## Our Lady of Lourdes Catholic Church

### Mission Statement

*The Mission of Our Lady of Lourdes is to create a faith community for all members to grow in their relationship with God and each other so that they can proclaim the Good News of Christ's Message.*

Dear Parishioners,

Happy Feast of the Assumption! That's right, this weekend we celebrate the Assumption of the Blessed Virgin Mary, body and soul into heaven at the end of her earthly life. This dogma and others about Mary, as well as our devotion to her, are often challenged as un-biblical. However, a close study of the Scriptures, especially those we hear this weekend, affirm our beautiful Catholic beliefs concerning Mary. However, rather than a long biblical defense of these teachings, I'd like to make a small point about a long-standing local tradition in the city of Jerusalem. The tradition there is that when Mary was in her last days on Earth, before the Assumption, the Holy Spirit called all the Apostles back to Jerusalem to be with her. It is said that they came back from the ends of the earth to be with the Blessed Mother and were there with her at her Dormition (or "falling asleep") and her Assumption, body and soul into heaven. Though the Church does not officially teach about who was there, and even where and when it took place, this story of the Assumption shows us something about being Catholic. It shows us that Mary unites us and points us up to Jesus. As we gather this weekend, there is much division in the world, in our country, in our families and in the Church. Perhaps we ought to once again go to our Mother, because our devotion to her unites us to one another and to Jesus. Together, we'll get to Jesus through Mary!

Another thing we celebrate this weekend is the last weekend of summer vacation. The school year is here, starting this Tuesday at OLL and this week in many other places. Enjoy the last weekend of summer and please pray for all of our students and teachers as they embark on a new year of learning. This year in particular, our students and teachers need your prayerful support since unfortunately Covid is still a factor that looms large over the entire society and especially over schools. Fortunately, we have a great faculty and staff and great families, so together we're going to make this another successful year. Thanks for all of your support for our school!

Have a blessed week!

Fr. Jim Theby

Becky Buhr described the R.C.I.A. process as a life changing experience and she hopes by sharing her story, others will consider taking the next step in their faith journey as well.

## IT'S NOT TOO LATE!

Are you interested in becoming Catholic? Are you looking to receive the Sacraments of Baptism, First Communion, and Confirmation?

Contact Katelyn Boland, DRE  
for information on the Rite of Christian Initiation  
[kboland@ollwashmo.org](mailto:kboland@ollwashmo.org)

### Here is Becky's story:

#### What lead you to inquiring about RCIA?

When I started dating my husband back in 1999, I would occasionally attend church with him on holidays. He was Catholic, and was raised as a member of the Holy Family Port Hudson parish. I can still remember to this day the very first homily I heard there - "the main thing is to know the main thing and to keep the main thing the main thing always." Of course, Father Leibrecht was talking about faith. I've carried that message with me for almost 22 years now. I considered converting when we got married in 2006, but the timing just never felt right—it was a significant commitment of time, and I just never felt compelled enough to make that commitment. Fast forward to summer of 2020. Everywhere you looked, it felt like there was chaos, hatred, and strife in the world around us. Turning on the news or opening up social media would give me a very unsettling feeling in the pit of my stomach, and I knew I had to find a way to find some peace. I reflected back on that homily from 1999, and felt a comfort in knowing that the Catholic faith is based on very deeply-rooted beliefs, doctrines, and practices. It's a constant and doesn't waiver or cater to changing popular beliefs, and that

was very appealing to me. I love knowing that no matter where I am, I can find a Catholic Church to attend, and while the church may be different, the mass is the same. There is something very comforting in that consistency.

#### How would you describe your journey to becoming Catholic?

While I'm sure my journey to becoming Catholic was anything but typical because of the impact COVID restrictions had on everything, I wouldn't have had it any other way. There were only 3 of us going through RCIA, and our small group combined with Sr. Marilyn, Father Jim, Deacon Mitchell and Ryan made the whole process so enjoyable. By the time we got to the day of our Confirmation, the support I'd received from not just other OLL members but also my Catholic friends, in general, was overwhelming. It reinforced to me what it meant to be a Catholic, and I couldn't have been more excited in that moment to be there - finally!

#### How has your life changed since going through the RCIA program?

I'm consistently amazed by the little ways my life has changed since I went through RCIA. I find myself stopping to take moments to talk to God throughout the day when I need a little spiritual

guidance or think about someone who could use an extra prayer. Any weekend when I can't attend mass leaves me feeling that something is missing. Even when I was recently out of town for a couple of weeks, I made it a priority to attend mass on Sunday morning! I was very fortunate that my husband was my RCIA sponsor, and by going through the process together, I think it brought us closer together both in our marriage and in our faith.

#### What would you say to someone that is considering becoming Catholic or receiving the Sacraments through the RCIA program?

I would tell anyone considering becoming Catholic or going through RCIA that if they know in their heart that they are ready, they should absolutely do it. I can wholeheartedly say that the rewards far outweigh any of the concerns I initially had as far as time commitment, etc.

We are so excited to have you as a member of our OLL family, Becky! Thank you so much for sharing your story.
