## KENOSHA CATHOLIC SCHOOLS ALLIANCE

In response to Archbishop Jerome ListECKI's vision for increased formal collaboration among Catholic schools, we are taking exciting new steps to strengthen Catholic education in Kenosha by encouraging stronger collaboration between All Saints Catholic School and St Joseph Catholic Academy.

The **Kenosha Catholic Schools Alliance (KCSA)**, a strategic collaboration between Kenosha's archdiocesan Catholic schools, has been formed to shepherd this effort. Members of the community will be invited to serve on visioning core committees for the project.

**Goals of the Kenosha Catholic Schools Alliance.** This KCSA taskforce, representing Kenosha clergy, school board members, administrators, faculty, parents, parish representatives, and key Catholic community leaders, will be charged with uncovering opportunities to further the excellence of a city-wide Catholic school network in Kenosha:

- Strengthen individual identities of All Saints Catholic School and St Joseph Catholic Academy
- Create stronger pathways throughout the Pre-K - 12 network
- Enhance the operational and financial excellence of each school
- Identify opportunities to tap population growth and other possibilities (e.g., new locations, school models)

Bring a stronger Catholic identity and Catholic witness to Kenosha

**Independence of our Kenosha Catholic Schools.** All Saints Catholic School and St Joseph Catholic Academy each remain separate schools within the new Kenosha Catholic Schools Alliance. KCSA simply seeks to formalize the cooperation the two schools have always informally maintained and provides new opportunities to build on the schools' Catholic mission and to better serve the Catholic community in Kenosha.

For instance, the new alliance might result in cost-saving measures by encouraging economies of scale in purchasing supplies and equipment. Schools may also be able to create new academic and extra-curricular programming, as well as new teacher professional development opportunities. Schools may unite parishes and the Catholic community of Kenosha to support the schools, as well as enhancing the opportunities for support from grants.

**The initial KCSA Steering Committee.** This committee, led by Very Reverend James Lobacz, Vicar General, and Mr. Bruce Varick, Associate Superintendent of Schools, includes members of the All Saints Catholic School and St Joseph Catholic Academy School Boards, Kenosha Clergy, and School Community members, has met to establish guiding principles for the project. Additionally, we have begun to surface a preliminary list of community representatives for consideration to serve on needed future committees. If you are interested in submitting your name for consideration, please contact Bruce Varick at [kenoshacatholicschoolsalliance@gmail.com](mailto:kenoshacatholicschoolsalliance@gmail.com).

**Guiding Principles.** Guiding principles are a series of statements used to articulate critical organization values and belief. Decisions made should consistently reflect these principles.

Together we will honor and build upon the unique history, identity, and culture of each parish and each of the two schools.

Together we will participate in creating support for a Pre-K – 12 Catholic education network in Kenosha that provides an option for families who desire formal education that engenders Catholic teachings and the Catholic worldview.

Together we will plan and implement this network according to the National Standards and Benchmarks for Effective Catholic Elementary and Secondary Schools striving for academic excellence and committed to the holistic development of every student.

Together we will create an overall governance structure that openly and justly engages with all constituencies, modeling stewardship of all resources.

Together we will strive to grow the network and increase the capacity of our schools to meet student, family, and community needs.

**Next steps.** The KCSA plan calls for the Core Committees of Finance, Governance and Mission, and Communications, to be established and conduct working meetings beginning in January 2021. Early in the New Year community feedback on Catholic education will be obtained through surveys, focus groups, town hall meetings and similar pathways. The goal is to complete all necessary research and decision making to produce a proposal by May 15, 2021. This is the first of regular updates that will be produced by the Steering Committee.

Questions or comments may be submitted to: [kenoshacatholicschoolsalliance@gmail.com](mailto:kenoshacatholicschoolsalliance@gmail.com).

We ask your prayers in support of this important project as Catholic leaders in Kenosha strive to create a vibrant future for Catholic education.

Please visit [www.stmarycatholic.org](http://www.stmarycatholic.org), near the bottom of the page, under the Kenosha Catholic Schools Header for the complete letter and FAQ sheet.

## JOY TO THE WORLD

**“Joy is the mark of a truly spiritual person.”** What a memorable quote, what a difficult goal, and what a challenging concept to achieve. Yet, during the holiday season, joy seems easier to achieve and easier to retain as many people try to be upbeat and positive. Maybe people strive to be joyful because they think that is what the Advent season asks of them. They are right! Joy, true, deep, authentic, and resilient joy, is the order of the day, each Advent day.

The news of God coming among us is cause for joy. Joy is the Gospel of healing and salvation, joy is the blessing of God’s light among us, and joy is the peace made visible in Jesus. The challenge for us however, is to embrace joy while living in our troubled and sinful world. Often, joy is treated as a naïve posture amid the problems and struggles generated by this war-ravaged, dog-eat-dog world. For so many, a joyful spirit seems like an unrealistic goal or an elusive gift. However, Mother Teresa reminded us: **“Joy is prayer. Joy is strength. Joy is love. A joyful heart is the normal result of a heart burning with love—loving as he loves, giving as he gives, and touching him in his most distressing disguise.”**

**Joy is the  
peace made  
visible in  
Jesus**

Often we find the poor, the sorrowful, the powerless, and others we judge least likely to be joyful, able to capture joy. Their source of happiness rests in their complete confidence in the power and presence of God. They do not remain joyful to drive their cares and sorrows away or to numb their fearfulness. They remain joyful despite their disappointments and difficulties, because they know and believe in the promise of a shared eternity with God. That knowledge is so overwhelming that it transcends what our world calls, “reality!”

What the joyful are able to grasp and hold on to is a confidence born of struggle that feeds their hope even in a world of injustice and affluence. That confidence is reassured again this Advent as the world prepares for the celebration of God-with-us, once in history, right here and now, and at his second coming in the future. Often, when we look back upon past Christmas seasons, we recall most fondly those times when our Christmas joy was not wrapped in excessive spending, but in excessive loving that affluence did not buy.

This Christmas joy is best expressed by theologian Karl Rahner: **“And now God says to us what he said to the world through his grace-filled birth: I am here. I am with you. I am your life. I am the gloom of your daily routine. I am your joy. ...I am present in your words. I am here. I no longer go away from this world even if you do not see me now. I am here. It is Christmas.”**

Within a few days, we will sing again, “Joy to the World,” a world at war, a world of famine, and a world amid injustice and brokenness, because we believe in a loving God who overcomes our brokenness, and is faithful to his promise. Joy to the world! It is Christmas, Christmas that lasts forever!

As we light the third candle of the Advent wreath, the students of ASCS are reminded that the pink candle signifies JOY! We continue to prepare for the birth of Christ and share in Mary's joy as she anticipated Jesus' birth. As teachers, students and staff, we joyfully celebrate the opportunity to celebrate these days of Advent together. Our classrooms and hallways are alive with reminders of the Advent season and the JOY that comes to us through the birth of Jesus! "Moving Forward in Faith!"

If you are interested in joining our ASCS community or wish to take a tour of our school, please call (262)925-4024 or visit our website (Allsaintskenosha.org). Enrollment for the 2021-22 school year begins next month!

At St. Joseph Catholic Academy, we recognize that preparing our students for colleges and careers begins well before high school. With its articulated preschool, elementary, middle and high schools, SJCA emphasizes not just the academic rigor that leads to post-secondary success, but also stresses the behaviors, skills and habits that make students soar. Most importantly, our Catholic faith is infused in every day, class and experience at SJCA. As our Upper Campus students finish up their semester finals this week, please keep them in your prayers, and we at SJCA pray for you as well. SJCA wishes everyone a blessed holiday season.

Thank you for your continued support of the Church through this difficult time.  
-Fr. Roman
