WOMEN OF ST. ANTHONY LENTEN CHARITABLE COLLECTION HOSPICE HOUSE

The Women of St. Anthony would like to ask all parishioners to donate to our Lenten Collection Project! The Hospice House of Florence is always in need of snacks and individual portions of food. These are for adult family members who are visiting those who are in their final stages of life. Many times they do not want to leave the sides of their loved ones, even to go out to eat. Having something handy that they can eat or snack on can be a great comfort during such a difficult time. Please consider donating to those in need. Stickers are placed on each item collected, indicating donated by the Women of St. Anthony, then delivered to Hospice House.

A complete list of suggest items is available in the church office.
Collection boxes will be in the gathering area and in the church office **February 27th – March 28th.**
Also acceptable are gift cards and checks, payable to Women of St. Anthony.
God is not unjust; he will not forget your work and the love you have shown him as you have helped his people and continue to help them. ~ Hebrews 6:10

Awake, O Sleeper!

This morning came a little earlier than I would have liked — Daylight Savings Time always does. Sometimes that morning sunlight seems more intrusive than illuminating. You're still half-lost in sleep, and that sun is demanding of you a lot more than you're ready to give.

I've said it, and I'm sure you've said it, too. "Just five more minutes." You hit the "snooze" button on your iPhone once (maybe twice? Show of hands?) and turn away from the window.

So many kings of the Old Testament were steadfast in their sleepy ways, rejecting the light their God tried to share with them. Likewise, John tells us that, though Light — Christ — was sent into the world, the world preferred darkness.

Sometimes it seems, when reading through Scripture, that all throughout salvation history, God has been trying to pull back the curtains, to rouse us from our defiant slumber. And we resist Him. Time and time again, we resist Him.

Light brings a certain responsibility with it. It seems to compel productivity. Furthermore, there's no hiding in the light. Any photographer worth his salt knows how to manipulate it, highlighting the good and casting some merciful shade on the bad.

As we enter into the fourth week of Lent, we're getting so close to the main event. Can we handle the light that will come on Easter morning, bursting into the tomb as the stone is rolled away? Can we keep ourselves from hitting the "snooze" button on our souls, and sit up to face the dawn of a new day?

VIVIR LA LITURGIA

Los mensajeros de Dios siempre parecen ser objeto de burla. Dicen una verdad que algunas personas no quieren escuchar. Si bien por un lado los admiramos, también nos alegra mucho mantenerlos a distancia. Después de todo, no se refieren a mí, sino a otra persona, ¿no es así? A menudo llegamos a la conclusión errónea de que debido a que podemos ser más vanguardistas, contemporáneos, políticamente sensibles y no tradicionales, de alguna manera estamos más en la luz que otros. La gente tiende a preferir la oscuridad más que la luz, incluso los más sensibles espiritualmente entre nosotros. La luz siempre lleva consigo la riqueza de la misericordia y la compasión de Dios que ven más allá de las ideologías y conceptos hacia las relaciones que cultivan la vida, terrena y eterna. Cada mano de compasión y misericordia que se extienda a un ser humano siempre debe apuntar hacia Dios. La llamada implica siempre ordenar nuestra vida de acuerdo con nuestra verdad y esencia de ser. Como Dios nunca nos olvida, nunca debemos olvidarnos de Dios. Ha llegado el momento de hacer un balance de nuestra infidelidad y volver a la luz, aunque sea difícil de mirar.
