Listening to the Local Church

Recently Pope Francis announced that he would like the entire Church to enter more deeply into conversation together. In response, Bishop Rhoades is inviting all Catholics in our diocese to share their experiences and hopes for the future of the Church. These discussions will be open to all. However, each parish has also been requested to have 3-4 people serve as leaders and note-takers of these upcoming small-group discussions.

If you would like to represent our parish as a group discussion *facilitator* or *note-taker* and would be available to meet at St. Vincent's Church on both Wednesday, January 26 at 7:00 pm and Saturday, February 5 at 1:00 pm, please contact the Parish Office or email/call Chris Lushis (his contact info is on front of bulletin).

Parish Potluck

Please join us for a Parish Potluck in the Activities Center following our 4:00 pm Mass on Saturday, January 15. Please bring a dish to share and come to enjoy an evening of food, fun and fellowship!

Annual Card Party

Our Athletic Dept. is sponsoring their annual Men's & Women's Card Party/Social on Saturday, January 29 from 7:00 pm - 11:00pm in the Activities Center. Cost is \$10 per person, which includes food and drink. Even if you do not want to play cards, please come to socialize with others!

**THANK
YOU!**

Thank you to all who attended the Advent FORGIVEN series and recent potluck. We look forward to seeing you on January 15th!

Thank you to everyone who participated in and gave so generously to our Advent Giving Trees, and to those who beautifully decorated our Church and parish grounds for Christmas.

Thank you to all the men who will be members of our new parish Knights of Columbus Council. Saint Joseph, Terror of Demons, pray for us!

From the Pastor's Desk...

Ave Maria, Regina Angelorum! Hail Mary, Queen of Angels!

Blessed feast of the Epiphany! This is the day we celebrate the visit of the Magi - the wise men from the East - bearing gold, frankincense and myrrh to the baby Jesus. These early "Christmas gifts" likely played a role in the development of our current tradition of giving gifts at Christmas time, as Epiphany traditionally marks the end of the 12 days of Christmas (Dec 25 - Jan 6). Also called the twelfth night, this feast provides the name for one of Shakespeare's famous plays. In the Eastern Catholic Church, this feast commemorates the Baptism of the Lord as well, since Epiphany means "appearance" or "fitting manifestation" and both the visit of the wise men and Christ's baptism show his identity as the Messiah.

Returning to the wise men, it is a tradition to bless your home on Epiphany writing "20 + C + M + B + 22" with blessed chalk above the entrances. The letters represent the wise men Caspar, Melchior, and Balthasar, and also abbreviate a Latin prayer: Christus Mansionem Benedicat, "May Christ bless this dwelling." The numbers indicate the year, as we renew our prayers for God's blessings in 2022.

On the subject of gift giving, knowing the great generosity and love that you have for our parish, I would like to share with you some needs and wants. I have wanted to make these things known but do not have solid prices for all these things yet. First, the door by the votive candle stand in the church has been banging because the closer needs to be fixed. Also, we need to purchase two new AED machines - one for the rectory and one for the middle school area of the school - and replace the pads on our existing two outside the SCRIP office and in the gym. Please know that all of our teachers and staff just renewed their CPR certifications. We will also need a second fire extinguisher for the rectory.

In terms of possible new improvements: I would like to purchase bibles to put in the pews. This would be a benefit for people coming to pray in the Church, during adoration, or even following along for the daily Mass readings. I would also like to purchase some Mundelein Psalters for praying the breviary. The last Sunday Vespers was well attended and the weekly Thursday morning holy hour and morning prayer always has several people present - and I would like it to grow. Purchasing these books (about \$50 each) would mean no longer needing to print many pamphlets each week. I would like to get at least 10.

We are also in need of a new sanctuary light, as the current one often obscures the candle flame by the way it is designed. One possibility that I personally am in favor of is to find large angels holding votive lights as torches to place on either side of the tabernacle. We are still looking into this, but it would likely cost a couple thousand dollars, perhaps per statue. Also, we have many opportunities for adoration each week, and I very recently was alerted to the fact that we need 4-6 candles on the altar during exposition (as opposed to the two that I had been using - oops! Sorry!!) So another idea would be nice candlesticks - and also appropriately sized candles - for this purpose.

Just some ideas in case anyone was looking for specific ways to help our Queen of Angels family. If you are interested in donating, please contact me at the parish office. Blessings in Christ to you and your family on this feast of Epiphany! ~Fr. Zak

From the Office of Liturgy & Music

Hello and Happy Epiphany! Did you know The Hymn “We Three Kings” has five verses? The 1st introduces us to the three kings and their mission. The 2nd-4th introduces each king, his gift, and what it is for. The 5th connects everything together.

The first king (traditionally named Caspar) brings Gold, to “crown him again.” Gold is symbolic of Christ's kingly status. The second king (Melchior) brings Frankincense, offering “prayer and praising, to worship Him on high”. Incense is used for adoration and a visual representation of prayers ascending to the Heavenly Father. The third king (Balthazar) brings Myrrh, a spice or “perfume” used for burial at death, which Christ later receives before He is “sealed in the tomb”. This gift foreshadows Jesus' death and reveals His “prophetic and sacrificial” identity to bear witness to the truth, even at the expense of His life. Myrrh is also customarily used to make Sacred Chrism, which one receives at Confirmation. This should remind us of our duty as Confirmed Catholics to live the Gospel as prophetic witnesses and to love God with our entire being, even to death - because we know God triumphs in the end and that He was born in order to die for us *and rise from the dead* and ascend into Heaven, preparing the way for us to follow Him in glory.

Therefore, the fifth verse alludes to Christ's Resurrection, as this King (gold), God (incense), and Sacrifice (myrrh), is now “Glorious” in heaven.

All told, this hymn is much more than a pretty song about three nice kings. It is about Jesus' birth, death, and resurrection. It is told through the eyes of three wise men (magi), who were not Jewish, yet they recognized that this newborn Hebrew King was worth pursuing and following, even into the unknown. When they arrive, they bestow their gifts upon He Who is the true Gift - in beholding His presence, they receive infinitely more than they could have given or imagined.

When we sing all the verses of a hymn, they often tell us a story or give us a prayer that encompasses many mysteries of our Lord's life. When we skip verses or don't sing some, we miss out on the fullness of what the composer, and often times what the Bible itself, is trying to tell us. In this case, the message is that the feast of the Epiphany is not just one special day to be celebrated singularly, but it is a part of a larger narrative that holds much greater significance than it would first seem!
