NOTICE REGARDING SOLAR LIGHTS

We have noticed a significant increase in solar lights placed throughout the grounds, with many plots now having three to five lights.

Unfortunately, many of these are not being maintained or properly disposed of when broken. Stray and fallen lights create a major hazards for our groundskeeping equipment.

PLEASE TAKE NOTE OF THE FOLLOWING POLICY CHANGE:

• **New Rule: Effective Spring 2027,**
solar lights will no longer be permitted on any plots.

• **What to do now:** We ask that plot holders begin removing their solar lights and taking them home during upcoming visits.

Thank you for your understanding and for helping us keep the grounds safe and beautiful!

Thank you for your cooperation and for helping us maintain a beautiful resting place for our loved ones.

Rosary Leaders

We are looking to enrich our preparation for Holy Mass by inviting parishioners to lead the Holy Rosary 25 minutes before our weekend Masses.

As we gather as a community, starting with the Rosary helps us quiet our hearts and enter into a reflection before the Holy Sacrifice of the Mass begins.

Whether you are a long-time devotee or simply have a heart for prayer, we would love to have you join this ministry.

Please contact the parish office at 608-643-2449 or secretary@divinemercury-parish.org to be added to the schedule. Prayer guides are available for anyone new to leading!

Calling All Men of the Parish: Join TMY (That Man Is You!)

- **When:** Every Thursday at 6:00 AM
- **Where:** St. Als Basement
- **Who:** All adult men of the parish

If you have deceased loved ones or a special intention for a living friend or relative, please consider offering a Mass for them. ST. ALOYSIUS SCHOOL NEWS

Always and Everywhere Faithful

"Saint Aloysius is a Catholic education community whose ministry provides opportunity for all students to develop their spiritual life and academic potential."

The second graders wrapped up their lesson on what makes something living, once-living, or nonliving — and then took the learning outside for a scavenger hunt! 🌳

Each student searched for one example of each category to bring back in their bag. Then they gathered together to share their finds and sort them into the right groups. So much fun seeing their thinking in action!

HOW DOES A BANANA ANSWER THE PHONE?

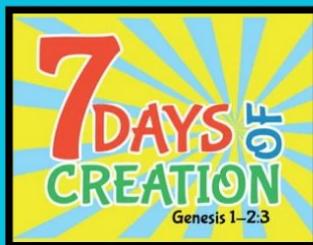

"YELLOW!"

Our Little Blessings students have so much fun chatting with their friends at snack time. Nothing beats talking on the Bananaphone!

Our 1st graders showed off their creativity and teamwork through beautiful works of art! Working in pairs, they shared the story of Creation day by day. Each poster reflects a piece of God's careful plan for us — giving us everything we need.

What do you want to thank God for today?

Our Mass Choir is growing this year! Inspired by our wonderful parish choir and its dedicated choir director, we're thrilled to open Mass Choir to boys and girls in 3rd grade and up. Lifting our voices in song is a beautiful way to worship, and we can't wait to see how this group grows in faith, confidence, and joy together.

Thank you to Mrs. Breunig for leading our choir, Mr. Flores for supporting our boys, and Mrs. Magnuson for organizing it every week!

THE EARLY BIRD GETS THE ... LEAF?!

This fall, many students have spent their recesses on the look out for all sorts of winged critters. We've found moths, butterflies, a praying mantis, and now a leaf! Well, a leaf bug that is. It was so well disguised that many students didn't even notice it as they walked out to morning recess. That was until one student noticed the leaf was WALKING! It was adorable, green, and surprisingly flat. The kids took turns holding it and made a home for it near one of our maple trees. What fun!
