SHEPHERDS' SIGHTINGS

Dear Parishioners,

The Catholic Leadership Institute **is an organization that seeks to strengthen Catholic leadership**. Their vision statement is simple: *Equipping leaders. Igniting hope.* The institute sees to *accompany Catholic leaders in strengthening parishes and fostering disciples in every generation*.

A number of dioceses in the United States, including our diocese, with the help of a Eli Lilly grant, are part of pilot program to strengthen priestly leadership and form disciples on the parish level. Part of this process is surveying parishioners. **I encourage all of your to participate in the survey.** We do not give it at church. **However, if you go to our website, you can access the survey. I will receive the survey results only for our parish. These results will then be used in planning the pastoral direction of our parish**.

Again, go to our parish website and find the link the Catholic Leadership Survey. It is confidential and will be greatly helpful in helping our parish and our diocese make better disciples.

We began Lent last week. We are offering some of our regular devotions. **However, we may due them in a different manner. Stations of the Cross** were live and in the church. They were also live streamed. However, instead of the priest and server processing down and up the main aisle, moving from station to station, the priest led the stations from the front of the Church. Photographs of our own beautiful stations were projected on a screen as well as the peoples' responses to the prayers.

We received many positive responses to these kind of Stations of the Cross. People were able to see our stations with a greater clarity. Also, booklets were not necessary. People were able to pray along by simply glancing at the screen. Thank you Lord for the wonders of technology.

Our Sunday evening Holy Hour is also live streamed. The focus of our preaching this year is St. Joseph. **The title we will focus on this Sunday is *St. Joseph, Most Just*.**

And one more reminder: **40 Days for Life** began on Monday. We offered prayer both at Preterm and our parish church. **Information is on the sidebar of this page**

The Second Sunday of Lent focuses on the Transfiguration of our Lord. This event gives us a glimpse of the glory that awaits those who faithfully follow Jesus Christ. It is placed in Lent to encourage us that the sacrifices we make in following the Lord, as well as the sacrifices we make during Lent, are worth it. When St. Peter saw our Lord transfigured, he said, "Rabbi, it is good that we are here!" How much more will we say that in heaven!

So how do we stay on track? The voice of the Father tells us the way. First, above all, we are to believe in the beloved Son of God, Jesus Christ. And then we are to express that faith by ***listening to Him!*** Whether you are called to publicly witness to Jesus in deed or word, or simply do what he says in the ordinary and daily interactions with people, we must listen to get to heaven by doing what Jesus says.

May our Lent be a season of personal transfiguration. We do not need to glow the like the sun. We only need to do what the Son of God says.

40 Days for Life begins February 17-March 28, St. Peter Parish will pray in the church at Noon on Mondays. The car pool leaving for the Preterm abortion clinic will be leaving the front parish parking lot at 11:15 AM and will return by 1:45 PM. All are welcome.

RESPECT FOR LIFE PRAYER

God of life and love, you created us in your image and sent your Son to bring us life. Instill in us a respect for all life, from conception to natural death. Empower us to work for justice for the poor. Nourish us that we may bring food to the hungry. Inspire us to cherish the fragile life of the unborn. Strengthen us to bring comfort to the chronically ill. Teach us to treat the aging with dignity and respect. Bring us one day into the glory of everlasting life. We ask this through Christ our Lord. Amen

SCHOOL NEWS

St. Peter Catholic School is Bold and Strong! We are BOLD in that our students have been in school safely throughout the entire school year. As a community we have allowed our students to learn in person, thrive academically and have social interactions that are very important to growth of everyone. It is because of every person on staff and every family that we have come this far. I cannot thank our St. Peter Community enough for the awesome job you have done throughout this pandemic! **We are continually discovering how STRONG we are, in studying the MAP testing scores we see that the students are growing academically. We also receive progress reports from our Catholic High Schools and we are thrilled to consistently hear that 90% of our alumni in High School have constantly earned honors.**

Junior High Students have been finding and studying parables in the Bible. The students had to not only discover and read the parables, but also come to understand what Jesus was teaching the disciples and what they mean for us today. **First grade** have been learning all about long vowel sounds, they also studied how their hearts work. In an experiment building a heart the students learned how it functions. Most importantly, they have been discovering how God, Our Father is Holy.

