## The Epiphany of the Lord

They were overjoyed at seeing the star, and on entering the house they saw the child with Mary his mother. They prostrated themselves and did him homage. Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh.

## *From the Desk of Fr. John Skirtich*

As we celebrate the feast of the Epiphany this weekend we are on the cusp on becoming a new parish! Beginning at midnight, Monday, January 4th, the parishes of Nativity, St. Gabriel of the Sorrowful Virgin, St. Germaine and St. Valentine will become **Our Lady of Hope**. While each individual church retains its own name as a church, we are excited to finally be one parish family. I want to thank all our staff and volunteer committees who have been working so hard to accomplish this very challenging task! We understand this is one step in the process of growing more and more as one faith community so we can bear witness to the world saving mysteries we celebrate, including the manifestation of Christ's glory to all the nations the great feast of Epiphany represents. Our Lady of Hope, pray for us!

Even as we merge four parish communities into one as a new parish, the Diocese of Pittsburgh is working on a separate track with all the diocesan schools in the various regions of our local church. The South Hills Regional School Board has been taking a close look at all the schools in the southern region of the Diocese and seeks to bring some of them together, including St. Gabriel OSV School and St. Elizabeth. Although, what form coming together will take has not been decided, it's important to note the individual pastors no longer have decision-making authority with our schools – the regional boards do, with the approval of Bishop Zubik. Please read the enclosed letter (on page 6 of this bulletin) from the board president, Fr. David Poecking, which was sent to school families a little over a week ago providing an update about the process.

Also contained in this bulletin is a thank-you to Mr. and Mrs. Carl and Maria Shoemaker for all of their years of working as volunteers in our Youth Ministry programs. Thank you, Carl and Maria for all you have done to share your faith with our youth!

Gratefully in Christ,

# IMPORTANT SCHOOL INFORMATION

December 18, 2020: *O Adonai*

Dear SRCES school families,

As parishes in the Diocese of Pittsburgh adapt to be more *On Mission for The Church Alive!*, the nine South Regional Catholic Elementary Schools (SRCES) are also adapting to the process of regionalization. Regionalization involves a great deal of consultation and study with clergy and lay leaders.

I recently sent you a letter describing the commitment of the SRCES board to affordable, accessible Catholic elementary education in our region. We have been exploring ways to combine institutions to achieve that goal. At our most recent monthly meeting, the SRCES board discussed two school pairings: (1) St. Elizabeth of Hungary and St. Gabriel of the Sorrowful Virgin, and (2) St. Margaret of Scotland and St. Philip. At that meeting, pastors from each of the four spoke on behalf of their school and parish communities, relaying to us the ways in which you value your schools. The SRCES board noted the many qualities of your schools to which you have called our attention and we appreciate your love for them.

At the same time, demographic and financial trends make it clear that very few, if any, of our parish schools are sustainable on their own. Our question is not *whether* to change, but *how*. Now that the director board has deliberated, our next step is to refine our recommendations and pass them on for review and approval by Bishop David Zubik.

At each level—pastor and school community, SRCES board, and Bishop Zubik—we make our decisions out of a deep commitment to our Catholic schools and parishes, with a primary concern for what is best for our students in the long term, ensuring that families who desire a Catholic education for their children will have a school that is affordable, geographically accessible, and financially stable within the south region.

Catholic education is at the heart of the Catholic mission. Through Catholic schools, the Church helps parents bring their children and youth into a saving relationship with Jesus Christ.

Together with our regional administrator, Sharon Loughran Brown, and our entire leadership team, I thank you for your vital role in supporting Catholic education and building a vibrant faith community. As this process unfolds, we will keep you informed.

May God grant you a merry Christmas season of new joy and hope!

Yours in Christ,

Dave Poecking

# LIVE JESUS

## LIVE THE LITURGY *Inspiration for the week*

Even the slightest flicker of a light helps to properly orient us when we find ourselves in total darkness. Being in darkness can be unsettling and even a bit unnerving. We lose our focus and struggle to find our bearings and achieve balance.

On life's journey we may think we are walking in the light but are really lingering in darkness. We do not see the full picture, either because we are distracted, disinterested, or even apprehensive. Sometimes, we even choose to close our eyes when the light is readily available to illuminate our path. Do we really desire to know the truth of who we are?

