Pay it Forward

St Vincent Pallotti was known for his zeal all over Rome by organizing schools for shoemakers, tailors, coachmen, carpenters, and gardeners so that they could better work at their trade, as well as organizing evening classes for young farmers and unskilled workers. He gave away his books, his possessions, and even his clothes to the poor, and once dressed up as an old woman to hear the confession of a man who threatened "to kill the first priest who came through the door."

Although we may not be able to do all the great works of our patron saint, we can follow his example and make lives better for others by **Paying it Forward.**

Last week, our bulletin insert had 30 ways to **Pay it Forward** and there are many more. When you pay it forward, you aid others who could use some minor help, are in desperate need of serious assistance or are lonely, depressed and just need a friend. I truly believe that this is what Jesus wants us to do.

God Bless you. – Human Concerns Committee
