Parish Office News

Monday, July 5th

The Parish Office will be closed on Monday, July 5th, in observance of Independence Day. We will re-open on Tuesday, July 6th during regular business hours.

From Monsignor Tom's Desk

This weekend, we mark the anniversary of the establishment of our nation as a free and independent sovereignty. The signing of our **Declaration of Independence** on July 4, 1776 guarantees our freedom, especially that in which we can freely practice our religion as an expression of our Catholic faith, just as any other religious group is permitted to do in this country. But that guaranteed freedom carries with it the responsibility to actualize and live out that faith at all times, especially when challenged in either overt or subtle ways. That challenge becomes more evident in our country with each passing day

In this Sunday's first reading, we hear of a prophet who is being sent to a tough audience, people who are "obstinate of heart." Ezekiel is warned that he will be contradicted and rejected, yet he must speak the word of God whether people "heed or resist" (Ez. 2:2-5).

Jesus also encountered opposition in his own country. We see in the Gospel that the people in his hometown of Nazareth would not accept Him, and that their lack of faith prevented Him from performing any great miracle there. He remarked, "A prophet is not without honor except in his native place and among his own kin and in his own house" (Mk 6:1-6). On the other hand, Jesus sometimes found great faith among people who were not of his own country or race or religion, much to the chagrin of the people of Israel. Also, when the Apostles began to preach after Jesus' resurrection and the coming of the Holy Spirit at Pentecost, they were to find that the Gentiles responded far more readily to the message of the Gospel than did the people of Israel.

We might do well to keep this in mind in our attempts to proclaim the Gospel in these days. Many of us, of course, are glad to support the missions in faraway countries; but closer to home, we may be reluctant to talk about our faith or seek to proclaim the Good News of God's kingdom to our family members or friends or the people we encounter in everyday life at work or in school. Yet, that is precisely what we are called to do as disciples. We may be afraid of apathy, ridicule or outright opposition, but we must follow the example of Jesus and look for more fertile ground when we are faced with people who reject the faith.

Throughout the Church's history, her practice of charity has been the most compelling witness to the goodness of God and the value of religious devotion. Even when the experience of charity does not lead others to belief in God, it demonstrates that religious devotion makes an invaluable contribution to the common good. At the same time, through the practice of charity, believers manifest the great dignity of the human person—their own and that of the people to whom they minister. By serving others out of an authentic love grounded in faith, we witness to the ability of the human person to devote oneself freely to God and to participate in the divine life of love. Our practice of charity affirms the dignity of those we serve by demonstrating that what they need - including food, shelter, and health care - is love, because human beings are made for God, who is love.

Imitating and manifesting that divine love through our actions is the reason why freedom of religion cannot be reduced to freedom of worship. **Religious liberty** is more than being able to pray in our churches, synagogues, mosques and other places of worship; religious liberty means being able to put those beliefs into practice in our hospitals, schools and social services, such as Catholic Charities.

In this regard, Pope Francis has said that a healthy pluralism does not entail privatizing religions in an attempt to reduce them to the quiet obscurity of the individual's conscience or to relegate them to the enclosed precincts of churches, synagogues or mosques. In his Address to Participants in the Conference on International Religious Freedom and the Global Clash of Values, Pope Francis remarked, "Religious freedom is not only that of private thought or worship. It is the liberty to live, both privately and publicly, according to the ethical principles resulting from found truth."

These threats to religious freedom are occurring not just in far-away places, but right here in our own country. Through the courts of our country, we continue to hope for justice to protect our religious institutions from the threats of the federal government imposed by government mandates that require the provision of morally objectionable services.

May we heed the call of Pope Francis when he said, "We must promote religious liberty for all people. Every man and woman must be free to profess his or her faith, whatever it may be. Why? Because that man and that woman are children of God."

life, liberty, and the pursuit of happiness.
Reclaim this land for your glory
and dwell among your people.
Send your Spirit to touch the hearts of our nation's leaders.
Open their minds to the great worth of human life
and the responsibilities that accompany human freedom.
Remind your people that true happiness

grant us the courage to reject the "culture of death."
Lead us into a new millennium of life.
We ask this through Christ Our Lord.

