***God created man in his image; in the image of God he created him; male and female he created them.***

By creating man and woman in His own image, God endowed the human race with the dignity that no other creature can claim and that can never be taken away. Therefore, human life must be cherished, valued, and protected above all else.

On January 22, 1973, the Supreme Court legalized abortion throughout the United States in its companion decisions Roe v Wade and Doe v Bolton. Since that time, millions of children have lost their lives, and millions of women and families have been wounded by abortion.

The General Instruction of the Roman Missal (GIRM), no. 373, designates January 22 a particular day of prayer and penance, called the **“Day of Prayer for the legal Protection of Unborn Children.”** The Church directs:

*In all the Dioceses of the United States of America, January 22 (or Jan. 23, when Jan. 22 falls on a Sunday) shall be observed as a particular day of prayer for the full restoration of the legal guarantee of the right to life and of penance for violations to the dignity of the human person committed through acts of abortion.*

The U.S. Conference of Catholic Bishops sponsors an annual, nationwide novena called **9 Days for Life**, which encompasses the liturgical observance of the Day of Prayer on January 22<sup>nd</sup>.

The **9 Days for Life** is designed so that Catholics all across the nation can unite together in prayer for the protection of human life. Each day's intention is accompanied by a short reflection and suggested actions to help build a culture of life.

Good Shepherd will pray the novena each day after morning Mass between January 19 and January 27 and ask that you take a sheet home with you to continue the novena when we do not have morning Mass.

For those who would like to participate at home, please go to [www.9DAYSFORLIFE.COM](http://www.9DAYSFORLIFE.COM) for resources or a copy of the novena will be available in church.

**JESUS & COMPANY**

(continued from last week:)

**WAS OUR** slide'n Ride night really explained? We go up to the old football field on a chosen Wednesday night. With the use of snow coasters, inner tubes or "store-bought tubes" ....heck, a toboggin might even work, we spend whatever time we want to do some sliding down the hill by the bleachers. Then when we are soaking wet from the snow or freezing from the cold air we go up the hill to the edge of town for pizza or down to the Arches for burgers and fries or whatever...our treat! It's kinda like a repayment for all you do throughout the year at JC.

**NOW WE RETURN** to the Upper Room to continue our walk-through to find some other things there are to do. There are things to do that will help us in growing our faith and other items that will help us grow in friendships. Some of the growth can come from day trips to the Shrine at Champion near Green Bay or the Youth Rally down at Holy Hill with about 2000 other teens having a loud and happy day praising Jesus in one voice! You have to experience this day at least once in your life. Then there is a TEC weekend that is waiting for you to come. TEC is for Teens Encounter Christ.... And trust us, you really will!

**THEN OF COURSE** we can't forget our trips down to Great America. A couple of times we almost chose the Water Parks at Wisconsin Dells. The group decides where we should plan on going each year. So far we haven't done the Dells. And because of the virus we will have to wait and see how these places will be functioning - if at all.

**BACK AT THE** Room we have decided that to cover all that is there for us to do will need to go through the drawers, shelves and file cabinet to dig out all the file folders and 3-ring binders that have all the information on how to do the many programs and exercises that are contained in them. It wouldn't make much sense to try and list all of them here. The fun would be to search through the various piles and list them by preference. But keep them filed in a way that they can be found easily. There are probably enough activities in those files and books that would keep us busy on our Wednesday nights for most of our year.

**JESUS - We show our love for you when we share your love with others.**

If you miss Mass please know that our weekly Sunday Masses are streamed live each weekend for the Saturday 4 pm Mass.