I would like to thank our families for their support in spreading the word that St. Peter School is an awesome faith based learning community that achieves high standards in the classroom. Our school also builds community between staff, students and families that lasts a lifetime! If you are interested in St. Peter Catholic School and how you child can become a Saint please be sure to contact the school soon as classrooms for the 2021-2022 school year are filling quickly.

St. Peter School is an amazing place, committed to a faith-based learning environment that empowers our students to thrive spiritually and academically. I know that every member of our staff works diligently to ensure that we stay dedicated to our mission, even through a pandemic! If you would like to learn more about St. Peter School visit our website at stpeterschoolnr.org or take a tour of the school by calling (440) 327-3212. Be Bold – Be Strong, For the Lord Your God is with You!, We will "Stay Saint Strong!"

OUTREACH OPPORTUNITY

St. Peter Church Outreach is in need of volunteers to help prepare meals for the St. Elizabeth Center in Lorain. While we are unable to provide our own Community Meals due to the pandemic, this is a way to continue to provide loving support in the name of Christ to our brothers and sisters in need throughout our community. Meal prep takes place on the last Wednesday of every month from 10:00 am - 2:00 pm in the gym kitchen. Only 4 volunteers will be in the kitchen at a time with distancing and mask protocol required. Please contact Chris Bak if you are able to help. Text or call 440-382-3235 or email Christine.bak@oh.rr.com. The Outreach Committee appreciates ALL of our volunteers and looks forward to welcoming you back as soon as you feel comfortable.

SHARE YOUR THOUGHTS!

The Diocese of Cleveland is asking every parish member to take 10-15 minutes to share your thoughts about our parish community. This will assist both the Diocese and our parish in the planning for our future. The Disciple Maker Index Survey, created by the Catholic Leadership Institute, will be available until March 22nd. Parishioners 18 years and older are encouraged to participate. The survey will collect information about your attitudes, beliefs, participation, satisfaction, etc. This survey is confidential. It is preferred that the survey be taken on-line (link is on our website), but paper copies are available at the parish office. Once completed, the paper survey can be dropped in the collection basket or at the office.

Thank you for taking a few minutes to share your thoughts with us.

PARISH STAFF NEWS

Sacramental Reminder

Please keep in your prayers all of second graders and their families as they receive the Sacrament of Reconciliation for the first time on March 6th and 13th. This is an important step in their faith life. The best example we can give them is to receive the sacrament too!

Parents of our second graders, banners are due on the day your child receives their First Reconciliation. Thank you!

RCIA we will meet at the 10:00 Mass on March 7th for the First Scrutiny!

It seems like yesterday we had gone through the Christmas season: and, here we are already in the Second Sunday of Lent. This past year the covid19 pandemic had posed many trials and tribulations in our world and in our lives. And, not to say the least our worship and activities in our St Peter Parish.

As Peter said to Jesus "It is good that we are here." What an appropriate phrase for what we had encountered in regards to our worshiping the Lord this past year.

When the church had to close we attended mass virtually online until mass was able to be celebrated again in our church. Only a few attended the first weekend mass in church; however, as weeks passed more and more had the courage to attend mass in the church. Yes, indeed the phrase " it is good to be here" is so appropriate as our attendance is just about back to normal.

As Jesus was Transfigured in glowing bright white clothing in front of Elijah, Moses, and the other men, we too must have faith that the light at the end of the tunnel is getting us closer to lead us to the important "Light" Jesus.

Have you ever been tested as God had tested Abraham in the First Reading about sacrificing his son? I'm sure many of us experience the test of our faith especially when a tragedy or even a disappointment in life happens? I know I have experienced it as at times my faith will falter. However, I will thank God for all the good he has given me. As we go through Lent try to Transform yourself so as to be closer to God. To be a better "Hands and Feet" of Christ in our every day life would be a great way to transform our lives during Lent and throughout the year
