LIVE THE LITURGY

Inspiration For The Week

Human beings easily get bored. Life's routines can become so predictable that there is often little time for excitement or freshness. Today is all about the new and the wonderful. In celebrating the beauty and simplicity of the Epiphany, we see in tangible ways God's creative, redemptive, and restorative power. This refreshment and revitalization is offered not only to a select few but to everyone throughout the world. There is nothing routine or static about God. Surprises, wonders, miracles, opportunities, healings, and joy without measure are available to those who believe. There are never any endings, just beginnings. And, when darkness, boredom, and gloom seem to be the order of the day, a bright new light now shines pointing us to truth and reminding us that we are loved.

**A PRAYER FOR PROTECTION
IN TIME OF PANDEMIC**

O Mary,
you always brighten our path
as a sign of salvation and of hope.
We entrust ourselves to you, Health of the Sick,
who, at the Cross, took part in Jesus' pain
while remaining steadfast in faith.

O loving Mother,
you know what we need,
and we are confident you will provide for us
as at Cana in Galilee.

Intercede for us with your Son Jesus,
the Divine Physician,
for those who have fallen ill,
for those who are vulnerable,
and for those who have died.

Intercede also for those charged with
protecting the health and safety of others
and for those who are tending to the sick
and seeking a cure.

Help us, O Mother of Divine Love,
to conform to the will of the Father
and to do as we are told by Jesus,
who took upon himself our
sufferings and carried our sorrows,
so as to lead us, through the Cross,
to the glory of the Resurrection.

Amen.

Under thy protection we seek refuge,
O Holy Mother of God.

In our needs, despise not our petitions,
but deliver us always from all dangers,
O glorious and blessed Virgin.

Amen.
