Dear Parishioners,

This week is Catholic School Week. I would like to encourage all parents with young children to think and pray about sending their kids to our schools. We take pride in teaching our children not just the truths of the Catholic Faith, but also the Christian virtues that they can already begin to practice in an environment conducive to their spiritual wellbeing.

I also want to thank Ms. Daniela and our teachers and staff for going above and beyond their duties to teach our children during the COVID-19 pandemic. They've done an excellent job without ever complaining.

Finally, I would like to share with you some words of wisdom about the importance of Catholic Education.

"It (Catholic Schools) is an outstanding apostolate of hope, seeking to address the material, intellectual and spiritual needs of over three million children and students. It also provides a highly commendable opportunity for the entire Catholic community to contribute generously to the financial needs of our institutions. Their long-term sustainability must be assured. Indeed, everything possible must be done, in cooperation with the wider community, to ensure that they are accessible to people of all social and economic strata. No child should be denied his or her right to an education in faith, which in turn nurtures the soul of a nation."
-Pope Benedict XVI
Meeting with Catholic Educators (April 17, 2008)
Catholic University of America

"Consequently, graduates of Catholic high schools show the highest level of success among those who enter four year colleges."
Taken from Patricia James Sweeney's article, "Coleman Revisited: Policy Implications for Catholic Educators" in Momentum, 1987

"The Catholic school's proper function is to create for the school community a special atmosphere animated by the Gospel spirit of freedom and charity, to help youth grow according to the new creatures they were made through baptism as they develop their own personalities, and finally to order the whole of human culture to the news of salvation so that the knowledge the students gradually acquire of the world, life and man is illumined by faith."
Declaration on Christian Education, #8, 1965

God bless,

Fr. Miguel

Diocese of Madison
Annual Catholic Appeal 2021
"The Kingdom of God is at Hand"

The theme for the 2021 Annual Catholic Appeal of the Diocese of Madison is "The Kingdom of God is at Hand." We ask that God guide us, and give us the ability to put our *faith* in Him to allow us the capacity to love and care for those in our parishes, our diocese and the Church throughout the world. We ask that His grace make us even more generous in supporting those needs.

Each pledge to the Annual Catholic Appeal supports diocesan ministries, education and services and assures a strong future for the Diocese of Madison and the people that it serves.

This year each of us is asked to consider making a pledge, payable over six months. Your gift will help enable the diocese to reach its goal and provide to the ministries supported by the appeal.

If you received your pledge form in the mail, please complete it and mail it back. Thank you for your prayerful consideration and generous response.

Seven Sundays in Honor of St. Joseph

This Sunday, January 31st, and just before Mass, we will be praying the first of the Seven Sundays Devotion to St. Joseph. The Seven Sundays Devotion celebrates the seven joys and sorrows that St. Joseph shared, as Head of the Holy Family, with the Blessed Mother. The first Sunday reflects on the sorrow St. Joseph endured in contemplating "putting Mary away" privately and the immense joy he enjoyed when the sublime mystery of the Incarnation was revealed to him by an angel. The Seven Sundays Devotion culminates on Sunday March 14th, the Sunday before the feast of St. Joseph. In this, the year of St. Joseph, we offer the Seven Sundays Devotion for the preservation of the reign of God's Truth in our families, our Church, our country and our world.
