14TH SUNDAY IN ORDINARY TIME

When the sabbath came he began to teach in the synagogue, and many who heard him were astonished. They said, "Where did this man get all this? What kind of wisdom has been given him? What mighty deeds are wrought by his hands!" - Mk 6:2

VOLUNTEER OPPORTUNITIES

Our St. Vincent DePaul Food Pantry is looking for more volunteers to assist with holding the poor box outside of church after all masses, as well as the parish hall for overflow masses. It would be wonderful to cover all doors and currently we have only been able to cover the main church door consistently. This volunteer position only takes a few minutes of your time after mass. If interested in helping out, please contact Bob Karl at:

rkarlsr@gmail.com or 321-591-7833

Our Social Activities Committee would like to invite you to join our meetings. We will be sharing ideas for fun, engaging events for the entire parish. We meet on the first Tuesday of most months in the church office at 6:30 pm. Our next meeting is July 6th. All are welcome! Please call the church office if you would like to join us or if you need more information. 321.727.1565

Thank you for taking the time to learn more about Saint Joseph Catholic School. We have had a long history of educating and developing students in the Palm Bay area. We have been providing a quality educational experience for over 55 years in this community, and are looking forward to many more!

Our mission at Saint Joseph Catholic School is to offer pre-kindergarten through 8th grade students the high academic standards and curriculum of the Diocese of Orlando. We recognize each student as a unique individual created in the image of God. Our community welcomes, educates and challenges children to become lifelong learners and followers of Jesus Christ.

The Saint Joseph Catholic School Difference

- Students develop a positive outlook, self-image and compassion for others.
- Saint Joseph teaches the Catholic school values system which affirms that all people are worthy of respect and a right to their dignity.
- Students become contributing members of society by working in groups and becoming part of a team.
- We challenge the students each day with new opportunities to grow academically and spiritually.
- Saint Joseph has a proven track record of graduation successful students.
- Diversity in our student environment, ethnicity, income, special needs and faith.

Step Up for students

Help is Here!

SCHOLARSHIPS FOR FLORIDA SCHOOLCHILDREN

Not all students learn the same way. That's why Step Up For Students exists:
to give those Florida schoolchildren who need it most, the learning options that work best for them.

Step Up For Students is a nonprofit scholarship funding organization that helps administer five programs for Florida schoolchildren:

Income-Based Scholarships

Two scholarships are available for lower-income students: the **Florida Tax Credit Scholarship** and **Family Empowerment Scholarship**. Both scholarships give students an option to find the best schools to meet their K-12 learning needs. Please scan the QR Code to view the income guidelines to see if your family could qualify.

Special Needs Scholarship

The **Gardiner Scholarship** helps Florida families customize education for their children with certain special needs who are ages 3 through 22. The scholarship covers 17 diagnoses, including autism spectrum disorder, Down syndrome, intellectual disability, spina bifida and traumatic brain injury. Parents can use scholarship money toward a combination of approved programs and providers that best meet their children's unique learning needs.

Bullied Student Scholarship

The **Hope Scholarship Program** provides relief to students bullied in a public school. It gives them an opportunity to transfer to a K-12 public school with capacity in another district or to request a scholarship for the student to attend an eligible private school. To qualify, the incident must have taken place at a public K-12 educational institution, any school-related or school-sponsored program or activity, including riding on the school bus or waiting at the bus stop.

Reading Help Scholarship

The **Reading Scholarship Accounts program** is an education savings account program for third- through fifth-grade students enrolled in public schools who struggle with reading. Worth $500 each, these educational savings accounts help parents access programs and providers to help their children improve their reading skills. Students who are classified as English Language Learners, and who are enrolled in a program or receiving services that are specifically designed to meet the instructional needs of English Language Learner students, will receive priority.

To learn more or apply, visit www.StepUpForStudents.org

Program funds are limited and are available on a first-come, first-served basis.
