Reflection.

In the Gospel of this Sunday, Jesus returned to the place where the people knew him as the son of a carpenter. He read scriptural passages which clearly outlined his mission in the world. His plan was to make people know that He is "The anointed Son of God." He has come to preach good news to the poor, set free the prisoners of sin, open the eyes of the blind and liberate the oppressed. He has come to establish the Kingdom of God for all people. This mission is guided by the Holy Spirit, and those who accepted Him share in the saving love of God. It is a good reminder for us that we are to reflect in our lives the mission of Jesus in our families, working places, group meetings, etc.

Reflection

We are a motley crew! With differences in dress and appearance, in language and action, in how we vote and love and pray. God rejoices in the different gifts we have been given and calls us to honor these differences while we build unity around our love for one another and compassion for all God's children.
