GOSPEL REFLECTION

We need to get our bearings straight and properly lay life's cornerstone. Otherwise, the rest of our journey will be skewed, and our judgment clouded. We can recall Jesus' famous rebuke of Peter, "You are thinking not as God does, but as human beings do." Even he, as one of Jesus' closest friends, struggles with understanding things and grasping the big picture.

Pierre Teilhard de Chardin (1881-1955) a renowned and learned French Jesuit priest often has these words attributed to him: "We are not human beings having a spiritual experience. We are spiritual beings having a human experience." Whether they were actually from his lips, they certainly mimic his thought. These wise words orient us and capture the essence of who we really are.

Many people consider spirituality an option. It is no wonder that they come to this conclusion when they predominantly define themselves using human terms and concepts. Immersed in this world view, they struggle finding any semblance of God because God does not work according to human expectations! This is especially true when suffering and death enter life's picture. If we are only human beings having a spiritual experience, then we wrongly expect our spirituality to serve us as we desire. The human expectation is that my spiritual life is something that is useful in avoiding pain, hardship, and death, not something that gives the courage to live through it!

So, when we protest and get upset with God because our journey is becoming difficult, painful, treacherous, disappointing, and even pointing us toward death, Jesus rebukes us as he did Peter and gently reminds us how to see.

It is God who inspires and opens hearts to see truth and beauty. In God, the true meaning of things is understood, and we receive a depth of insight and understanding that is not found following purely human paths. It is not our task to understand God, as God is beyond human understanding. Ours is the joyful privilege of simply resting in God's presence simply because God is God and we are who we are.

As spiritual beings having an exciting and adventurous human experience, it is in our DNA to do so. Through prayer we can let go and let be. This is how we lose our lives but then save them.

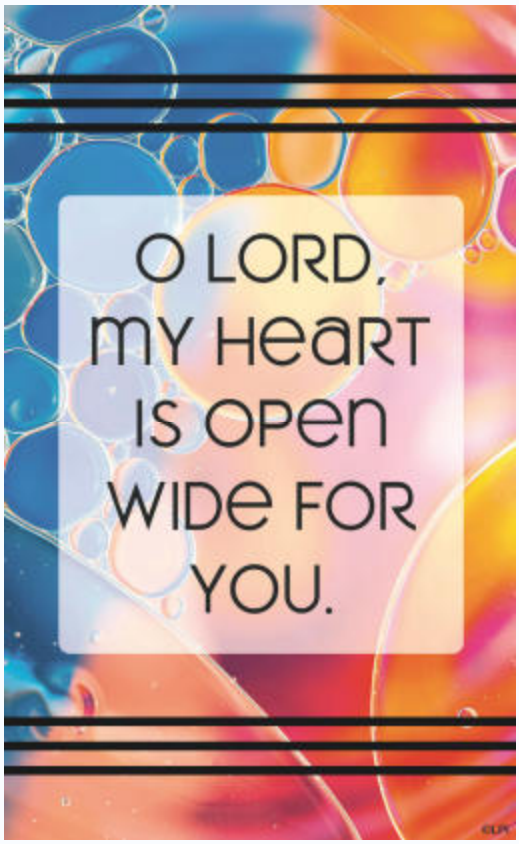
STEWARDSHIP ~ A WAY OF LIFE

The example of Jesus demonstrates what our own behavior should be.

We need to put ourselves aside and be servants to and for others. Let's put our own self (maybe ego) away and form the habit of service. Let us all join together and individually to practice service to others.

If we embrace *Stewardship,* God is asking us to serve, and serve others who need our assistance.



THIS MONTH'S MINISTRY SALUTE

IN GRATITUDE FOR GOD'S GIFTS OF TIME AND TALENT TO US, WE GRATEFULLY ACKNOWLEDGE AND BLESS:

TEAMS OF OUR LADY—MARRIED SPIRITUALITY

The parish is blessed to have a special movement of Married Spirituality. This group promotes and sustains:

+ Growth in the love of God and each other a little more each day

+ Assisted by the mutual help and support of other similar-minded couples that gather monthly to share a meal, pray and study

+ To better follow the *One* who assured us that: "*I am the way, the truth and the life." (John 14:6)*

Personal and couple spiritual growth is promoted by daily personal prayer; family prayer; regular reading and reflection on the Bible; attending an annual retreat; sharing in a monthly sit-down with your spouse to discuss spiritual couple and family matters; following a personal spiritual "rule of life".

