August 2, 2020

Many people in our world are hungry and thirsty. This hunger and thirst go well beyond physical needs for food, security, and shelter. Many are emotionally and spiritually parched, too. We try to respond to these as best we can. Much more needs to be done.

Our faith provides the direction for where God's children must go to find nourishment they seek. It also tells us how to structure life so that justice and equity can be reality for all. It also tells us how to respond to pain, sinfulness, and confusion. Come to the water and then help another get there.

With God, all things are possible!

MISSION STATEMENT OF IMMACULATE CONCEPTION AND ST. PATRICK CHURCHES