July 2021

Dear Brothers and Sisters in Christ,

In sacramental marriage we are called to live with Christ-like love: an authentic love that is free, total, faithful and fruitful. In support of this call to married fruitfulness, the Church proposes Natural Family Planning (NFP) as a modern, scientific method available to couples for planning their families by enabling them to participate in God's creative action without breaking the inseparable link between the unitive and procreative meanings of the conjugal (marital) act. As NFP becomes a way of life, the couple cooperates with each other and God in responsibly planning their family without the devastating spiritual and physical harm caused by artificial contraceptive methods.

Natural Family Planning Awareness week, the annual national educational campaign sponsored by the United States Conference of Catholic Bishops (USCCB) is a wonderful opportunity for us to share the good news about God's perfect design for marriage and responsible parenting. This year, Natural Family Planning (NFP) Awareness week will be celebrated from July 25 through July 31 with the theme: *To Have, To Hold, To Honor* in support of *God's gifts of love and life in marriage.*

This week also celebrates the 53rd anniversary of the papal encyclical *Humanae vitae* in which Saint Pope Paul VI prophetically articulates the grave consequences of the use of artificial and illicit means of birth control. These consequences include a general lowering of morality, increased infidelity, and devaluing of women (*HV*, no. 17). One only needs to scan today's headlines to confirm the devastating accuracy of his predictions and discern the destructive consequences for families. In contrast, couples who practice NFP enjoy greater marital stability and experience divorce at only one-tenth the rate of divorce among first time marriages.

During NFP Awareness Week, I would like to thank those married couples who live out their marriage commitment to free, total, faithful and fruitful love. I encourage all married couples and those preparing for marriage to reflect on their current or future marriages and how they can authentically and responsibly fulfill their commitment to fruitful love. If you have not yet considered NFP or have questions, I encourage you to investigate and discover the richness of NFP. Please visit our website at www.diocesepb.org/naturalfamilyplanning for resources and additional information or call 561-775-9524.

With every prayerful wish, I am

Sincerely yours in Christ,

+Gerald M. Barbarito

"America Needs Fatima"

"Just as it belongs to religion to give worship to God, so it belongs to piety, in the second place, to show reverence to one's parents and one's country."

~St. Thomas Aquinas

To the Faithful; What a better way to show reverence for our country than praying the rosary for America? Our Lady of Fatima wants us to pray for our country.
Join us for our next Rosary Rally on Saturday, July 10th, from 9:30 - 11:30 AM here in Delray Beach (corner of Atlantic Avenue and A1A). With the grace of God and Our Lady, we can turn hearts and minds to God.

Did you know....

The KofC were influential in adding the phrase "Under God" into the Pledge of Allegiance . In a letter dated Aug. 6, 1954, President Eisenhower formally thanked the Order: "And this year we are particularly thankful to you for your part in the movement to have the words 'under God' added to our Pledge of Allegiance. These words will remind Americans that despite our great physical strength we must remain humble. They will help us to keep constantly in our minds and hearts the spiritual and moral principles which alone give dignity to man, and upon which our way of life is founded."

COLUMBIETTES

Happy Birthday USA! Today marks our 245th birthday as a nation. On this special day we should keep those who have fought for our freedom and those who continue to fight in our prayers. We are truly blessed to live in this free country where we are one nation under God. *"Every generation of Americans needs to know that freedom consists not in doing what we like, but in having the right to do what we ought."*

(*Saint John Paul II*)

All members should feel free to contact us if you ever need anything and always if you have any prayer requests.

Holy Water is back at both the east and west church doors. To help offset the cost of the bottles, the suggested donation is $1.00 per bottle, and it is set up for self-service. Make it a habit to say this prayer when blessing yourself with Holy Water: "By this Holy Water and by Thy Precious Blood, wash away my sins, O Lord".