Teams of Our Lady

If you are interested in having more information about this group, please contact Nate and Barbara Flach (386-569-7876; nwflach@aol.com). There are currently nine couples actively involved and have shared that: "participation within the group has truly enriched our spiritual life and our marriage."

PLEASE REMEMBER THE SICK OF OUR PARISH IN YOUR PRAYERS:

Heal us, Lord, and we shall be healed; save us, and we shall be saved; for it is You we praise. Send relief and healing for all our diseases, our sufferings and our wounds; for You are a merciful and faithful healer. Blessed are You Lord, who heals the sick.

Santa Maria del Mar Catholic Church
Statement of Activities
Fiscal Year Ending on June 30, 2021

In 2017, the Diocese of St. Augustine began offering an optional financial service ("Shared Services") to parishes and schools. Our parish transitioned to this service in 2020. Under Shared Services, the Fiscal Office of the Diocese provides a degreed accountant who works with the pastor and his staff. The pastor retains all authority for the financial transactions of the parish, but with a higher level of internal control and a cost savings to the parish.

The parish financial statements are prepared by the Diocese's Shared Services Department in accordance with accounting principles generally accepted in the United States using the accrual basis of accounting and, accordingly, reflect all significant receivables, payables, and other liabilities.

Father Manny, the parish staff, and the Finance Council are extremely grateful to our parishioners for their extraordinary generosity, especially during the difficult circumstances of the last fiscal year.

BREAD OF LIFE COMMUNITY SUPPER MINISTRY

FEEDING THE POOR: VOLUNTEERS NEEDED

A little over five years ago a new ministry was created at Santa Maria del Mar to help individuals and families in need of food and friendship. The Bread of Life (BOL) Ministry was developed to meet some of those needs.

Until the coronavirus hit, the ministry was serving **nearly 80 meals every Monday** night in our parish hall and **sending an additional 100-120 meals to shut-ins and others needing relief.** Any remaining food was packaged and sent to the Family Life Center. This has all been accomplished by a cadre of outstanding cooks and six teams of volunteers totaling over 130 parish members.

On May 12 we fired up the ovens and opened the virtual doors to begin take out service once again. We are currently serving nearly 200 meals each week. Bread of Life has been given the "go ahead" to resume in-house dining and will begin this service starting in mid October and continue each Monday thereafter with in-house dining served from 4–5pm and take outs available from 5-6pm. **Presently, only take out is available from 4-6pm.**

To meet the demands of this dual-service ministry **we need more volunteers.** Please consider spending a few hours of your time in this very worthwhile ministry. Call the office and leave your name, phone number and email address. We will contact you with orientation and team assignment.

LEGION OF MARY

The Legion of Mary is one of the largest lay apostolic associations in the Catholic Church, with several million members serving in most countries of the world. The goal of the Legion is to make its members better Catholics – through a balanced program of prayer and service in union with the Holy Spirit as He operates through Mary, the Mother of the Church.

Our members participate in the life of the parish by visiting families, the sick (both in their homes, nursing homes, and hospitals), and by collaborating with other ministries in any apostolic undertakings sponsored by the Parish.

Our members meet weekly for prayer, spiritual reflection, discussion, and planning in a family atmosphere. Then, we are assigned an apostolic work and report back the following week.

We pray the Holy Spirit will move you to join us in these sessions.

In response to the humanitarian crisis unfolding in Afghanistan, Catholic Charities Refugee Resettlement Office is working in partnership with the U.S. State Department's new Afghan Parolee Support Program (APS) and USCCB to ensure families have a safe place to live, furniture, food and basic living staples. It is important to note that the State Department follows the highest standards to ensure each refugee family is well-vetted before they come to our community.

CCB expects the Afghan refugees to arrive between Sept. 1, 2021, and Mar. 31, 2022. They need supplies to house at least 150 individuals, which will support new homes for about 40 families.

- Bathroom Supplies
- Bedding
- Kitchen Supplies
- General household decorations (rugs, pictures, lamps, etc.)
- Queen, full and twin size beds and mattresses and frames
- Household cleaning supplies

For more details and information, contact Cheryl Estevez at cestevez@ccbjax.org, or visit https://www.ccbjax.org/afghan-refugees.

