**Stewardship Reflection**  
**March 24, 2019**  
**Third Sunday of Lent**

Today's Gospel passage reminds us that life is precious and the gift of time on this earth is just that — a gift. None of us knows how much time will be granted to us, so it is urgent that we use this gift intentionally to glorify God and serve our neighbor.

Jesus offers the parable of the fig tree to further illustrate this truth. The owner of the orchard came searching for fruit on a fig tree he had had planted in his orchard. Finding no fruit on the tree after three years, he told the gardener to cut it down. But the gardener intercedes and asks for one more year to cultivate and fertilize the tree in hopes it would bear fruit in the future. The fig tree was not dying; it simply wasn't doing much of anything at all. Can this be said of us and our lives as well?

The season of Lent is a time to reflect carefully on the way we spend our time. Do we give first priority to God, tending to our spiritual growth and sacramental life with diligence? Do we give next priority to our loved ones, focusing intentionally on them each day without distractions from phones, screens or thoughts of work? If not, now is the moment to repent of our waste of time or of misplaced priorities on our use of time. God is merciful but just. Let's turn to Him and ask Him to make our lives fruitful while we still have time to do so.
