beginning of a new year is:

> May God, the source and origin of all blessing, grant you grace, pour out his blessing in abundance, and keep you safe from harm throughout the year. Amen.
>
> May he give you integrity in the faith, endurance in hope, and perseverance in charity with holy patience to the end. Amen.
>
> May he order your days and your deeds in his peace, grant your prayers in this and in every place, and lead you happily to eternal life. Amen.

The blessing that we ask for is very specific – grant us grace, bless us in abundance, keep us safe, give us integrity in faith, endurance in hope, perseverance in charity, holy patience, order and peace, grant our prayers, and lead us to eternal life.

Life is challenging. We need help in all of these areas. God is always ready to assist us. Think about how challenging it is sometimes to do well in any one of these areas *even with God's grace assisting us*. Imagine what it would be like without God's grace.

What will the New Year hold for us? We know that life is filled with good and bad, joy and heartache, good health and illness, unity and division. God's grace helps us to meet every moment and circumstance trusting that He is there with us. We are never alone. In this New Year, may we also grow in confidence and trust that God's providence will guide us through each day, and that we will persevere and never give up.

The priest concludes the blessing with: And may the blessing of almighty God, the Father, and the Son, and the Holy Spirit, come down on you and remain with you forever. Amen.

In the light and mercy of God,
Fr. Tim Ilgen

2020 Christmas Giving Tree report

Our Sacred Heart family made a tremendous generous response to the Christmas Tree giving program sponsored by the Holy Name Society. Due to our disease outbreak we gathered monetary and gift card donations to distribute to parish families in need instead of parishioners picking out and wrapping gifts. You donated over $9,000 in cash donations and over $700 in gift cards.
Thank You and Blessing from Fr. Tim, the Holy Name Society and Parish Staff.

Prayer Ministry

We are so grateful to those who are joining us in prayer. If you have a prayer request or want to be part of this ministry, contact: **Maria Boros** at **(360) 456-0888 or lmboros@comcast.net.**

There is treachery in the heart of Herod (Mt 2:1-12). He is a jealous and insecure man who leads not with love but governs by intimidation and lies. We are told he was "greatly troubled," yet he wanted the magi to believe he was truly interested in doing Jesus "homage." We know the results of his envious rage…the death of every male child under the age of two. The feast of the Holy Innocents (December 28) honors those children who were brutally killed by an unholy man. The killing of holy innocents continues today. In 2018, in this country at least 1,770 children died from abuse and neglect, or nearly five children die every day from child abuse at the hands of those who are supposed to love them. And what about the deaths of teenagers killed in the Unites States by gunfire? These are groups of holy innocent victims as well. There are too many crimes against those who are defenseless. In our dialogue for justice, we are urged to follow the Gospel by working for peace and reconciliation. Christ was found by the magi as a result of following the Christmas star. These men were seeking truth and they found him in the Christ child. Joseph saved Mary and Jesus because he believed the dream he received was from God. How might we use our talents, interests and desires to serve justice for children in 2021?

Living Our Strengths

"Strengths is the ability to provide near perfect performance in a specific task."
Sounds hard to believe doesn't it? Yet, it is true. Once a person learns their God-given talents and uses them in a constructive way of "getting it done," tasks become easier, energy-driven instead of energy draining, and the toil actually turns into fun.

For more information on how to discover your talent/strengths call the Parish Office at 360-491-0890. Help life go right for you.

Strength of the Week:
"Maximizer". People strong in Maximizer Strength focus on talents as a way to stimulate personal and group excellence. They seek to transform something strong into something superb.

Prayer: "For those with Maximizer Strength, that they continue to transform something good into something superb, we pray to the Lord. Amen."

GOSPEL MEDITATION - ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

January 3, 2021
The Epiphany of the Lord

"Where is that thing?" mumbled Bob as he searched frantically on his dimly lit desk for the current electric bill. "I know I put it right on top of these papers this morning!" Growing in frustration and bordering on anger, he flies stuff around, moves books and opines why simple tasks need to be so hard. Enter his wife, who calmly says, "Maybe it would help if you put the light on, dear." The desk light goes on and lo and behold, there is the electric bill right where Bob left it earlier. All it took was a little light!

We stubbornly refuse to turn on the lights! Either we are distracted, determined, disinterested, preoccupied, stubborn, apprehensive, or all of the above. Or perhaps, we fail to do the obvious. We would rather live our lives with the dimmest of lights or even in total darkness. Why are we afraid to do something so that we can actually see? It might help us to find quicker and better answers to problems, the meaning of life, relationships, happiness, and what is ultimate truth. Yet, we stumble along, moving things from one side to the other, getting angry, feeling cheated, being unsettled, resigning ourselves to the agony of defeat once again.

"And behold, the star that they had seen at its rising preceded them, until it came and stopped over the place where the child was." The light has come into the world in the person of Jesus Christ! We no longer have to fumble in the darkness. We have been gifted with the illumination we need to see our way through things and find what we really are looking for. All these years later, however, so many are still reluctant to accept him. Perhaps they are unconvinced, disinterested, preoccupied, stubborn, apprehensive, or all of the above. Everyone has their own reason for not wanting to turn on the switch.

But there are so many answers to so many of our problems in this humble Child of Nazareth. A simple birth teaches us about God's tender wedded relationship with humanity. It speaks to the expanse of God's salvation across the globe, and the incarnate Divine wonders and blessings that are a part of our life moment to moment. It calls us to understand the design of world order God intended as found in the Beatitudes, the sacredness of every human life and all of creation and the meaning of things we struggle with most, like suffering and death. We have a lot of Good News to share, not just with a privileged few but with all the world. All races and creeds can receive God's healing word. God continues to manifest himself even now! Use the light to find what you are really looking for!

We have subscribed to an exciting 24/7 online web-based digital formation series called **FORMED**, produced by the Augustine Institute. This resource is designed to help adults grow in their faith at all levels—how we think, how we pray, and how we live.
Access is FREE to all parishioners and their families anywhere, anytime on computers, tablets or phones.

Through this content you will be able to not only learn more about the Catholic Faith but also go deeper and strengthen your own relationship with God. You will learn through beautiful videos, music, and notable Catholic speakers and educators, as well as be able to read further on the topics through online links.

Registering for FORMED is easier than ever:

- Go to formed.org/to sign up
- Select Sacred Heart Lacey
- Register with your name and email address
- Check that email account for a link to begin using FORMED.

FORMED is transforming lives through videos, live-streamed Masses, Bible studies, and inspiring content. But we need your help to keep bringing content to Catholics around the globe.
