I Am Pro-Life Because: A 30-Second Defense  
By Steven A. Christie  
January 17, 2022

My experience is that the opportunity to defend the Pro-Life position is pretty common and often arises unexpectedly. You may only get one chance to make your case. So make it count.

If you can make an articulate, respectful, and persuasive argument in only thirty seconds, you have a real chance to win hearts and minds. If you are unprepared, however, you may waste what might be your only opportunity to make an effective case for life.

So prepare your thirty-second summary. Practice it over and over again. See that it becomes a part of you. Then, be ready to use it at a moment's notice!

**I am Pro-Life:**

**Because I am Pro-Science:** There is overwhelming scientific consensus that life begins at conception.

**Because Social Justice Begins in the Womb:** Every living human being is entitled to equal protection under the law and the most fundamental of human rights: the right to "life" itself. Being a burden on someone is never justification for killing them.

**Because I am Pro-Woman:** Abortion degrades women, treating their fertility as a defect, which enables men to use and then abandon women when they are most vulnerable. Abortion never empowers women—only the men who wish to exploit them.

**Because I am Against Violence:** Abortion is not only immoral, but it is also an act of extreme violence against the most innocent and vulnerable.

**Because of the Visible Evidence:** Ultrasound and MRI now clearly reveal to the world what's moving inside a woman's body: a living baby.

**Because of Objective Morality:** If abortion is the killing of an innocent, unborn child, then it's immoral and cowardly to remain silent.

**That's why I am Pro-Life.**

**THE STORY**

“Unplanned” is the inspiring true story of one woman’s journey of transformation.

All Abby Johnson ever wanted to do was help women. As one of the youngest Planned Parenthood clinic directors in the nation, she was involved in upwards of 22,000 abortions and counseled countless women about their reproductive choices.

*JESUS & COMPANY*

**THERE SEEMS TO** be a lot of talk in our world today about youth in search of God. And that is a very good sign for our world. We would like to offer you a two-point story that could possibly help someone in that search.

**SUPPOSE YOU** have this friend and he has a dad who is kind and considerate to everyone around him. You think he is really neat and you would like to know him better because he makes you feel so good. So you decide to spend more time with his son and he could explain to you what makes his dad such a nice guy that you really like and want to know more about him. In fact you kinda wish you had a dad like him.

**HERE IS THE** second version of that story. Suppose you have this friend (Jesus) and he has a dad (God) who is kind and considerate to everyone around him. You think he is really neat and you would like to know him better because he makes you feel so good. So you decide to spend more time with his son (Jesus) and he could explain to you what makes his dad (God) such a nice guy that you like and want to know more about him. In fact you kinda wish you had a dad like him (God).

**WELL, HAVE WE** got a dad - deal for you! We have space reserved for you in the Upper Room where you can come to Jesus anytime you want to if you desire to know dad (God) a little better. You will be surprised how easy it can be because dad (God) is also kind and considerate and will make you feel good. So you see... it's not a complicated story at all.

**THERE ARE THOSE** who have passed through the doors of the Upper Room and have found a place for Jesus and his dad (God) in their lives. Each one of us will have to decide where they fit in. But we would hope and pray that if you were to spend sometime in the Upper Room with Jesus and his dad you would learn through fun and prayer that they are BOTH really nice guys. Plus... God is the kind of dad that you would like to have.

**MAYBE NEXT WEEK** we will return to our walk-through the Upper Room to see what else we can find as we continue to explore. We need to talk about the fish for one thing.

**JESUS - We don't need to know where we are going if we know who we are following.**

**FORMED.ORG**
