Hello Holy Family Parish,

We have much to celebrate! The school just held a very successful Open House at the end of January and we enjoyed a week-long celebration of Catholic Schools Week. It was a time of traditions, recognition, community, Masses, and of course, continued learning. Thank you for all you do as a parishioner to support Catholic education right here at HF.

This weekend we are celebrating our largest fundraiser of the year - the HF Auction and Dinner Dance. It is sure to be a great event, supporting an even greater cause, and filled with current families, alumni families, and parishioners alike. I am thankful to our hard-working

Auction Committee and to all those who supported this event.

Students are enjoying many field trips this year to enhance their learning. Classes have gone to the Urban Ecology Center, the Mequon Nature Preserve, and the Milwaukee County Zoo to learn more about God's creation. Our younger students went to the pumpkin farm and apple farm this fall. The 4th, 5th and 8th grade classes will be completing their financial literacy unit with a trip to Junior Achievement Biz Town and Junior Achievement Finance Park to put their learning into action. Eighth graders had a physics lesson at Sunburst snow tubing and will be visiting the Jewish Museum of Milwaukee to learn more about what they have read in English Language Arts.

Next week our middle school will be participating in several different activities. A group of 6-8th graders will be heading to Dominican to participate in a STEM academic challenge, while a different group of 6-7th graders will be attending a girls leadership conference at Divine Savior Holy Angels. A final group of 6-8th grade students will be working at Feeding America. These are just a few examples of how students connect their current learning and faith development to the world around them. We are grateful for our community which has much to offer and we believe it is important to give students experiences outside of the school. Additionally, our faith compels us to give back and be of service to others always. These are important lessons for our students to be given.

Registration for the 2022 - 2023 school year is open! If you know someone who needs to make a decision about school or needs to make a switch, please send them our way.

As we celebrate Valentine's Day, may you be reminded of God's love for you. May you give and receive His love!