Many thanks to all our parishioners who remember the food baskets and poor boxes near the church doors. If we all do a little something, together we can perform miracles!

We welcome you to become part of a great group of women who are active in community services and our church. We are caring and sharing in all that we do, and in the process, we form great friendships. If you are interested in becoming a Columbiette, or would like more information, please contact Gail Colvin at (516) 314-4440.

PREP
Parish Religious Education Program

Religious Education will be back in September!

Religious Education Registration for our youngsters attending non-Catholic schools has begun for the 2021/2022 school year, and **is available online at stvincentferrer.com. New students beginning in the fall must also present a copy of their Birth & Baptismal Certificates. Please enroll your children now.** We are also seeking Teachers and Mentors to volunteer for this upcoming year. Pleased contact our parish office for more information at (561) 276-6892.

2021/2022 Year Registration Fees

- **P.R.E.P. Fees (Non-Sacramental Year) $115 for a single student $165 family.**
- **For Sacramental Year Fees (2nd & 9th Grade) $175 per individual student & $235 family.**

Happy Independence Day! In thinking about how lucky we are to have freedoms, especially our religious freedom, this Bible verse comes to mind. "Now the Lord is the Spirit, and where the Spirit of the Lord is, there is freedom." 2 Corinthians 3:17

Our Care Ministers are sharing their thoughts about why they joined the Care Ministry.

Care Minister Tom says; "I accepted an invitation by the Care Ministry at Sunday Mass a few years ago to attend their weekly meeting and learn more about their mission. I was welcomed to join the well-organized team that runs a hotline and directly helps the poor, disenfranchised, and those with emergency needs in Delray Beach. I had no prior experience. Many of the Care Ministers have been helping the poor and those in crisis for years, so the mentoring of new members comes quite naturally. It has been a rewarding experience working in the Care Ministry. The gratitude exhibited by those we help is a very humbling blessing."

"We think sometimes that poverty is only being hungry, naked and homeless. The poverty of being unwanted, unloved and uncared for is the greatest poverty" St. Mother Theresa.

The mission of the Care Ministry is to be a channel of God's love by providing solutions to area citizens for the many issues they call for. It could be the need for a utility payment to avoid disconnection, rent help in the event of an eviction notice, grocery store cards to purchase food, and help with other unforeseen events affecting them.

Thank you for your continued support. Through your ongoing generous support, we were able to donate funds to the Caring Kitchen. Water was desperately needed for our homeless population and through your help and God's grace, we were able to assist.

If interested in joining our ministry or attending one of our meetings, please call 561-272-7580 and leave a message for Jackie expressing your interest and we will return your call.

SVFCM is a 501 (C) (3) nonprofit Care Ministry. Your tax-deductible donations are recorded in the parish end of the year report which is available upon request.

Our St. Vincent Ferrer Care Ministry is here to help the less fortunate of our community. **There is no need to give money to panhandlers.** If you are approached by anyone on the grounds of the church, kindly give them our phone number. We are here to help them.

Do you feel called to serve our Lord and the Parish?

We are always in need for volunteers to launder and press the Altar Linens that are used each week during the Holy Sacrifice of the Mass. These are cleaned on a weekly basis. Special attention to reverence when handling the purificators, corporal and hand towels is required and special instructions will be given. This ministry is time-flexible and performed at home. Currently, the time commitment of our volunteers is once every three months. If you are interested in this ministry, please contact the parish office at (561)276-6892. This is a great way to earn school service hours for parents.

Diocese of Palm Beach's Commitment to the Protection of Minors and Vulnerable Adults

The Diocese of Palm Beach is committed to the safety and protection of minors and vulnerable adults in its care. Victims of abuse by Church personnel (clergy, religious, employees, and volunteers) are encouraged to contact law enforcement. Victims may also contact the Diocesan Victim Assistance Coordinator at (561) 775-9558 to begin the necessary emotional, psychological and spiritual healing. For more information on diocesan policies and procedures for reporting abuse, as well as to view the "USCCB Charter for the Protection of Children and Young People," visit www.diocesepb.org/safe-environments.
