Saint Thomas Aquinas is well known for his writings, especially the "Summa Theologica." But he was far more than a philosopher/theologian. He was a devout man who wrote beautiful prayers and hymns. Perhaps the best known is the "Pange Lingua." He truly was able to combine human reason and revelation and show the fruits of the union.

### Welcome Sue Brunner to the St. Clare Team!

## FROM THE DESK OF THE ST. THOMAS FOOD PANTRY

**These are the thank you notes addressed to  
St. Thomas from school families via the  
school social worker.**

~Thank you so much for helping our family this holiday season. With everything our family has been going through we were not even sure we could get things for our kids. All I wanted was them to have a happy, magical Christmas to keep believing and because of you they will still feel the magic. We couldn't be more grateful!

~To the generous people that were able to donate. Thank you so much for the generous donation. This will help so much with Christmas gifts for my children this year. Work hours have declined by half this time of year so it killed the Christmas budget. I hope in time to be able to pay this forward as a donator when things pick up in my life. Have a wonderful Christmas and New Year. Thank you again for the gift cards and helping my family in this time of need.

~Thank you so much! This really does mean the world. Happy Holidays.

~We as family are forever grateful for the help this year. Can not tell you how much this mean to us. The children will be so happy with gift they'll receive because of the help we have received. Happy Holidays God bless you all. Thank you.

~Thank you so much. This really helps out during this time while are between homes to get stuff for Christmas.

~Thank you for helping make Christmas wishes happen for my little ones. God's blessing to you! Best wishes for a happy New Year. Merry Christmas.

~Thank you so much, helps more than you know.

When the Waterford Graded  
School District  
is closed due to inclement  
weather so are the
