## Mission Statement - Region of St. Mary of the Assumption and St. Augustine Parishes

Our parishes are committed to the ongoing formation of all members of our parish family to be able to respond fully to the life-long challenge of saving souls. As a community, we strive to worship God, support each other, and share the light of Christ with all people.

## *From the Pastor*

We are all aware that many parishioners have not been able to attend Mass since the beginning of the pandemic in March for very valid and conscientious health reasons. Many of these parishioners have been expressing much gratitude for our live-streaming Masses, making spiritual communion with us and for our efforts to improve our live-streaming capabilities by hiring DVD Communications in Xenia. The good news is that we are ahead of schedule and should be ready for Christmas to live-stream all of our Masses, weddings, and funerals during the remainder of the pandemic and beyond. Many of these parishioners have confided in me how painful it has been to not actually receive communion and how they are hungering for the Lord. With this in mind, I am offering the opportunity to those live-streaming Masses on Christmas to actually receive Holy Communion after the 8:30am and the 10:30am Masses on Christmas morning. I will have Holy Communion ready for you in front of the altar. I am estimating the time interval to be between 9:30-10:15am and between 11:30am-12:15pm.

Your visit to church will enable you to also visit the indoor Christmas crib and spend some time with Jesus. I ask that you socially distance yourself around church and wear a mask except when you consume the Blessed Sacrament. If there is a handicap situation and one cannot enter church, please let that be known to me so I can bring Holy Communion to you. May we all be "IN COMMUNION" with God this Christmas once again celebrating the birth of His Son in the world and in our lives! Christmas during the pandemic should help us discern what is "ESSENTIAL FOR CHRISTMAS" and what is not!

Fr. Jim

## Safety Program

**Attention All Current and Former First Responders.** Our Church Community has need of your assistance with an important project where your training and knowledge can contribute to the safety of St Mary's. If you are willing to lend a hand and offer your support, we are asking you once again to serve.

*"Parishioners have received the Advent mailing with the Christmas schedule. You will see that the Christmas schedule has been largely enhanced to accommodate families with social distancing. All the more does this necessitate additional help with the Safety Team and ushering. If you can help us respond to this situation, please call Wayne Johnson." Fr. Jim*

Please contact Wayne Johnson if you would be willing to discuss how you can help.
You can contact Wayne at 937-672-7466 or **WJohn1953@gmail.com** Thank you.

**Family of Faith** - What if our approach to **children's formation** were different?

- Instead of textbook lessons in a classroom, our children learn the faith from stories we tell, games we play, conversations in the car...all in the course of our daily routine;
- Instead of hurried drop-offs at the church after work, we gather once a month for weekend Mass, a relaxed meal, and activities for the whole family.
- Instead of feeling awkward talking to our children about Jesus and our faith, we have the information we need and a group of friends making the journey with us.

**Into the Breach Video Series**
The Knights of Columbus have produced a series of 12 videos, each less than 15 minutes, about how to embrace masculine virtues in a world in crisis. *The Into the Breach* series is available on the Knights website at **https://www.kofc.org/en/campaigns/into-the-breach.html**. All men are welcome to watch this video series regardless of whether you are a Knight.

Applications must be received no later than Sunday, December 20th. Winners will be notified in January. *Ponder* is a Bible study that explores the Sunday readings in the Roman Catholic Lectionary cycle. It is a contemplative study, which means the goal of *Ponder* is to unite the heart and mind.

*Ponder* is designed to help individuals and groups pray with the readings first, to absorb and ground the Sunday readings in the heart or personal experience. Participants learn the process of *lectio divina* and Ignatian contemplation as tools for praying with Scripture. Brief commentary is provided by the study author to help participants fully understand each passage. Each Sunday includes two reflection points for ongoing contemplation (or pondering).

This study is on going and runs through the Lenten season (Friday mornings, 9:00am). Join any time! Visit our website to learn more and register : **https://www.stmaryassumption.church/adult-faith-formation**

**We're all searching for something…**

Do any of these situations or stories sound familiar?

• You get the big promotion, but it doesn't make you happy for more than a day or two.
• You buy the fancy car, but the thrill is over by the time you pull into the garage.
• Your team wins the Super Bowl…and all you have to show for it is an expensive jersey with someone else's name on it.

The things we expect to fulfill us don't. Why is life this way? We all strive for that something out there that is ultimately going to make us happy. But what is it?

**The questions are there and the answers are too.**

Join us Tuesday evenings at 6:00 PM for *The Search*, a video-based series that explores fundamental questions and mysteries like these. For more info and to register, contact chriss@stmaryassumption.church.

## St. Vincent de Paul Society

Thanks to our very generous parishioners, the SVdP Christmas Gift Fair was a huge success! Thank you to the Ladies Society for baking cookies. Each family took home a large tin of homemade Christmas Cookies. Thanks to the generous donations by two families that provided over $1500 worth of food. Two families provided additional donations so that all families could receive a ham for their Christmas dinner. Thanks to one family that donated $500 in gift cards. Thanks Meijer's and Sam's for their generous donations that helped purchase toiletries for the families. Meijer's donated $500 and Sam's donated $250. Thanks to the Safety Team for keeping us safe during this Christmas Gift Fair. Thanks to the volunteers who helped distribute the food and toiletries to the families. We were able to help 40 families have a Merry Christmas. This included 115 children and 58 adults. The generous gift card donations provided each child with $100 dollars towards presents they will open on Christmas morning. Praise be to God for providing us with this beautiful day! May He continue to bless you and your families during this Advent season.

Merry Christmas!

As the end of 2020 approaches, St. Mary's would like to inform you of a few tax updates. To start, the IRS has increased the 2020 standard deduction to $12,400 for single filers and $24,800 for married filing jointly. While many individuals do not itemize their deductions, the IRS implemented the CARES Act which allows for a new $300 "above-the-line" deduction for cash contributions to charities even if you claim the standard deduction on your 2020 tax return. For those filers that do itemize their deductions, the adjusted gross income (AGI) limitation on cash contributions increased from 60% to 100% thus allowing for greater charitable donation deductions in 2020.

For parishioners receiving retirement income, the required minimum distribution (RMD) is the minimum amount you must withdraw from your IRA, SEP IRA, SIMPLE IRA, or retirement plan account when you reach age 72 (70 ½ if you reached this age before January 1, 2020). The CARES Act allows seniors to skip RMDs altogether in 2020 without penalty.

Please keep in mind that you should have already received your economic stimulus payments, if eligible, in 2020. If you did not, and qualify, you are still entitled to claim and receive the benefit on your 2020 individual income tax return. By the way, the economic stimulus payment is NOT taxable income.

St. Mary's does not intend to provide tax advice with this message. Please consult your tax advisor for additional detail and how tax legislation may impact you individually. If you are interested in someone from the Planned Giving Committee contacting you, please leave your name and number with the parish office at 937-557-1711 and a member will return your call.