In Jesus Christ, a light has been given to those who dwell in darkness. God's revelation gives us the light to see where we come from, who we are, and where we are going. It also tells us this Good News is not meant for a privileged few but is intended to go out to all the world. It is something we want to see?

***"Regina Angelorum! Queen of the Angels! What enchantment, what a foretaste of heaven it is to think thus of Mary our mother ceaselessly accompanied by legion of angels!"***

~Pope John XXIII

The **Legion of Mary** would like to extend an invitation to join as the Legion an Auxiliary (praying) member at this time during the pandemic.

Auxiliary members recite daily prayers from the Legion prayer leaflet called the "Tessera" which includes the rosary. Auxiliary members are placed on a three-month probationary roll.

There are no dues, no meetings to attend.

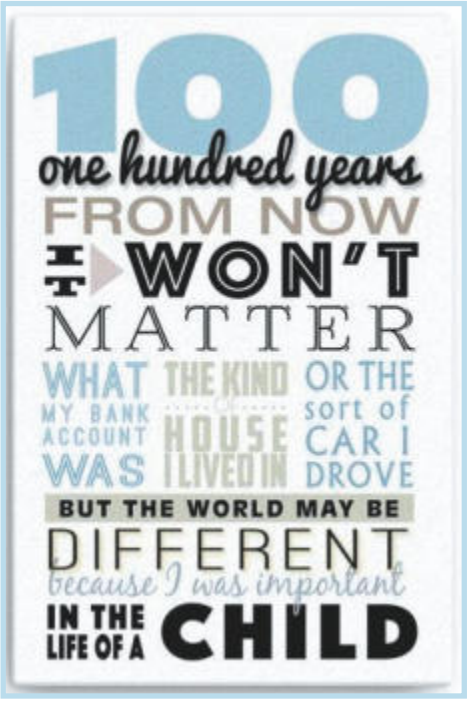
For more information, please call Marlene Yannone at 412-886-1786 or Barbara Hogan at 412-884-3154.

*On September 7, 1921, Frank Duff founded the Legion of Mary in Dublin, Ireland. Its twofold purpose is the spiritual development of it members and advancing the reign of Christ through Our Lady.*

*The Legion, found in over 168 countries, has in excess of 3 million active members and many more auxiliary (praying) members.*

# A HEARTFELT THANK YOU

With COVID came the retirement of two wonderful volunteers, Maria and Carl Shoemaker. The Shoemakers dedicated their time, talents and treasures for over 10 years, working with the high school age students of St. Gabriel Church. They showed that caring for our neighbors isn't just what we should do, but what we must do. Maria and Carl exposed our young people to the deep service needs outside of the community in which they reside; they worked with the Red Door, Jubilee Kitchen and Light of Light Mission. They taught respect and appreciation of other religions and nationalities by participating in seder meals, preparing for Mardi Gras celebrations and a number of other activities. They hosted a variety of guest speakers over the years and challenged teens to open their hearts, minds and souls to new ways of praying, thinking and acting. As we begin a new year, lets look forward with all the young people Maria and Carl Shoemaker have had an impact on and ask what can we do?



*Thank you to Mr. and Mrs. Shoemaker for devoting countless hours to the youth group program. They introduced me to some wonderful experiences such as volunteering at the Free Store and making blankets for the less fortunate. I am grateful that my friends and I the opportunity to serve the Pittsburgh community and make memories that will last a lifetime. With Gratitude* – Arlen Hooks

*My favorite memory of youth group is when they took us to volunteer at the Red Door multiple times. I am always grateful for the Shoemaker's generosity and dedication to our group.* – Mike Goga

*My favorite youth group event was cooking for Mardi Gras. It was always fun to learn a new recipe from Mr. and Mrs. Shoemaker. I also enjoyed making blankets for the homeless and going on the Seven Church tour on Holy Thursday. I have learned so many valuable lessons from the Shoemakers that I will take with me for the rest of my life. Thank you for helping me grow in my faith.* – Elena Zandier

*My fondest memories were definitely made during the church tours. They were always fun and something to look forward to.* – Josh Egan

*A thank you Mr. and Mrs. Shoemaker for all they have done! Youth Group was an amazing time and it was all because of them. I have many great memories including seeing all the beautiful churches on the church tour, learning to make quilts, and going to the soup kitchen. They are amazing people and I am so thankful to have had the opportunity to get to know them!* – Tony Mendez
