USCCB Daily Bible readings:dailyreadings@usccb.org

Jesus began his public ministry by making the words of Isaiah his own. "The Spirit of the Lord is upon me, because he has anointed me to bring glad tidings to the poor."

The good news in all of this is that God's mercy is freely available to all those who seek it.

God's promises are fulfilled in Jesus, the long awaited Savior of the poor and the oppressed. Jesus did not merely announce the Good News and leave it at that. He began to make it a reality.

At the root of innumerable wrongs in our world is the discrepancy between word and deed.

Today the task of preaching the Gospel to the world depends on us. It is our discipleship. It is a great privilege, but a daunting task.

But like Jesus, we are given the help of the Holy Spirit. We too are anointed.

The best way to preach the Gospel is by living a Christian life.

The only book that some people will ever read about the Gospel is the book of our lives.

Let's hope that others can give it a positive review. Have a blessed week, Fr. Brian

Knights of Columbus plan membership drive, host UW Platteville representative on Tuesday

Our local council Monsignor Lederer Knights of Columbus Council #4549 will hold a membership drive after all the masses on the weekend of Feb. 12-13.

The Knights of Columbus is an international Order of Catholic men who are called to lead with faith, protect our families, serve others and defend values in a busy changing world.

Whether you become an individual member or a member of our council, you will find that Knights of Columbus membership brings Catholic men together in a powerful way.

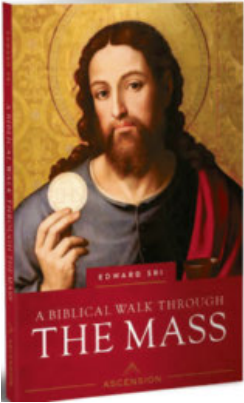

If you would like to join today simply go to KofC.org/joinus and enter our council number 4549 for local information.

Any man 18 years or older and in good standing with the church is eligible to be a member of the Knights of Columbus. For more information about the Knights of Columbus, go to kofc.org.

Jan. 25 meeting: A representative from St. Augustine Parish at UW-Platteville will talk about the great work they do keeping faith alive in their students and update us on the status of their new dorm. The presentation will start at 7 p.m., in the lower level of the RE building. Please join us!

Liturgical Life

Learn more about the Mass

Does Mass seem boring or hard to understand?

Gain a deeper appreciation for the Mass, its Biblical roots, and the meaning behind symbols and gestures we encounter every week in this upcoming video series, "A Biblical Walk through the Mass" by Dr. Edward Sri, facilitated by parishioner Tom Enwright.

The group will meet in the parish library Thursdays 1-2:15 p.m., Feb. 3 to March 3.

For more information or to sign up, contact Tom at tenwright00@gmail.com.

Need a New Year's resolution?

How about joining one of our liturgical ministries?

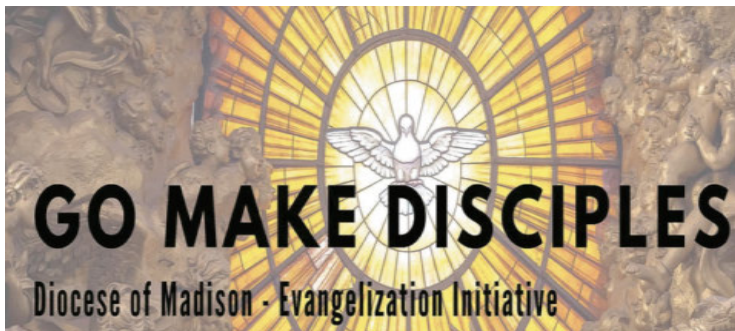

It takes many people to make the liturgy flow well each weekend, and the new year would be a great time to volunteer to serve in one of the ministries!

Opportunities are available for lector/commentator, server

(fifth grade and up), Eucharistic Minister and usher (high school students and older). Training is provided.

For more information, contact Joy Bauman at 829-5880 or joy@stbmidd.org.

When was the last time you had a heart-to-heart conversation with God? As a parent wants to hear about a child's day, so God our Father wants to hear about ours.

Many beautiful prayers have been written over the centuries that can lead us in our conversation with the Trinity, but praying in our own words let God hear our unique voice.

So find a quiet space, take a deep breath, and just begin, "Hi Jesus."—Laura Angle

FORMED®

Cleansed

Something radical is on display in the Gospel. Whereas in the Old Testament the impurity of a leper was contagious, the New Testament shows that Jesus' purity is infectious.

Come to Jesus with your brokenness and hurt, seeking to be healed as the leper was.

