**NEDJELJNO RAZMIŠLJANJE****Riječ snage**

Čitamo danas tekst koji kaže kako riječ ima moć. Isus ulazi u sinagogu, čita riječ proroka Izaije i tumači sv. Pisma koja se ispuniše na njemu.

On poziva snagom proročanstva na nove odnose, na novost života: oslobođenje zarobljenima, vid slijepima, radosnu vijest siromašnima. Isus naviješta kako je snaga Duha sišla na njega, te tom snagom naviješta riječ.

Snaga Duha! Nije li snaga Duha ona koja nas čini drugačijim od stvorenja ostalih? Nije li snaga Duha ona koja nas čini jakim, snažnim, Božjim, sretnim...

Samo snagom Duha Božjega čovjek je spreman poći i svjedočiti, živjeti istinu, biti sretan i govoriti odmjerenom riječi ljubavi!

**Molimo za naše pokojne**

An announcement from our  
Archbishop of Milwaukee about  
"Continuing Our Parish COVID Protocols"

As we continue to learn to live with COVID-19 in our midst, and adjust to the changing variants, I am thankful for our pastors and parish leaders and their diligence in continuing the protocols already in place to help people feel safe while attending Mass. The protocols include clearly designated areas for mask wearing and social distancing, as well as providing hand sanitizer and extra cleaning.

When possible, large parish meetings where social distancing options are not available, are being changed to virtual attendance or postponed for now.

While there has been no outbreak of COVID-19 from Mass attendance, I'd like to encourage people to exercise personal responsibility.

**Those who feel sick, or who are especially at risk of health complications, should stay home and watch Sunday worship on the many Masses broadcast on TV and live-streamed on social media until they feel comfortable returning to in-person Mass.**

In those situations, or for those taking care of someone who is sick, Sunday Mass attendance is excused.

Our Sunday worship is a joyful obligation. It is a witness to God as the priority in our lives. By remaining diligent in these ways, we help ensure our parishioners feel safe attending Mass and can continue experiencing the connectedness of our parish communities, which is such a vital part of our lives.

Yours in Christ,

**Most Reverend Jerome E. ListECKI**

**Archbishop of Milwaukee**

**SUNDAY MEDITATION**

As followers of Jesus, we are called to bear witness to the Gospel and help build up God's kingdom on earth.

Can we carry the torch and make Christ's saving mission our own? The answer is, of course, yes. We can be confident in this because Christ entrusted the continuation of His saving mission to the Church and because each of us, by virtue of our baptism, has become a member of Christ's Mystical Body, the Church. As such, each of us is called to use our unique God-given gifts and talents to further the work and mission of the Church and help build up God's kingdom on earth,

How can we further the mission of the Church and help to build up God's kingdom on earth? As we seek to cooperate with God's grace in this mission, it is good to work together for the good (in God's eyes) with all the other people who cooperate with Christ's grace to help bring peace, healing and goodness to the world.

We all have a mission to be accomplished. We, walking together in Christ, go out into the world near and far, working to advance and move Christ's saving mission toward its fulfillment. We can bring good news to the poor, liberty to those bound by sin, addictions and compulsions, and we can give the light of knowledge and vision to those who are blinded by this world's darkness.

Living our Christian values by respecting life, living in honesty and truth, helping establish true justice, working for true peace, and building up our families allows us to further Christ's mission on earth.

The Holy Spirit of the Lord is upon us. He has anointed us and given us His gifts of wisdom, understanding, knowledge, steadfastness and courage. Live your commissioning boldly and courageously. As did the first 12 apostles, may we burst out of our private worries and go into the public square. May we proclaim and give witness to the Gospel by the example of our lives so that many others may come to know the new life, healing, peace, freedom and goodness that Jesus offers.
