FROM THE DEACON'S DESK

LUKE 6:38 says: ***"Give, and it will be given to you. Good measure, shaken down, pressed together, and running over, will be put into your lap; for with the measure you use it will be measured back to you".***

Dear Parish Family: This weekend, at each Mass, members of our parish will be giving short talks about our "Offertory Enhancement Program". Please give them your attention, because they are speaking about the changing financial needs of our parish.

As you may already know, our financial needs have jumped up significantly since the last time that our parishioners were asked to consider increasing the amount of money given to the parish each week (2019). As of January 21st, our parish is almost $33 thousand dollars below budget for the year (remember, we follow a fiscal year: July through June). Our budget calls for collections of all kinds totaling a little more than $11 thousand dollars each week. And as you can see, most weeks we fall far short of that amount in collections.

Now I know that your expenses have gone up too; everything seems higher priced these days. What we are asking is for each of you to prayerfully consider how much more you can give to the parish each week. Any increase in what you can give will help; and giving each and every week can certainly put a dent in our deficit. And there is nothing frivolous to be found in our budget; ask any member of our Financial Council and they most definitely will tell you that we are very careful about spending the money that we are given.

We have many ways that you can give to the parish; envelopes are of course one way. But we also have online giving set up, as well as asking you to consider giving to OLL as a part of your will or estate plans. And the office will of course keep track of your weekly donations for proper documentation for your taxes (if you use envelopes or online giving).

I have come to know the people of our parish in my 19 months as your Pastoral Leader. Father Jack and I often comment about how warm and welcoming the parishioners are here. This parish has a reputation for being very friendly to everyone; visitors often stop me to comment about it. I have put off bringing up this need for awhile now, even when staff recommended we start talking about it. I was hoping that our parish family would take my previous bulletin article to heart and we would see a great increase in the giving. Now there has been some increase since my original bulletin article (THANK YOU!), but unfortunately much more is needed. None of our budget deficit has been caused by frills; our expenses are for basic needs and services.

Please consider an increase in your support for this parish. We most certainly have the need for it.

Deacon Mark

Sharing Our Blessings

With the winter season upon us, please keep in mind the policy for Level 3 Snow Emergencies:
"Whenever a county/city within the Diocese of Toledo is placed under a Level 3 Snow Emergency, during which all roadways are closed to non-emergency personnel, the Catholic Churches within that geographic region will cancel the scheduled Saturday Vigil, Sunday, or Holy Day Masses. Roman Catholics in that region, therefore, are dispensed from the obligation to attend Mass. If Masses are cancelled, Catholics are encouraged to participate in Holy Mass via television, radio, or internet, making a spiritual Communion. When Mass is cancelled, all other diocesan, parish, or school events in that geographic region are also cancelled."

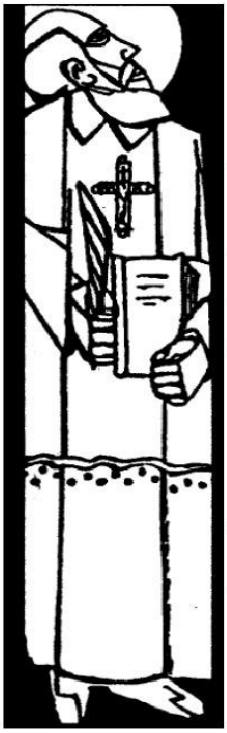
THE SALESIAN CORNER BY FR. JACK

Breaking Up with Guilt This New Year
The Resolution I Actually Plan to Keep!

I hesitate to make New Year's Resolutions. Too often my plan falls by the wayside, barely making it to the second week of the year. When this happens feelings of failure and guilt usually rise up and actually make beginning a New Year a bit annoying.



Guilt and regret fill our hearts with discouragement, low self-esteem, and even a little resentment. The feelings that accompany guilt and regret are absolutely useless and diminish our sense of well-being.

St. Francis de Sales is wonderfully gentle—and very clear—about how **unproductive guilt, regret, and self-reproach** can be when they do not lead us back to trust in God. Here are some authentic, frequently cited Salesian texts that speak directly to that theme, with brief notes for context.

"*Regret for our faults should never be bitter, harsh, spiteful, or vexing; but peaceful, calm, and steady.*" (*Introduction to the Devout Life*, Part III, ch. 9) Francis distinguishes between healthy sorrow and the kind of regret that agitates the heart and keeps us turned inward rather than toward God.

"*Do not be surprised at your falls, but rather get up promptly. It is not our falling that is the problem, but our staying down.*" (paraphrase faithful to his teaching; cf. *Letters*) A consistent teaching of Francis that: lingering in guilt is often a form of pride, not humility.

"*Have patience with everyone, but first of all with yourself.*" (*Introduction to the Devout Life*, Part III, ch. 9) Francis frequently warns that harsh self-judgment does not come from God. True repentance is gentle because God is gentle.

"*Do not look back on yesterday except to give thanks or to repent—but even repentance should end in peace.*" (from his spiritual conferences; commonly cited summary) For Francis, regret that keeps us stuck in the past and distracts us from the grace God offers now.

"*Never be troubled or anxious about anything, no matter what happens, simply love God more.*" (*Spiritual Conferences*) This line beautifully undercuts useless regret: if guilt does not increase love and trust, it is not serving God's purpose.

So, if you've failed in some plan for this New Year, don't let guilt lead the way. Turn to the Lord with that failure in mind and let the Lord grace you with an open heart and a refreshed spirit.
