**The Exaltation of The Holy Cross
Monday, September 14, 2020**

To this day, the Eastern, Catholic, and Orthodox Churches, alike, celebrate the "Exaltation of the Holy Cross" on the September anniversary of the basilica's dedication.

Early in the fourth century, Saint Helena, mother of the Roman Emperor Constantine, went to Jerusalem in search of the holy places of Christ's life. She destroyed the second-century Temple of Aphrodite, which tradition held was built over the Savior's tomb, and her son built the Basilica of the Holy Sepulcher on that spot. During the excavation, workers found three crosses. Legend has it that the one which Jesus dies was identified when its touch healed a dying woman.

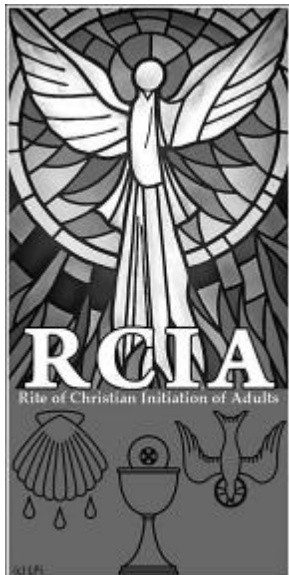

On Monday, September 14, 2020, we celebrate "The Exaltation of the Cross" and our Christian heritage, as we venerate Our Lord Jesus Christ who died on the Cross, for us and for our sins!
