SHEPHERD'S SIGHTINGS

Dear Parishioners,

On Friday, September 26th the St. Peter School and PTU sponsored our September Jubilee event: a late afternoon Mass that was followed by a carnival. Over 200 people gathered for the Mass. Ms. Ann Marie Hice, one of our longtime 1st Grade teachers, an alumna of the school and a participant as a student in the 100th Anniversary celebration of our parish in 1975, shared a beautiful reflection on the 150 years of St. Peter Parish. Thank you, Mr. Brooks, Ms. Hice and the St. Peter School community for a wonderful evening.

Our next Jubilee event will be the blessing of the Rosary Garden this Tuesday, October 7 at 6:30 PM. After our normal Evening Prayer and Benediction at 6:00 PM, we will be gathering behind the Parish Center to bless our Rosary Garden and pray the Rosary. Many people contributed to the creation of this beautiful and prayerful space on our campus. I especially want to acknowledge Marilyn Sgro who came up with the idea and has overseen much of the planning and labor involved in creating this space. Thank you, Marilyn! My hope is that his newly created area for prayer on our campus will become a special place to pray. May Mary, Mother of the Church, continue to call down the Holy Spirit upon us all!

Staff members from the Suburban West Deanery gathered for the first time as a Deanery Assembly on Wednesday, September 24th at St. Ladislas Parish in Westlake. St. Peter Parish, as well as all the Catholic parishes in Avon Lake, Avon and North Ridgeville are now part of the Suburban West Deanery, which includes Bay Village, Rocky River, Westlake, Fairview Park, North Olmsted, Olmsted Falls and Columbia Station. Bishop Malesic has asked the Deanery Assemblies across the Diocese to look for ways to collaborate in Marriage Preparation, Evangelization and Youth Ministry. We had some interesting discussions and concluded the meeting with the understanding that subcommittees made up from the staff members of our parishes would look into these areas of pastoral concern and look for ways of collaboration within our Deanery. I will keep you informed of any upcoming plans.

On Saturday, September 27 I met with many of the pilgrims who will be on pilgrimage with me beginning October 20. I am traveling with 23 other pilgrims. Most of us met in the Galilee Room. Thanks to our ability to connect electronically, five of our pilgrims were able to join us through a zoom on the "smart" board that is in the room. We have three people from Detroit, a couple from Shelby, Ohio and another couple from Ponte Verde, Florida.

Beginning next weekend, I will be collecting prayer intentions. It is my desire to pray for the intentions of St. Peter and St. Julie parishioners as we travel to the various shrines in Rome, San Giovanni Rotundo and Assisi. **I will also be putting together a "spiritual bouquet" for Pope Leo XIV**. This is simply a pledge from individuals from our parishes to pray for the Pope. Forms will be available at the doors of the church for you to give us your prayer intentions, as well as your pledges to pray for the Holy Father Pope Leo XVI.

This week's gospel reading reminds us that our vocations are 24/7 occupations. The servant of the Lord serves Christ continually. And there will be times when our good deeds will be rewarded only by being called to do another act of charity, even though we are exhausted. Two things can help us when we feel stretched. **First, Jesus is a Good Shepherd and will give us the rest we need. Secondly, we have the Holy Spirit!** In our second reading, St. Paul reminds to stir into a flame this gift of God that is within us. It is by the power of the Spirit that our works will be fruitful.

FORTY DAY FOR LIFE PRAYER

Lord God, I thank you today for the gift of my life. I rejoice that you have conquered death by the Resurrection of Your Son, Jesus. I beg you to spare the lives of all the unborn babies that are in danger of abortion. Through Christ our Lord, Amen.

SAINT PETER SCHOOL

Feeding the hungry is the first of the seven corporal works of mercy in Catholic tradition, derived from Jesus' parable in Matthew 25, which highlights caring for physical needs as acts of love for God. This means responding to bodily needs by providing food through actions such as volunteering at a soup kitchen, organizing food drives, or supporting organizations that deliver food to those in need. The St. Peter Students through the Lions Club of North Ridgeville supported the Community Care Food Drive and it was absolutely amazing! Our students, families and staff members truly know how to “Be The Light” in helping those in need! The amount of food that came in for the drive was unbelievable and everyone should be proud of how our St. Peter community has stepped up to help others. This is one of the many reasons that St. Peter School is the difference. Yes, we did retain the trophy!

