General Information

Parish Mission

Bishop Donald Hying will be doing a mission at St. Rose on October 23, 24 & 25th. The evenings will begin with Eucharistic Adoration at 6:00, talk at 7:00, questions & answers at 8:00 and being wrapped up by 8:30. Everyone is invited to join in this mission.

Respect Life Collection

Today is Respect Life Sunday. Catholics across the nation join together to witness the inherent equality and transcendent value of every human being from the moment of conception to natural death. With your help and that of others, we can make a difference in the lives of many within the United States. Please use the attached envelope for your donation to assist to provide much needed assistance to vulnerable women.

October Count

Each parish is asked to count those attending Mass for the first four weekends in October. This information can help parishes in planning Mass schedules that encourage quality and prayerful celebrations. It will also be helpful in diocesan planning to assure the availability of Sacraments, religious education and active faith communities in light of the reduction in numbers of priests.

Religious Education News

We are getting excited to start our year in religious education. Classes for grades 1st - 7th grade will begin with a family mass on Wednesday, October 6th at 6 pm. We will be taking registration papers after mass. Registration papers have been mailed and emailed.

We are still in need of one 7th grade teacher and one or two table leaders for sophomores. Thank you to everyone who volunteered to teach! We appreciate you!

Juniors will begin class on Wednesday, October 13th at 7:30 - 8:45 pm at St. Rose School.

8th, 9th, and 10th graders will begin class on Wednesday, October 27th at 7:30 pm at St. Rose School.

If you have any questions or would be interested in teaching 7th grade or a table leader for sophomores, please contact Karrie Steinhart. 608-778-3577.

Stewardship Reflection

"So out of the ground the Lord God formed every beast of the field and every bird of the air, and brought them to the man to see what he would call them; and whatever the man called every living creature, that was its name." Genesis 2:19

The creation story reminds us of two important points. First, since the start, God has put the entire world into our care. Second, stewardship has been around since the beginning of mankind, it isn't something recently invented by the Church. Just as past generations built our Church, it is now our responsibility to continue to nurture and develop these gifts for future generations.

YOU'RE INVITED!
