Gospel Reflection - 2nd Sunday of Lent

There is so much wisdom in the first commandment. The daily demands of life, current political ideologies and dynamics, social expectations, corporate philosophies, and even technology can easily become lesser gods. We can find ourselves beholden to and held captive by these secular constructs and systems. Even for those who profess a faith in the one true God, these lesser, attractive but false gods are a temptation. Being overly preoccupied and even obsessed with the state of our present lives, we lose sight of our real destiny and purpose.

Jesus showed his disciples a glimpse of this destiny when he was transfigured before their eyes. In fact, Peter was so caught up in the brilliance, awe, and sacredness of these fleeting moments that he wanted to extend them as long as possible. Wonderful things happen when we leave our illusions and discover something that is true. This is why creating some sacred space in our lives for reflection, prayer, renewal, refreshment, centering ourselves, and disconnecting from the noise is so important. It shows us how false and shallow our lives can be and what is really of importance. Do you create some kind of sacred space in your life? Lent is a perfect time to do so.

St. Irenaeus, one of the early fathers and martyrs of the Catholic Church, said that, "he who was the Son of God became the Son of Man that man ... might become the son of God." We mistakenly believe that life is all about us. It's not. Ours is a journey of transformation in which we become more and more one with the mind of Christ and Christ himself. St. Augustine saw this same transformation occurring when the Eucharist is received. In receiving the Eucharist, we become what we eat, the Body of Christ. Honestly acknowledging false gods that we cling to can open the door for God to show us the wholeness and holiness to which we are called. Take time to discover the sacred. When we do, we will want to stay there for a while. Then, when we return to our personal affairs, we will see more clearly.

Hello and Good Bye!

St. Robert and Holy Family would like to express our deepest gratitude to Aliah Taylor - who spent the last three and a half years working as the Administrative Assistant for our High School Youth Ministry program. When she started, she was in the process of completing her Masters Degree in International Higher Education. Over the years, her solely administrative role morphed into all-around support. She even spent time working in both St. Robert and Holy Family schools! It was such a gift to watch Aliah connect with our students, families, and volunteers.

Aliah accepted a full time position as a Department Associate in the UWM Department of Communications Sciences & Disorders and the Department of Health Informatics & Administration and began in December 2021. Although we will dearly miss her joyful presence, we are very excited to see where the Lord will take her!

Hello! My name is Mary Grace Sanchez (or Mari, for short!), and I am the new Youth Ministry Assistant for St. Robert & Holy Family. I am so excited to be a part of the Confirmation Preparation for the students of the parish, especially in service and the upcoming Mission Trip! In reflecting over my life, it is so beautiful to see how God has guided me and taught me to seek Him, and I am looking forward to witnessing how He moves in the lives of our students.

I grew up in a large Catholic family with nine kids, and they have been a huge blessing in my life. I went to Marquette University for my bachelor's degree in Biological Sciences and Theology, and after graduation I started as a missionary in the Brew City Catholic Missionary Project, stationed at University of Wisconsin-Milwaukee's Newman Center. The Lord did so much work in my soul during my two years there, and at that time really solidified in me a love for ministry - which ultimately has led me here! When I'm not with the youth ministry office, I also do music ministry around the Archdiocese for retreats and weekend Masses, so if you see me, feel free to say hi!

On Tuesday, April 5, priests will be available for the sacrament of Reconciliation at 13 parishes throughout the Archdiocese of Milwaukee. The hosting parish in our area is St. Monica, where Reconciliation will be available from 8 am to 8 pm. Information on other times and locations in the Archdiocese can be found by visiting archmil.org/pray-reconcile-rejoice. All are invited to take part in the Sacrament of Reconciliation by visiting one of the hosting parishes.

Join Us for the 2022 Pallium Lecture

On Thursday, March 31, Archbishop Jerome ListECKI welcomes Ryan T. Anderson, keynote speaker for the 2022 Pallium Lecture, who will present "Religious Liberty is Important but It's Not Enough." The 7 pm lecture will be held at the Brookfield Conference Center and is free and open to the public. Visit archmil.org and search Pallium Lecture for more information.
