On Easter Sunday evening, the apostles were gathered in the upper room with the doors locked.

The room was haunted by absence, and was full of bittersweet memories for them.

It was here that the Master had washed their feet and celebrated the Last Supper with them.

But it was here too that they had sworn loyalty to him, a loyalty which did not even see the night through.

The apostles were wounded individually by fear, doubt, guilt, grief and despair. But they were also wounded collectively because their unity was broken.

Two of their number were absent – Judas was no longer alive and Thomas was going through a crisis of faith.

Like many people in pain, they had isolated themselves from the world around them.

We need to remember that Easter does not take away our pain or remove our fears. But it does introduce a new element into our lives and into our faith.

It gives meaning to our pain. It lights it up with hope. All is different because Jesus is alive and speaks his words of peace to us as he spoke them to the apostles.

When we fall under trial or temptation we can draw encouragement and hope from the story of Jesus' own disciples, all of whom failed in some way during the passion.

Consider this, Jesus did not become embittered because of his wounds. Neither should we.

Having brought peace and healing to the apostles, Jesus commissioned them to go and bring the good news to others.

Jesus wants us to be witnesses to his resurrection as well. A sad, embittered person would make a poor witness.

As our Easter celebration continues, there is a quiet joy among us and a deep sense of peace because we know that life is stronger than death.

Have a joyous week. Rejoice! He is risen! Fr. Brian

Liturgical Life

Living Rosary plans May celebration

This past year has been a challenge for all of us. Have you found yourself praying more? Many people have spent more time in prayer, because we have all been affected by Covid.

St. Bernard has a Living Rosary group, which has been in existence since 1929. It was started by 14 people.

Our mission is to pray at least a decade of the Rosary once a day. You can select the Mystery and the decade you would like to pray. There is no fee to join. We have about 100 members. You don't have to be a parishioner.

Before the pandemic, members and others would pray the Rosary 30 minutes before parish funerals. Many members would stay for the funeral mass.

During this past year, we have continued praying the Rosary, especially for the deceased via Zoom. We also pray for an end to Covid.

Every Tuesday at 1:30 p.m., a faithful group of Prayer Warriors come together to pray the Rosary. We have since added the Divine Mercy Chaplet and now the Litany of St. Joseph (since we are in the year of St. Joseph). You are welcome to join us in prayer!

On May 7 at 1:30 p.m., the Living Rosary will pray the Joyful and Glorious Mysteries of the Rosary followed by a benediction with Fr. Brian in the church.

The rosary will also be available via livestream on the parish website at stbmidd.org/live.

To become a member of the Living Rosary, you must commit to praying your decade every day and contact Diane Zander at 608-831-5167 or euzan@chorus.net.

FORMED®

Testify to Him

In the Gospel of John, we hear about the "witnesses" that testify to Jesus' identity: his own miracles, John the Baptist, God the Father, and all of Sacred Scripture.

When we listen to each of these, we allow ourselves to be transformed by faith and thereby become "witnesses" ourselves.

Religious Education

During Lent, St. Bernard religious education students planted seeds and learned what it means to "grow in Christ's love."

Mass intentions for 2022

The 2022 liturgical calendar is now open for Mass requests.

Please contact Barb Harrington in the parish office at 831-6531 to schedule a Mass.

Our office hours are 8:30 a.m., to noon and 1-4 p.m.

Next 'Hour with Jesus' on May 12

On May 12, "An Hour with Jesus" will be held from 7-8 p.m., in the church here at St. Bernard Parish.

"Spending quite time with the Lord can be life-changing," said Fr. Brian. "It can change our hearts and allow the Holy Spirit to ... give us direction in our lives."

This hour of adoration will be held every second Wednesday of the month through May.

For more information, call Kevin Sullivan at 829-5879.

Return of the altar servers

As we slowly return to normal with our Masses, Fr. Brian is looking ahead and wants to know who is ready to serve at weekend liturgies.

This is not a push or pressure to get anyone to come back before they feel comfortable. We fully understand and respect people's choice to not return to church yet.

But if your son or daughter is ready to start serving again, please contact Joy Bauman at joy@stbmidd.org.

Stewardship

How to fail your way to heaven

You know what are some of my favorite moments in Scripture?

The little “Easter eggs” of Jesus’ humanity, things like Jesus falling asleep, Jesus drawing in the sand, Jesus playing with kids.

