OUR MISSION

Saint Luke Roman Catholic Church aspires to be a welcoming community of faith where parishioners and newcomers feel enlivened, engaged, and spiritually nourished among a community of friends that is central to their lives.

PASTOR'S NOTE

Dear Parishioners:

Today marks the opening of Catholic Schools Week. Each year we step back to celebrate Catholic Schools and the unique place they hold in the life of the Church. I myself am a product of Catholic Schools — I graduated from Saint Bede the Venerable on the Southside of Chicago over 40 years ago. (It's funny, I remember my mother going to a 40th year reunion when I was a teenager and thinking how ancient she was to be out of grade school 40 years!) I know that my parents made a great number of sacrifices in order to send my siblings and me to Catholic School, and I am grateful for the foundation that that education has given me throughout my life.

So much has changed since I went to school all those years ago. Computers? Never saw one. It is hard to believe how much technology has enhanced the way our young people learn. One thing does remain the same — the values that we teach children and the foundation of our Faith — the love of God. Nothing can take the place of a solid Catholic education.

We as a parish have much to celebrate in our own parish school! Our school is currently filled to capacity, with a long waiting list. While it is unfortunate that we are unable to accommodate everyone who comes to us — it is a sign of the good things happening at Saint Luke. One of the greatest achievements this year has been our resumption of in-class learning this past August which has continued through to today. The school has proven to be a safe environment for our students and teachers because of the numerous precautions that have been set in place.

This week our school family will welcome Bishop Burbidge as he makes a special visit to the school. He will celebrate Mass with the children and visit classrooms. All of us are looking forward to this visit. Please join me in praying for the continued health and safety of our school community — and for everyone involved in the work of Catholic education. That includes each one of you — it is thanks to the generous support of Saint Luke parishioners that our school has continued to thrive.

Sincerely in Christ,
Father Guest

Thy Kingdom Come: Restoring All Things in Christ The King
In a world where the Kingship of Christ is no longer recognized both in the public and private spheres of life, the Church calls on her children to courageously raise the banner of the One King and Ruler of all, to fight for His rights, and to restore all things-individual hearts, families and nations-back to His most gentle rule (Collect, Feast of Christ the King). This can only come about if Catholics, men in particular, are willing to surrender everything to Christ, beginning with themselves. **Register at arlingtondiocese.org/men**
