COVID-19 JANUARY UPDATE

Dear Parishioners,
Here is an update of our parish situation in January.

- We continue to have the safety protocols, by now familiar to you, in place: Mask use required, hand sanitizing, social distancing, sanitizing the church after every Mass.
- One new important request about masks, please wear your mask correctly, this means that the **mask should cover your nose and mouth fully**. Wearing the mask with your nose or mouth exposed defeats the purpose of mask protection.
- The number of attendances continues to increase which is a blessing, but it has forced us to come up with new ways to keep our safety guidelines. We have not had need to do an overflow Mass and continue to use the Family Room and the Choir area after the main church fills. Once the main church fills up to capacity we will open the chapel doors and direct people to enter through the chapel entrance. Do not enter through the sanctuary please. People in the chapel can listen to the Mass there and a Eucharistic Minister will enter the chapel to distribute communion.
- Please note that people in the children's room will be asked to come out and line for communion. The Eucharistic Minister will only enter the room to give communion to those disabled. Make sure you let the Ushers know if someone who is sick needs communion brought to them.
- The 5:30pm Mass is slowly growing, it has helped thin out the numbers for the 4:00p.m. Mass which is our largest Mass. The 5:30pm Mass will continue through the month of February and we will again evaluate at the end of the month.
- As usual we remind our parishioners to please **arrive early, remain in the church until the end of the closing song, return to your seats** after receiving communion and **do not stand by the back walls.**
- **As Lent approaches we are working in the logistics and protocol for the different events proper to the season. Please read the bulletin for important information on the schedule for Lent.**
- We appreciate your collaboration with following these norms.

The following are the attendance numbers in January.

Mass Times	01/03	01/10	01/17	01/24	01/30	January Monthly Total
4:00pm	153	176	217	232	201	
5:30pm	48	41	83	84	102	
8:00am	154	178	185	184	176	
9:30am	189	173	199	182	249	
11:30am	167	237	227	212	264	
Weekly Total	711	805	911	894	992	4313

As usual, we are extremely grateful for your financial support. We encourage you to continue sending your collection envelopes by mail, or signing up for WE SHARE online donation to your parish. Financial assistance is also slowly increasing but so are the needs of parishioners who may have lost their job or have medical issues.

Without your financial support we cannot continue to keep our church functioning.
We pray and hope all will be vaccinated soon and we will be back to normal to our active and vibrant parish life.

Until then, let us continue to pray for one another.

Fr. Aidan and Staff

ENCOURAGE DEEPER UNDERSTANDING OF SCRIPTURE

If I only knew then what I know now, how different life would be. This sentiment, expressed in myriad ways, is found on every human being's lips at one point or another. Life may have brought us to a vulnerable place where we see some of the poor choices we made and the effects they are having. Perhaps we fell into some destructive and dysfunctional relationships or behaviors and are finding how they held us captive. Our zeal and passion for life may have drifted away and we are waking up to the reasons apathy has taken hold. Life can be hard. In fact, some would describe their lives as a drudgery. They walk through each day with an anxious unsettledness, wondering when their restlessness will cease. There is a temptation to believe that what I see is all I will get. Mortality and hopelessness await the dawn. If I could only have known what would come in the future, I could have made better choices and avoided all of this misery!

Really? While we can certainly give into weakness, sin, impulsiveness, and idiosyncrasies that cause us to stumble over ourselves, life is really a journey. If we don't make the mistake of wallowing in the mire of self-pity and realize the new life God is calling us to, then there are thrills, adventures, surprises, and soul-searching graces we can surely miss. We are not tethered to our past nor are we bound to the ills life can bring upon us. We are never hopeless or helpless. The problem is that our myopic vision only allows us to see the misery and misfortune that is before us, not the potential that can come from choosing healthier and more life-giving options. Jesus came that we might have fullness of life. We need to learn how to reach for Jesus' hand and let him help us to our feet.

We need to allow God into our pain and heal our past. We have to wrestle with our histories, agonize and search and cry out for the Divine healing we need to restore our faith, hope, and love. Job could not see how his story would end or trust the guidance of the God who called him. We live in that same blindness and suffer from the same lack of confidence. Once we allow ourselves to be touched by God's healing power, we begin to see that all of the pieces of our lives are necessary parts of a greater whole. Along the way of our lives, God uses our omissions and failures to create new things and possibilities. When doors close, others open and we can be amazed by the joyful and unexpected surprises we receive. Once we know the power of God's creative, healing, life-giving, forgiving, and dynamic presence, it is no wonder we want to put ourselves at the service of others and show them what life can be.

NOTE ON ASH WEDNESDAY
Distribution of Ashes in Time of Pandemic

After blessing the ashes and sprinkling them with holy water in silence, the priest addresses those present, reciting once the formula found in the Roman Missal: “Repent, and believe in the Gospel” or “Remember that you are dust, and to dust you shall return”.

The priest then cleanses his hands, puts on a face mask, and distributes ashes to those who come to him or, if appropriate, he goes to those who are standing in their places. He then sprinkles the ashes on each person’s head without saying anything.

RECOGNIZE GOD IN YOUR ORDINARY MOMENTS

The Audacity of Holiness

Do you know a holy person? I'm not talking about piety — that's important, too, in its own way. But right now, I'm speaking of holiness.

