Today we celebrate Independence Day.

It is a day to understand that all mankind is made to be free.

When we are truly free people, we look out for the freedom of those around us, not only on a global scale, but in our communities, neighborhoods and perhaps families as well.

We are called as faithful citizens, Catholic believers, to be active in the world around us – in our cities, and neighborhoods – making the world a better place.

As we celebrate our vision as a country and our role as citizens, we might also ponder our vision of the Kingdom of God and our role as citizens in building that Kingdom.

The Christian key to freedom is the cross.

The cross, all the ways that we let go of ourselves and depend on the grace and mercy of God, is how each Christian is challenged to become who they truly are.

From the cross, Jesus breathed forth his Spirit to give us life in God, if we choose to accept it.

We are given a choice to be free.

On this Independence Day, we are challenged to think of freedom in its deepest sense.

True freedom comes from life in Christ.

God gives us freedom, because only free people can truly love, and thus share most fully in the life of God.

Have a safe and blessed Independence Day, Fr. Brian

Note: The parish office will be closed on Monday, July 5.

Next 'Hour with Jesus' on July 14

On July 14, “An Hour with Jesus” will be held from 7-8 p.m., in the church here at St. Bernard Parish.

“Spending quite time with the Lord can be life-changing,” said Fr. Brian. “It can change our hearts and allow the Holy Spirit to ... give us direction in our lives.”

This hour of adoration will be held every second Wednesday of the month.

For more information, call Kevin Sullivan at 829-5879.

PC renovation reception next weekend

Please join us in the parish center after all Masses on July 10 and 11 for an update on the parish center renovation!

This is a chance for us to safely gather together for the first time since the start of the pandemic.

Father Brian will share the plans for the renovation and answer questions related to this project.

We have looked forward to the day when we could all reunite for social functions, and we hope you will join us for refreshments and fellowship on this occasion!

Liturgical Life

Evangelization and Outreach position available

St. Bernard Parish in Middleton is a Catholic parish of 1,500 households.

We are seeking a full-time Coordinator of Parish Evangelization and Outreach.

This position will be responsible for developing and supporting evangelization within the parish in coordination with parish staff, parish organizations and the Diocese of Madison.

The successful candidate will have social media skills, public speaking experience, excellent people skills and strong leadership qualities. A strong Catholic faith and a desire to evangelize are critical.

We are looking for an individual who is outgoing and who takes initiative. Evening and weekend work will be necessary.

Please submit a cover letter and resume to Fr. Brian Wilk at 2015 Parmenter Street, Middleton, WI 53562 or email at parish@stbmidd.org.

Sign up now for liturgical ministries

By virtue of our baptism, each of us is called to minister to the needs of one another.

Getting involved in the liturgy at St. Bernard's can be a rewarding experience, offering you a special bond between yourself and Christ as well as yourself and our parish family.

We rely heavily on the dedication of many men, women, and youth who participate in liturgical ministries here at St. Bernard's including: altar servers; Eucharistic ministers; lectors/commentators and ushers.

We would love to welcome new faces to all of these groups! Please prayerfully consider joining one of these ministries.

For more information, please call Joy at 829-5880 or email at joy@stbmidd.org

One-on-one spiritual guidance now available

Our lives are full and we rarely take the time to stop and ask big and sometimes overarching questions. Who am I? Why am I here? What is missing from my life? How does my faith lead the life I'm living?

If you find yourself asking these questions, you may want to consider spiritual guidance or direction. This is time for you to meet with a guide, who supports you as you explore where the Holy Spirit is active in your life.

A spiritual guide or director listens deeply with openness and acceptance to your experience.

These one-on-one monthly meetings bring stronger awareness and development of your relationship with God.

If you are interested in spiritual guidance or direction, please contact Kevin Laufenberg at kevin@stbmidd.org or Fr. Brian at frbrian@stbmidd.org.

FORMED®

Trusting in God's care

It is hard to be generous with others when our future is uncertain. But although the future is uncertain to us, it is very certain to the Father.

He will make sure you have what you need. If you are generous with others, He will be very generous with you.

Parish center renovation fundraising campaign

We are 73 percent to goal!

Our campaign continues to roll full steam ahead! As of June 28, Fr. Brian and the volunteer committee have received \$2,357,675 in pledged commitments from 92 parish families!

If you have not yet been contacted, please know that we will contact every registered family in the coming weeks.

We only have a certain number of volunteers to reach out to parishioners, and we continue to do our best to reach out to as many parishioners as possible.

If you are interested in being a phone call volunteer to help us reach out to more parish families, please contact the parish office at 831-6531 for more information.

WEEKLY STEWARDSHIP RECOMMENDATION: Cool Efficiently.

Making smart decisions about air conditioning can have a big effect on your utility bills, comfort, and air pollution.

- A dirty air filter slows down air flow and wastes energy. At a minimum, change the filter every three months in peak seasons.
- Close curtains or shades during the day on south and west facing windows for a 3-5% savings.
- A programmable thermostat can save you about \$180 every year in energy costs. No need to cool the house when you're gone.
- If AC equipment is old and needs updating, consider replacing it with an Energy Star system for additional annual savings.
- Maintain your weather stripping and check insulation.
