Your Stewardship Matters

*"He asked them, 'Why are you terrified?
Do you not yet have faith?'"* –
MARK 4:40

Do you really trust God? Is God your first choice or last resort? Is your faith something you just do on Sunday or do you live the Gospel message every day of the week? Many of us know about God. How many of us have a personal relationship with Him? Start now, open your heart to receive our Lord. Talk and listen to Him throughout the day, in all circumstances.

This Week

Reflect & Respond to Scripture

First Reading: Much of the book of Job addresses the mystery of suffering and God's role in human affairs. Today we hear part of God's response to Job's questioning with images of the sea and raging waters, representing God's power and omniscience. What helps remind you it is God who governs the universe with purpose and fidelity?

Second Reading: Paul encouraged the Corinthians to have the conviction of faith that since Christ died for all, believers should now live for him. In doing so, we become a "new creation." How have you seen this happen in your life as a person of faith?

Gospel: Early in their following of Jesus, the disciples' witness of the miracle of Jesus calming the storm at sea led them to ask: "Who then is this whom even wind and sea obey?" How would you explain to others who wonder about the divinity of Jesus?
