Your Stewardship Matters

"...as a matter of equality your abundance at the present time should supply their want, so that their abundance may supply your want, that there may be equality." - 2 CORINTHIANS 8:14

One of the tenants of living a grateful and generous lifestyle is giving without expecting anything in return. It is important that we not only grow, nurture and share our gifts; but that we also teach our children and encourage others to do the same. This is the communal aspect of our Catholic faith. We are the "Body of Christ". We are called to be dependent on each other and not live in isolation.

This week's collection \$8,685

WeShare™ a form of Stewardship giving online, It's easy and convenient: Go to www.stmattoc.org. Click on WeShare at top of the home page" and follow the instructions.

Lending Library

Did you know that St Matthews has a lending library? We sure do! The book carts are located in the coat room that connects the Gathering Space with the Church.

Books available for preschool to teen to adult;

Topics include introduction to the bible, how to be a Christian man/woman, working through grief, how to have a good Christian marriage and much more.

You Saved the Day

Thank you to all the donors who helped make the St. Matthew Blood Drive a success. Your generosity resulted in a collection of 103 units of blood which saved 309 lives. Congratulations!

Reflect & Respond to Scripture

First Reading: We learn from the Jewish Wisdom writer that God did not create death; rather, death entered the world because of the envy of the devil. How does this insight shape your understanding of death?

Second Reading: Paul encourages the wealthier believers in Corinth to share their surplus wealth with those in need in the church in Jerusalem. What do you find interesting in Paul's appeal?

Gospel: In these two separate miracle stories, Jesus heals Jairus' daughter and the hemorrhaging woman because of their faith in Jesus. How does your faith in Jesus bring about healing in your life?

The Year of St. Joseph Provide and Protect

Saint Joseph both protected and provided for the Holy Family. He was a hard worker—exercising the trade of a Carpenter. He earned the bread that he made with the sweat of his brow. He thought not of himself but of how he could best provide for and protect the family that God had entrusted to his care.

As we consider our own role in our family, let us beg good Saint Joseph to provide and protect our spiritual lives. Materialism, consumerism, hedonism are the gods of the present culture. These actually suffocate spirituality.

Saint Joseph's prayers can help us to look beyond the buying, having, and possessing. He can help us to realize that true joy and happiness does not come from having things, but in possessing God. To hold Jesus in our arms and in our hearts is worth more than all of the money and possessions of the entire world. Saint Joseph can teach us this simple but profound lesson!
