DONATE ONLINE

Your generosity and financial support of the Church is always much appreciated. Without you and your support, we would not be able to provide so many services to so many people in our parish. Many of you have been using our online giving link in our website www.sjachurch.com and now with this QR Code below, it will also link you to that page in which you can make your online donation and contribution to the parish.
Hopefully this makes the online giving more user friendly and we can continue to provide much needed spiritual help to all of our people.

Thank you for your treasure.
"...God loves a cheerful giver."
2 Corinthians 9:7

THE CHALLENGE OF STEWARDSHIP

One day when I was walking the city streets where I was giving a series of talks, I saw what appeared to be an older woman hunched over with a sign asking for help. At first I passed her, on my way to visit the local drugstore. But then I came back around when I realized that I had not been very mindful upon first seeing her. I didn't have much cash to give her, but as I always tell everyone else in my talks, often times what people need more than cash is someone to at least acknowledge them. I reached into my pocket to give her what little I had and I simply said, "Hello. I hope you are okay and I hope you can use this."

When her face turned toward me I saw she was probably only about sixteen years of age and she was very beautiful. She smiled immediately and said how much this meant to her. She gathered up her few belongings and I watched her walk to a café for a meal. I turned to walk back to my lodging and I thought to myself, "She could have been my daughter." That's when the still, small voice spoke to me saying, "Don't you understand? That was your daughter!"

Who is your daughter or son, your mother or father? Who is your neighbor? Better yet, in whom do you see Jesus? A young homeless girl on the street can take on so many forms: stranger, neighbor, daughter, and Jesus. Unless we are mindful of those in our midst, we miss the chance to see any of them. We must never be fooled by appearance. That day I almost missed seeing my Lord.

ANGEL GIVING TREE

As the Christmas season approaches, our parish family has a wonderful opportunity to share Christ's love and joy with those in our local community.

This year, our Angel Giving Tree will support:

- Residents at Twin Oaks Nursing Home
- Veterans residing at the Veterans Home
- Children in our local civil parish who are in need of extra Christmas cheer. We partner with a local school who provides the names of the children to us directly by teachers and school administrators.

How You Can Help:

1. Pick an Angel tag or envelope from the tree.
2. Purchase the requested item listed on the tag or put your donation in the envelope.
3. Return the wrapped gift with the Angel tag attached or your envelope by December 15.

Thank you for opening your hearts to bring hope, comfort, and the warmth of Christmas to those in our community!

FROM OUR Pastor

My dear parishioners,

Today is the Solemnity of Christ the King, the last Sunday in the Liturgical Year 2026, and the invitation to a new year of grace in Advent offered to us by the Church in the Holy Liturgy of the Mass. Officially this Solemnity is known as the Solemnity of Our Lord Jesus Christ, King of the Universe. It was proclaimed in 1925 by Pope Pius XI through his encyclical Quas primas. It was established in the aftermath of World War I, to counter the rise of secularism, theism, communism, and fascist dictatorships. The encyclical reminded us that our ultimate loyalty belongs to Christ rather than to any demanding political regime. This means that in the world there are two orders: a temporal order, and a spiritual order, and the spiritual order takes precedence over the temporal order. Our governments and human institutions should guide themselves by the higher spiritual order of Christian principles established by Jesus Christ, the Only Begotten Son of God. How far we have deviated in modern times from this ideal, when modernism and all those false political theories that the institution of this Solemnity came to combat, are the dominant force of our society! To add to it, in our own country, a misunderstanding of the separation of Church and State has created an anti-Church atmosphere. Freedom of religion is not the acceptance of any religion, neither the acceptance of a wall of separation between the Church and the government, neither it is the right to practice within church walls, but it is the possibility of our Christian faith to have a prominent place in the public square! As we celebrate Christ the King today, let us pray that we may soon have the good guidance of our Catholic Church coming from the highest levels of the Church, as to how to make this truth a reality.

