Dear Parishioners,

Last week I met at the chancery with Fr. Tait, the other priests whose pastorates are also merging, and Amanda Schroeder from the diocesan offices. This "pre-merger meeting" was the first formal step in bringing the parishes of Mary, Mother of Mercy pastorate together as one parish. I want to share what we learned, so that you hear it first from me and know what to expect in the coming months.

MARY, MOTHER of MERCY

When will this happen?

We expect the canonical merger to take place at the end of October. The exact date is still pending because our merger will happen at the same time as those of two neighboring pastorates, St. Joachim and Anne and St. John Paul II. When the date is set, Bishop Hying will issue a formal decree of merger. After a waiting period of a few weeks required by Church law, the Bishop will celebrate an installation Mass in each of the new parishes. At each Mass, the priest serving there will be installed as its pastor. You may know that I currently serve our pastorate as parochial administrator. At our installation Mass, I will be installed as pastor of our new parish. Copies of the decree will be available at each of our churches, and an electronic version will be posted on the diocesan website.

What does "merger" actually involve?

It happens in stages. The canonical merger is the Church's decision that our communities are now one parish. After the installation comes the civil merger, when the new parish is legally incorporated under Wisconsin law. Finally comes the financial merger, which combines our accounts, payroll, and records. That last step is a longer process and is expected to happen sometime next year.

What happens in the meantime?

The new parish will need its own leadership. We will hold an election of parish trustees, the lay members who serve alongside the pastor on the board of the civil parish corporation. We will also form a new Finance Council and a new Pastoral Council for the merged parish. I will share the details and dates as soon as they are set. Please pray about whether God may be calling you to serve in one of these roles, or whether you know someone who would serve well.

Over time, you will also notice some practical changes: a new website, new offertory envelopes, and a single central parish office. We will let you know about each of these well in advance.

How will I stay informed?

Please watch your inbox for Flocknote messages from me, and keep reading the bulletin. In the coming weeks I will write articles walking through each step of this process.

Change can be unsettling, even when it is good. Our churches, our sacraments, and our love for one another are not going anywhere. What we are building is a way to share them more fully, so that together we can "put out into the deep." Please keep this process, our priests and staff, and one another in your prayers.

God bless,
Fr. Miguel

EUCCHARISTIC ADORATION

St. Norbert currently has perpetual Adoration starting after the 8:00am Mass on Thursdays until the 8:00am daily Mass on Fridays. This has been a long-standing tradition, and we are thankful for the many volunteers who make this a reality. Adoration allows you to worship and pray in the presence of Jesus Christ through the Blessed Sacrament. Are you interested but not sure you can commit to every week? No problem, form a team of friends and family, and then rotate coverage. We have a couple of those today, and they work great. Anyone is invited and encouraged to attend Adoration without having an assigned time. Please contact Julianne Brickl 608-698-2961 or Mary Markielewski 608-516-1335 to answer questions or to volunteer.
