## From the desk of Father Randy

Ask Father Randy, "Can you go to hell if you tried to take your own life and the only thing that stopped you was the E.R?"

God is not so much concerned about what we have done, as long as we sincerely seek his forgiveness and change our lives. God is concerned about your relationship with him right now. If you now know that Jesus has died for your sins, and has risen from the dead; that Jesus is in love with you, and you love him in return, you are doing well. If you die in this state I think you will end up in heaven.

Catholic schools have been doing a lot of good for our Church, for the good of our nation, and for the world. We are blessed to have a parish school.

You have or will soon receive a letter from the diocese letting you know of some of the good works that we do and asking for your financial support. Think about it, pray about it, be ready to help as God directs.

"If you don't behave as you believe, you will end by believing as you behave." Bishop Sheen

If you order items through Amazon Smile, St. Ann could get a small percent of what you pay. It is the same as using Amazon, just type in Amazon Smile and choose St. Ann Church and School, Stoughton WI.

**2022 Diocese of Madison Annual Catholic Appeal Begins**

Please Make a Generous Pledge

This week, parishioners throughout the diocese will receive a mailing asking for a pledge to the Annual Catholic Appeal to support the ministries of the Diocese of Madison.

Please prayerfully consider making a pledge payable over 6-months to the appeal. Your gift will help enable the diocese to reach its goal and provide for many ministries, education and services throughout the diocese.

Thank you for your continuing support of our parish, diocese, and the work of the Church throughout the world.

# Parish News & Notes

## **CATHOLIC HERALD** Enjoying the Catholic Herald?

Just a little reminder that it is time to renew your Catholic Herald subscription. If you have parish envelopes, there is an envelope in the packet to use.

If not, please submit \$20 marked "Catholic Herald". This is a discounted rate for parishes. Checks should be made out to St. Ann's. The parish will make sure that you keep receiving your paper. Thank you!

### **Our Freezer is Full!**

Once again, the wonderful cooks in our parish came through by making and donating soup! We will continue to share it with those in need and the home bound. Your time and thoughtfulness is greatly appreciated.

**Thank You!**

### **So, what about the survey????**

You may be wondering what is happening with the Disciple Maker Index Survey that we all took in the fall. The results have been compiled by the Catholic Institute. There is a group of parishioners that is currently in training to know how to interpret the results and then instructed on what should happen next. This process will take until February, and then the group will begin to meet. Stay tuned!

Contribution statements for 2021 can be downloaded from the parish website: [stannparish.weconnect.com](http://stannparish.weconnect.com)  
If you need a paper copy or assistance, please call the parish office or email Shaun Kleitsch at: [shaun.kleitsch@stanns-school.org](mailto:shaun.kleitsch@stanns-school.org)

## **EVERYDAY STEWARDSHIP - RECOGNIZE GOD IN YOUR ORDINARY MOMENTS**

### ***First Corinthians and the Stewardship of Social Media***

"Love is patient, love is kind ..." As familiar as these words are, they never seem to stray into the territory of becoming trite or silly. At their core they communicate a truth about us and about our Creator that never fails to inspire.

But despite the fact that you've probably heard it at many weddings over time, First Corinthians isn't just for newlyweds. It wasn't written for married folks. It's for every single one of us, in every state of life and every social situation, in every country and culture and language across the globe.

Which means that First Corinthians is even for the online world. It's for Facebook and Twitter and Instagram and all the other platforms I'm forgetting (there seems to be a new one every day, doesn't there?).

A sense of division — whether rooted in politics, culture or anything else — is growing in our world, and it's never more obvious than when we observe interactions online. It is far easier, after all, to remember what love is when a human being of flesh and blood stands before us. When all we see is an avatar or a profile picture on a screen — especially accompanied by an opinion with which we vehemently disagree — even the most loving Christians can throw First Corinthians out the window.

As everyday stewards we know that we are charged to be not only gracious but grateful. We receive others but we also give thanks for what they bring to us — even if that's an opportunity to "strive eagerly for the greatest spiritual gifts."

So before the next time you post anything online, I suggest giving First Corinthians a read — and remember, love never fails.

At the beginning of the year, we started a new prayer list. If you would like someone added to the list, please contact Shaun or the parish office.

We extend our condolences and prayers to Rosemary Franke and all the Franke family, as they mourn the passing of Tom. May God comfort all who loved him and may his soul rest in the peace of Christ.

**W**hen the people in the synagogue heard this, they were all filled with fury. They rose up, drove him out of the town, and led him to the brow of the hill on which their town had been built, to hurl him down headlong. But Jesus passed through the midst of them and went away. — Lk 4:28-30

## St. Blaise | February 3

You may be familiar with the annual “blessing of throats” that many parishes in the United States use to commemorate the beloved bishop and martyr. St. Blaise lived in the fourth century in Turkey and Armenia. Due to religious persecution, he was forced to flee and hide in a cave in the back country in order to save his life.

History has it that one day a group of hunters stumbled upon where St. Blaise was living. They found the bishop kneeling in prayer, surrounded by wolves, lions, and bears that he had tamed. The legend has it that as the hunters dragged Blaise off to prison, a mother came with her young son who had a fish bone lodged in his throat. At Blaise’s command, the child was able to cough up the bone and thus lived.

Today, we remember the saint on his feast day by taking two candles, crossing them against the throat, and saying the following prayer:

Through the intercession of St. Blaise, bishop and martyr, may God deliver you from ailments of the throat and from every other evil. In the name of the Father, and of the Son, and of the Holy Spirit.

Amen
