In God's Time

Evangelization: A responsibility or a right?

In my high school American Civics classes, I was taught that citizenship brings with it both rights and responsibilities. By virtue of belonging to our nation, we have certain privileges bestowed on us by law. However, we're also expected to take up the challenge to be active in maintaining the integrity of our country by voting (please do so on Tuesday, November 6) and by participating in upholding the standards on which our nation is built.

Did you know that Christianity also presents the same balance of rights and responsibilities? Like St. Paul, we revel in being sharers of the promise and coheirs of the kingdom of God. But with this gift comes a great responsibility, like sharing the Gospel with others. It's important to note that Paul views this as part of the gift—not part of the price he must pay to receive it.

Think about it. Paul rejoices in being able to share the good news of God's love and bringing others into the Church—the Body of Christ. Like the great missionary saints who helped to bring the kingdom of God to fulfillment, what greater privilege could there be than to participate in that work?

Much has been given to us in our Baptism. Not only are we given the rights of adopted children, we're also entrusted with the work of evangelization—the task of bringing others to the knowledge of Christ and the love of God. May we relish this and set our hearts to this task, so that, upon Jesus' return, the divine master may find us busy in the work of his kingdom.

Please welcome Fr. Arul Ponniayan who presides at my Masses this weekend. This "pulpit switch" is a collaborative effort to familiarize our parishioners with the other priests in our South Shore Parishes. In turn, I will preside at Fr Arul's parishes: St Paul and Sacred Heart of Jesus.

In God's Time, Fr. Carmelo

Christmas Gifts for Pantry Kids

Yes, it's that time of the year again! St. Veronica St. Vincent de Paul is once again inviting St. Veronica parishioners to sign up to sponsor the purchasing of gifts for Food Pantry clients who have children 16 years and younger.

After each of the Masses the weekends of November 3 - 4, 10 - 11, and 17 - 18 we will be asking you to sign up to purchase a \$20-\$25 gift for one of our pantry kids. Letters confirming and stating gift requests will be emailed or sent to your home starting November 22. Gifts must be brought to the parish office or church, in God's Cozy Corner, the weekends of Nov. 24 - 25, Dec. 1 - 2, 8 - 9 or 15 - 16. If you have any questions call Penny Krafczyk @ 414-315-1441 or Liz Burke @ 414-482-1573.

Prayer Network

Time	Captain	Phone
7-12 am	Jeanette Kuechenmeister	481-6224
12-5 pm	Mary Wszalek	744-6292
5-7 pm	Helen Rewolinski	744-4139

Prayer requests are taken Monday thru Friday. Intentions left on a captain's answering machine will be taken care of.

Let us pray for all the intentions in our Book of Prayer Intentions and those called into the Prayer Network. Prayer is one of our most powerful tools to ask God for help and blessings for us, our families and those in need of special prayers for their daily struggles. Let us strive to make 2018 a year we become closer to our Lord thru prayer.

Our Holy Father's Intention for the month of October is for Evangelization: The Mission of Religious.

That consecrated religious men and women may bestir themselves, and be present among the poor, the marginalized, and those who have no voice.

St. V's Pantry Food of the Month

From time to time, the question is asked: "What food do you need in the food pantry?" The specific food item requested for the month of *November is Oatmeal.*

Donations may be dropped off in the usher's room or brought to the parish office. We are also in need of *plastic and paper grocery bags.* Thank you for your generous response to our "request of the month" food item; our staff and patrons are very grateful.

In Sympathy

The parish community of St. Veronica wishes to express its sympathy and promise of remembrance in prayer to the family of *Allison Olesinski.* Our hope and prayer is that she is now enjoying that fullness of happiness and peace in her heavenly home.

Learn Through Play

Montessori schools are all the rage in the education world, and for good reason; learning through play is an age appropriate educational approach to integrating foundations of formal education such as Math, English, Science as well as social behaviors like sharing, empathy, and trust. St. Thomas Aquinas Academy is not a Montessori school, but we do incorporate learning through intentional play in our 4 year old and 5 year old Kindergarten classes! Spearheaded by our K5 teacher Mrs. Susan Meister, our classes blend student learning such as online differentiated math classes and small group instruction with learning through play stations where the students can choose their destination and learn in a more hands on, kinesthetic manner. St. Thomas Aquinas maintains its strong educational roots while also honoring the whole child. Play is the highest form of research for our early childhood students. Stop by our Kindergarten rooms to see how we do it!

A kindergartener (4 year old) sorts apples, learns to share, take care of her space, and clean up.