St. Therese of Lisieux called holiness "a disposition of the heart that makes us humble and little in the arms of God, aware of our weakness, and confident — in the most audacious way — in His Fatherly goodness."

The holy person sees a storm on the horizon of life, and rather than give themselves over to fear and despair (natural and understandable reactions), regards the gathering winds as an opportunity to rely more fully on God. The holy person takes a bad situation and sanctifies it with charity and understanding that defies our fallen human nature.

Peter's mother-in-law was still in the throes of a fever when Jesus grasped her hand. It wasn't until she took his hand and allowed him to help her up that "the fever left her and she waited on them." Before the fever could leave her, she had to commit to holiness — to put her trust in him in a most audacious way. She had to find it within herself to lift her weakened hand to grasp his — and as soon as she did, she was rewarded. Her bodily health restored, she gave thanks, and attended to his needs.

God's hand is always outstretched to us. Will we take it, even if the fever of sin and pride and worldly concerns rages in our souls? Will we muster the strength? Will we be audacious enough to have confidence in His Fatherly goodness?

Simon Peter's mother-in-law was sick in bed with a fever. Jesus went to her. He took hold of her hand and helped her up. The fever left her. She felt so good, she cooked them a nice meal to celebrate. Neighbors brought all of their sick loved ones to be cured. When we pray today, Jesus still comes to those who are sick and heals them. He cures through doctors, nurses, medicines, and machines.

PEACE—ST. PATRICK JUSTICE MINISTRY

Fears of a First Time Mother

I was pregnant at the beginning of the pandemic. Shelves were bare of wipes, diapers, formula, purified water. I was scared. I was failing my first job as a mom. Friends and family began sending me whatever they found. Soon our nursery was full, an almost embarrassing amount of riches. I gave some to other moms I had met, when we had exchanged frantic looks in front of yet another empty aisle; terrified that we had exposed ourselves and our unborn children to Covid for nothing.

My son would be fine. But what about the thousands still with frantic looks in their eyes?
Pope John XXIII's *Pacem In Terris* gives guidance. Created in the image and likeness of God, we each have **rights**: "the right to live...food, clothing, shelter, medical care, rest...to be looked after in the event of enforced unemployment..."(11). Now that Covid has disproportionately impacted vulnerable communities, robbing many of their rights, what can we do? Pope John says, "if we believe in *rights,* then we have the *duty* of recognizing and respecting that right in others". To insist on *rights* without the corresponding *duty* of protecting these rights, "is like building a house with one hand and tearing it down with the other" (11).
As we emerge from this devastation, our charge is clear: "Contribute to the creation of a civic order in which rights and duties are diligently and effectively observed. It is pointless to declare that persons have a right to the necessities of life, unless we do all in our power to supply them with means sufficient for their livelihood" (31,32).

Please take a step towards making Justice more accessible to all of our brothers and sisters. Please attend the St. Patrick Zoom meeting in Monday Feb. 1 @ 7pm .

WITH A FATHER'S HEART

A beloved father

The greatness of Saint Joseph is that he was the spouse of Mary and the father of Jesus. In this way, he placed himself, in the words of Saint John Chrysostom, "at the service of the entire plan of salvation". Saint Paul VI pointed out that Joseph concretely expressed his fatherhood "by making his life a sacrificial service to the mystery of the incarnation and its redemptive purpose. He employed his legal authority over the Holy Family to devote himself completely to them in his life and work. He turned his human vocation to domestic love into a superhuman oblation of himself, his heart and all his abilities, a love placed at the service of the Messiah who was growing to maturity in his home".

Thanks to his role in salvation history, Saint Joseph has always been venerated as a father by the Christian people. This is shown by the countless churches dedicated to him worldwide, the numerous religious Institutes, Confraternities and ecclesial groups inspired by his spirituality and bearing his name, and the many traditional expressions of piety in his honor. Innumerable holy men and women were passionately devoted to him. Among them was Teresa of Avila, who chose him as her advocate and intercessor, had frequent recourse to him and received whatever graces she asked of him. Encouraged by her own experience, Teresa persuaded others to cultivate devotion to Joseph. Every prayer book contains prayers to Saint Joseph. Special prayers are offered to him each Wednesday and especially during the month of March, which is traditionally dedicated to him.

Diocesan Prayer for God's Protection in the face of the Coronavirus Pandemic

Loving and gracious God, as in all times, we turn to You and implore Your protection and healing as we face a new threat to our health and peaceful well-being in the coronavirus pandemic before us. Help us to be united with each other and with all of our brothers and sisters around the world affected by this illness. We pray for all those in the medical field who are assisting patients and in the field of science who are discerning a cure, as well as for all government leaders. Remember those who, through this virus, have passed from this life as well as their families in their loss.

At this time of fragile uncertainty, we also humbly implore You to grant us prudence, hope, courage and patience. Dispel from us fear, panic and distrust which disrupt us in spirit to the detriment of our well-being.

We make our prayer in the name of your beloved Son, our Lord Jesus Christ, who always cured those who were sick with various diseases and drove out many demons. Our Lady, Patroness of our Diocese, Queen of the Apostles and Comforter of the Afflicted, pray for us, Amen.