Fifth grade students attended Mass on Monday morning. Seeing all of their faces ready to hear the Gospel and receive Jesus in the Eucharist is an amazing site. The students were truly excited about going to Mass to celebrate with Fr. Bob. Going to Mass is one of the most important things we can do for our students, our faith and the love of Jesus is the reason St. Peter School truly is the difference.

Last Friday, in celebration of the 150th anniversary of St. Peter Church the entire student body went to the new Rosary Garden behind the parish to say a rosary in thanks for the blessing 150 years as a vibrant church. Each decade of the Rosary was dedicated, for the Church, for our community, for the students and for the staff of our parish. And Yes, over 350 students and staff members do fit around the Rosary.

St. Peter School Pie Sale has ended and support of St. Peter School by the parents and community is amazing. We exceeded our profit from last year! A big thank you to everyone who supported the fundraiser and helped organize the campaign! Lets Go Saints!

Hooked on Fishing Not on Drugs was again a great success! The students caught 108 fish, a St. Peter Record. They learned about nature, and how to stay off drugs. Thank you to the Knights of Columbus! You have truly impacted our students in many ways by taking them fishing! *Yours in Catholic Education, Roger C Brooks*

WOMEN IN FRIENDSHIP

Our next gathering on Tuesday, October 14th at 1:00-3:00pm in St. Peter Parish Center will be a Tea Party for all current members. Members are helping to provide finger sandwiches and desserts, so be sure to speak with Linda about what is needed.

PARISH STAFF NEWS

Thought for the Week

When we think of people of great faith, we often mention people like Gandhi or Mother Teresa. These were great religious leaders who obviously had great faith and accomplished great things. We make a mistake, however, if we identify faith only with great things. Jesus reminds us in this Gospel that our everyday actions performed in loving service are expressions of our faith.

This Sunday is the capstone of all these past Sunday's parables that keep bringing us back to the decisiveness and urgency of discipleship. The apostles request of Jesus to increase their faith is made in the face of the seemingly impossible demands of discipleship. The issue is to take what we have, whether little or great, and act. This Sunday, we see faith as our decisiveness expressed in urgent action. Jesus uses two examples in the gospel to bring home his point.

If we wait until we think we have enough faith, we will never act. In the first example about the Mulberry tree, Jesus is saying that even a little faith is enough to move this tree. At issue isn't the amount of faith--the apostles have enough-- but we must use what we have. The surprise is that by using our little bit of faith, it is increased. By acting, we deepen our faith. The very work of discipleship then increases our faith. If all one needs is faith the size of a mustard seed, then demands of discipleship aren't beyond anyone. This is the great encouragement of the Gospel, the Good News. We have enough to be faithful disciples.

In the second example, Jesus illustrates what a faithful disciple looks like. The servant has been laboring all day in the field, but more is yet to be done. The work of disciples is never completed. At issue here is that by continuing to trudge on with the hard work at hand, we are also responding to the urgent decisiveness of discipleship. Discipleship is never ending. To be a disciple means to be servant. Here, faith means faithfulness, that is, faithfulness in service.

Putting the two examples together, serving at table is as great as moving trees. Faithfulness is doing all we have been commanded. Faith-filledness is acting decisively. The faithful and the faith-filled disciple is the one who doesn't wait for enough faith but continues to respond to the everyday and never-ending demands of discipleship. The master demands our service. And then gives us the faith to perform it well. The faith filled person puts in an honest day's work. That person is gracious to those with whom he or she comes in contact. That person is ready to reach out and help another even beyond one's own workload. The faith filled person sees Jesus in the other and responds to the situation with Jesus' love and care. Faith is faithfulness and action. How can you show your faithfulness this week?

Blessings, Deacon Del