And how about Jesus rising from the dead, appearing to his disciples and saying, “So, have you got anything to eat?”

It’s right for us to always keep in mind that Jesus is God.

But we also have to remember that he was man. He got hungry. He cried when he felt sad and laughed when he felt happy. He got tired. He got bored.

Because he was God, none of those feelings ever led him into sin, like they do us. He never spent a car ride trying to pass the hours by seeing how annoyed he could make his older sister. He never smacked Peter over the head for saying something really stupid.

But he did unleash some Biblically righteous anger on those traders in the temple, didn’t he?

And he wasn’t shy about calling Peter “a Satan” when his friend tempted him to take the easy way out.

It’s the tightrope walk we all try to balance every day, honoring our human emotions while still answering God’s call to be better. Being perfect isn’t the domain of the Christian — that’s the domain of Christ only.

Trying and failing, then trying again (and failing again) and again and again? That’s the domain of the Christian.

— Tracy Earl Welliver, LPI

ReMitts needs your old wool sweaters

Spring is here - and that means it's time to clean out your closet and get rid of your old winter sweaters. Did you know that by donating those sweaters you can help make sure families in our community get the healthy food they need?

ReMitts takes these used sweaters and turns them into beautiful mittens that are sold to raise money for local food pantries, including the Middleton Outreach Ministry.

Donate your sweaters at MOM on Mondays from 10 a.m. -12 p.m. or Wednesdays from 2-4 p.m., in bags labeled "ReMitts." You can also contact ReMitts through their Facebook page to arrange for someone to pick them up.

Sweaters must be 100 percent wool. Any color or condition will work!

Blood drive at St. Bernard Parish

A blood drive will be held from 10 a.m. to 3 p.m., April 27 in St. Bernard's parish center. For an appointment, call 1-800-RED CROSS.

Creation Care to hold LED event May 1-2

The city of Middleton Sustainability Committee in conjunction with St. Bernard's Creation Care team will hold a spring LED lightbulb exchange May 1-2.

Please bring in your old CFLs and incandescent lightbulbs for exchange. You may exchange up to five CFL or incandescent bulbs for five free LED bulbs per person/family.

One hundred percent of the CFL lightbulbs will be recycled in their entirety by PKK Lighting.

The exchange will run 5:30-6:30 p.m., Saturday and 9 a.m., to noon Sunday, while supplies last, outside the chapel entrance.

The Creation Care team also welcomes new members. If you would like to learn more about getting involved in the team, please contact Ben Roden at baroden@yahoo.com.

Mother's Day rose sale

Shower your mother with roses on Mother's Day weekend, May 8-9, and shower local babies with love!

Roses will be available at all church entrances after all Masses on that weekend.

Your donation provides much needed education, ultrasounds, medical care, diapers, formula, clothes, cribs and more to mothers, who choose life for their babies.

The suggested donation is \$3 for one rose and \$5 for two roses. Each generous donation benefits Wisconsin Right to Life of Dane County, an all-volunteer, pro-life organization.

Each week will feature guests who will talk about issues like racism, immigration, the environment, and other topics that come up in the encyclical. The goals of this study are to become more familiar with *Fratelli Tutti*, better understand the issues we are seeing in our world and communities today, and explore how we can truly live as one human family sharing one common home, as *Fratelli Tutti* calls us to do. All are welcome to this inter-faith study from 6:30-8 p.m., on Thursdays. April 15 will be an introductory meeting, we will skip meeting on April 22, and we will begin reviewing the chapters starting April 29. Register by sending an email to: Laura@cmcmadison.org.

Creation Care Corner

"All of us can cooperate as instruments of God for the care of Creation." — Pope Francis

Ask Congress to Act on Climate Change

The US Conference of Catholic Bishops has issued a strong statement of support for legislation to address climate change. It's called the **Energy Innovation and Carbon Dividend Act**. A number of Archdiocese and parishes have asked their parishioners to write or call their Congressional Representatives to support the bill. This bipartisan introduced legislation puts a small but annually increasing fee on fossil fuel energy producers for their carbon emissions. The fee is returned to every American households as a monthly dividend check to offset future fossil fuel price increases. This legislation will trigger massive investment in clean energy, which will quickly become cheaper than fossil fuels, leading to an orderly market transition to non-polluting energy. This will reduce greenhouse gases without harming the economy, consumers or job growth. **This site will help you write your letter and send it to your Congressional Representative:**