From the Office of the Chancellor COVID-19 Safety Note: Given Bishop Estévez's recent decision to lift the mask requirement for fully vaccinated persons attending Mass begs the question concerning persons who are unvaccinated. Persons who have hesitated in obtaining the vaccination are strongly encouraged to do so. Until such time, unvaccinated persons older than age two should wear a mask. DO NOT put masks on children younger than 2-years-old. Additional CDC guidance may be obtained at: https://www.cdc.gov/coronavirus/2019-ncov/prevent-getting-sick/about-face-coverings.html

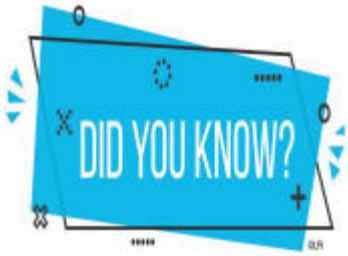
SEPTEMBER: AN ENVIRONMENTALLY SUSTAINABLE LIFESTYLE

We pray that we all will make courageous choices for a simple and environmentally sustainable lifestyle, rejoicing in our young people who are resolutely committed to this.

Our faith in one God has several implications and consequences for our whole life. It means: coming to know God's greatness and majesty, living in thanksgiving, knowing the unity and true dignity of all men, making good use of created things, and trusting God in every circumstance. (CCC #222-227)



SYNODUS EPISCOPORUM

"For a synodal Church: communion, participation and mission"

XVI Ordinary General Assembly of the Synod of Bishops

The fifth synod of the pontificate of Pope Francis will follow a different protocol than previous synods. This one will have the normal three phases, but these phases will be: local, continental, and universal. Bishop Estévez has appointed a Steering Committee and co-chairpersons for the synodal process. The consultations for this local phase will be broad, engaging with as many people pas possible. The first thing that we must do is to have formation on the concept of synod and synodality.

What is an Apostolic Exhortation?
It is customary that, following each Synod, a document called an Apostolic Exhortation is issued by the Pope. The Holy Father draws on the information that has been provided to him to write a document for the betterment of the Church in the world. One example of an Apostolic Exhortation that has long been an influential teaching document is *Evangelii nuntiani,* published by Pope St. Paul VI in 1974 after the completion of the Synod of Bishops that focused on "Evangelization in the Modern World. Another highly influential Apostolic Exhortation is *Familiaris consortio,* published following the Fifth Ordinary General Assembly of Bishops in 1980 under the theme, "The Christian Family."

The official kick off weekend across the world will be Sunday, Oct. 17. Our event will be held at St. Joseph Parish, starting with a 2pm Mass, followed by formation and information.

WHY DO WE DO THAT?
Catholic Life Explained

Question: I've noticed that when I go to Mass at different parishes, sometimes people say and do different things. Why is that?

Answer: The Mass in its current form has taken shape over the course of 2,000 years. Over time, traditions, structures, and prayers have been put into place. There are certain rubrics for the Mass that are normative wherever you go. This means you could attend Mass in Malawi or Thailand or Italy and still watch the same basic liturgy unfold, even if you don't understand the language.

There may be some cultural differences from place to place, things that aren't specifically listed. For example, in the United States most people go up for Communion in a nice neat line. In Europe, everyone gets up around the same time. It's a bit of a free-for-all!

Some people might take it upon themselves to change things individually. People may not like something that feels too "liberal" or "conservative," and they may take a well-meaning stance in the opposite direction.

When people (including the presiders) do things that are distracting or change the liturgy, it introduces an element that breaks the unity of the assembled community.

The important thing to remember is that we gather as the Body of Christ to celebrate the Eucharist. If you are confused, ask! If you are frustrated, pray for the spirit of charity.

"The Saint Monica Club" by Maggie Green Now Available at the Gift Shop

So who was Saint Monica? She was a pious Catholic mother with a son that turned his back on the Church. His mother continued to pray for his return to his faith. She wrestled daily with the pain of having a loved one, her precious son, to fall away from the Catholic faith. Like many Catholics today, she feared that her pain, her prayers, and her tears were of little worth as her son turned far away from the Catholic values she had taught him.

In her case, it took almost 20 years but her son did return to his Catholic faith. Will your son or daughter or grandchild return? Only God knows the answer to that question but Maggie Green has provided wise, compassionate guidance for members of what she calls "The Saint Monica Club" who are good Catholics suffering like Monica the rejection of the faith by persons they love dearly.

"The Saint Monica Club" is available in the Gift Shop for $12.