For adults: Read the Encyclical Letter Quas primas. It is easy to read it today and available even through your cell phone!

For parents with children: Explain to your children how Christ the King means that Jesus should be the center of everything we do and not just the King as a spiritual leader.

Reflections about my Invitations to our Parishioners and to our Families with Children

One of the great confusions related to the Solemnity of Christ the King, which is very evident today when this cry has become a source of controversy, is the fact that Jesus is not meant to be the King only at the end of times, when the end of the world happens, but that He is meant to be proclaimed as King right here and now as the King of history in every country and state. It is easy to accept that sometime in the future, Jesus will be the King (notice the future tense). It is not as easy to proclaim that right here and now, in our country and our world, He should be the one guiding our temporal decisions, which should be at the service of the truth that He came to bring to us 2000 years ago. In Him is the fulfillment of all that God wants for humanity in order for humanity return to its original purpose when created by God. This understanding is crucial in being able to celebrate this Solemnity not just as a nice spiritual reminder of who Christ is, but to celebrate it as a Solemnity that has implications for our everyday life.

In Christ's Love,

Fr. José I. Lavastida, J.D., S.T.D.

We are
One Family.
One in Christ.

CATHOLIC CELEBRATIONS FOR Thanksgiving

For Catholics, Thanksgiving is best celebrated as a day of gratitude in the Eucharist, blending family traditions with Catholic prayer and reflection.

CATHOLIC MEANING OF THANKSGIVING

In Catholic tradition, the word **Eucharist** literally means "thanksgiving" in Greek. The Church calls for gratitude every day, especially in the Eucharistic liturgy, which is the central act of Christian worship. While Thanksgiving is not a Catholic feast day, its spirit of giving thanks aligns closely with Catholic teaching.

Historically, the first Catholic "Thanksgiving" in the New World took place in 1565 in St. Augustine, Florida, when Spanish settlers celebrated Mass and shared a meal with the Timucua people. This early example shows how Catholic faith and gratitude were intertwined from the start.

WAYS TO CELEBRATE THANKSGIVING WITH FAITH

1. **START WITH MASS** — Begin the day by attending Morning Mass, offering thanks to God through the Eucharist.
2. **PRAY THE ROSARY** — Gather family for a decade or full Rosary, focusing on mysteries of gratitude.
3. **SPECIAL GRACE** — Create a unique mealtime blessing, incorporating traditional prayers like the *Te Deum* or *Magnificat*, and personal thanks.
4. **REFLECT ON THE REAL FIRST THANKSGIVING** — Remember the 1565 Catholic celebration in St. Augustine, and the 1621 Pilgrim–Wampanoag feast.
5. **HONOR ST. MARTIN OF TOURS** — On Nov. 11, remember his act of charity and share generosity with those in need.
6. **ACT OF CHARITY** — Volunteer, donate, or offer kindness to those in need, making gratitude tangible.

PRACTICAL TIPS FOR FAMILIES

PRAYER BEFORE THE MEAL — Share one thing each person is grateful for, followed by the traditional grace.

INCORPORATE CATHOLIC SYMBOLS — Use candles, a crucifix, or a small altar for the meal.

COMMUNITY SERVICE — Pair the celebration with acts of service, such as visiting a food pantry or shelter.

WHY IT MATTERS

For Catholics, Thanksgiving is an opportunity to live out the "attitude of thanksgiving" that St. John Paul II emphasized. It's a chance to unite family traditions with the Church's call to recognize God's blessings, share them with others, and deepen faith through prayer and charity.

In short, a Catholic Thanksgiving celebration blends the Eucharist, prayer, gratitude, and service—turning a secular holiday into a sacred moment of thankfulness.

Our third grade students continued our treasured school tradition of representing saints of the Catholic Church at Mass. Saints provide a wonderful, tangible reminder of what it means to live by the beatitudes. After Mass, the third graders visited our preschool building so that our little Vikings could see all of their hard work. Our third grade students learned about their saint through research and creating project boards.
