\*Pictured is Saint Basil the Great. The Father of Eastern Monasticism—as Saint Benedict is for western monasticism. Besides being a good pastor, Saint Basil also lead the fight against Arianism, a heresy that denied the divinity of Christ.

### Congratulations from the Knights of Columbus

The Knights of Columbus Council #8172 congratulates Sandy Redman, one of our STA January Families of the Month. Sandy is a 20 plus year member of the parish and has served us all in so many ways. She is a Holy Duster, Eucharistic Minister, lector and a cheerful volunteer at the funeral luncheons, fish fry's and the Country Fair. She always seems to be there when you need a hand. It's true, good things do come in small packages!

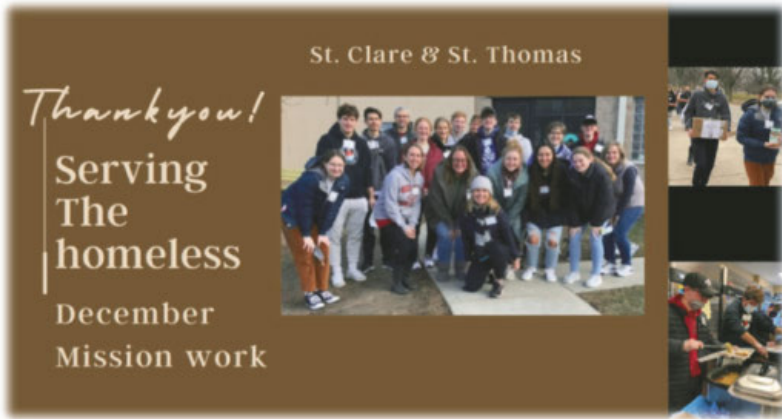

### Congratulations from the Knights of Columbus

The Knights of Columbus Council #8172 congratulates Tim and Michelle Bowen, one of our STA January Families of the Month. Since joining the parish in 1993, this dynamic duo has been heavily involved in both the school and church. Michelle has Coordinated Mission Trips, Organized the School Gala, served on the School Committee, Home and School Committee and organized numerous Open Houses. Tim is a campus Gardening Angel, Works the Fall Cleanup and is a member of the Knights. Together they oversee the food tent at the Country Fair, work the Pancake Breakfast, Fish Frys, Wild Game Dinner and many other fund raising events. A truly dedicated couple!

A special thank you to our youth for another successful mission trip to the Repairer's Of The Breach. Our neighbors experiencing homelessness were delighted to receive our St. Clare & St. Thomas team as we sought to understand and listen to individual stories and struggles at the Repairer's of the Breach. We learned that there are several paths to homelessness and each one is unique. They can include abuse or abandonment. Many people experiencing homelessness have suffered abuse or domestic violence that forced them to flee to the streets for safety. Sometimes this leads to mental illness, trauma, and or addiction. A life-long support system is necessary to overcome the obstacles. Affordable housing is limited and most are on a waitlist. They bide their time in a shelter or on the streets. Employment is difficult to find and keep if you have unaddressed mental or physical health issues, a criminal record or no transportation, or home address. We are talking about fellow human beings who have the same needs and feelings as any of us. Common misconceptions about people experiencing homelessness are that they are lazy, dangerous, or take advantage of what is given to them. This is not always true. We were all very humbled by this amazing serving experience and we are so grateful for our own unrecognized blessings. We concluded our visit with the O'Connor boys singing melodious strains of festive Christmas songs for all to join in. This simple gesture exploded with delight as toothless smiles spread across the dark midwinter of homelessness. Chris O'Connor was nowhere to be found when it was time to leave. Where did he go? In an attempt to help, he quickly went to a local station to buy bus passes for some of the guests.

If you see one of the following individuals, please thank them for serving in our parish family name. Through your donations and our recent activity sessions, you all helped to make this happen!

**Teens:** Kayla Holmes, Elyse Upthagrove, Adrienne Upthagrove, Matthew Harry, Kate Strojny, Austin Laumann, Adam Kent, Kenny Moczynski, Sam Talavera, Emily Boyle, Ryan O'Connor, David O'Connor & Austin O'Connor.