Religious Education

Students in Georgine Jacobs' preschool class recently learned about "The Good Shepherd." They learned that Jesus takes care of us like a good shepherd takes care of his sheep, said Jacobs. "Jesus takes care of us by giving us loving parents and the things we need to live with kindness and love for God and each other."

LBH registration begins Monday

This past summer, over 600 missionaries joined Love Begins Here in service to our neighbors in need, giving 11,300 hours of love to the poor and suffering within the Diocese of Madison.

We give great thanks and praise to God for the revival that took place in the hearts and homes of those who served and those we were able to help.

We look forward to a glorious summer in 2022, welcoming all missionaries back to the traditional format of overnight, weeklong mission trips around the diocese.

If you have middle or high school teens in your family, we would love for you to mark your calendars for Jan. 24, when LBH2022 registration will open.

Contact Kathleen Teodoro at Kathleen@stbmidd.org.

Stewardship

Plant your works in the word

One of the things about Scripture is that even the smallest word and shortest phrase can be critical to the overall message.

When you take a quiet moment to rest with the Word, you find how quickly the most mundane sentence can reach out and grab you, pulling you into a deeper contemplation of some truth you hadn't even considered until then.

But we often fail to act as the Israelites in the Book of Nehemiah, standing before the Water Gate "listening attentively."

Whether it's at Mass during the Liturgy of the Word or at home poring over the Bible, time after time we find ourselves less mindful than we could be.

Our ears accept the sounds of the words and our eyes glance over the shape of the letters.

But are we mindful — truly?

The best answer is hopefully at least sometimes. There are always tasks to be completed, problems weighing on our minds that we can't quite give over to God.

We lose ourselves in these things instead of in Scripture. We "clock in" with Bible reading instead of "diving in."

We can never forget that the words of the Lord are spirit and life. They are the soil that quickens the seed of all stewardship.

There is no mindfulness, no prayer, no graciousness, no gratitude or accountability or sense of commitment unless there is the Word.

So let us pray today for mindfulness, that our every action will be grounded in the law of God — giving it true spirit and life.— Tracy Earl Welliver, LPI

SVdP to hold 30th annual blanket drive next weekend

St. Vincent de Paul's 30th annual Recycle the Warmth Blanket Drive will be held Jan. 28-30.

SVdP will collect new and gently used blankets as well as funds to purchase new blankets and bedding.

To donate funds to purchase new blankets, go to: svdpmadison.org/donate/

recyclethewarmth.com.

You can also purchase and donate new blankets or gently used blankets and bedding at any Dane County St. Vinny's Thrift Store or here at St. Bernard parish. Bins will be located at the church entrances.

All the bedding collected will be given to people with low incomes, who request help with clothing and/or furniture vouchers from SVdP.

SVdP members visit homes and provide vouchers to St. Vinny's stores for essential furniture and household goods, as well as new airbeds that come with sheets and the blankets donors generously gave during Recycle the Warmth.

'Prayer warriors' needed for prayer network

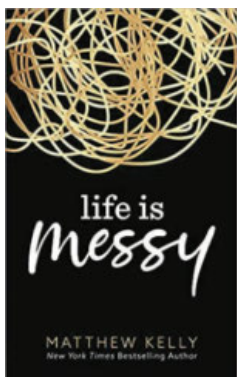

We are looking for "prayer warriors" to pray for those who are struggling with illness, grief, stress, anxiety, surgery, aging and many other issues.

You can do this at home, in your pajamas or in the car or wherever! Just pray.

This is how it works: Go to the St. Bernard website, there is a banner at the top of the page for the "Prayer Chain Network." Click on the button, and you will see a list of people in need of prayers. Then you just pray for them!

Contact Sharon Braem at scbraem@tds.net or 608-335-9001 or Barb Bohringer at barbarabohringer2@gmail.com.

Creation Care Corner

"All of us can cooperate as instruments of God for the Care of Creation."

— Pope Francis

Invasive species and Creation Care

Caring for Creation includes working to keep the local natural ecology in balance. Consider keeping tabs on invasive species in your locality and helping to take action. Invasive species like common Buckthorn can upset that balance. Common Buckthorn is a shrub or small tree that crowds out desirable plants in neighborhoods and takes over entire woodlands. Buckthorn poisons the soil with a chemical called emodin which prevents native plants from growing. Emodin also harms frogs. Buckthorn spreads quickly when birds eat and eliminate the berries, but those berries also make birds sick. In caring for God's Creation, please consider identifying and removing invasive buckthorn and replacing it with native plants that will support pollinators, birds, and amphibians. Winter is a great time to remove invasive buckthorn! More information at:
