## THE EPIPHANY OF THE LORD

They were overjoyed at seeing the star, and on entering the house they saw the child with Mary his mother. They prostrated themselves and did him homage. Then they opened their treasures and offered him gifts of gold, frankincense, and myrrh. - Mt 2:10-11

No sign up is required, but if you're interested in committing to a regular hour, or would like to be placed on a substitute list, please contact Kim at 262-914-4295.

## A Note from our Administrator

Merry Christmas everyone. We are still in the Christmas Season, so rejoice and celebrate. We just celebrated the feast of the Holy Family and seeing the example of both Joseph and Mary in their devotion to God and their complete dependency on Him. They had great faith and trust in the Father. This week we get to see the three Wise men come to adore the child Jesus who is ultimate wisdom and truth. "All wisdom comes from the Lord, she is with Him forever" (Sir. 1:1). Even the wise men knew that there was someone greater than they. There is someone greater than themselves that they can still be taught. When we go pray and spend time with God we become more familiar with God and grow in His wisdom. We come to know God and to grow in the knowledge He gives us which results in loving God all the more. Then we grow fear of losing who we love in God, which we call Fear of the Lord. This is the first stage of Wisdom. When you read Sirach 2:1-18, you see instruction by Sirach to his son to trust in wisdom and have a great love for wisdom, who is God, and he will be protected and loved. Mary and Joseph had a great wisdom because they knew God and love God and would do anything for God. Let us learn from Mary and Joseph as well as the Wise men who humbled themselves to come to the Lord and adore him as much as we can do the same, so we can grow in the wisdom of God, who is love and truth.

Fr. Joseph Lappe, MIC

**JOIN US!** It's January and we are already preparing for enrollment for the 2021-22 school year. Last year we welcomed more than 90 new students throughout all grade levels (Preschool & 4K-8<sup>th</sup> grade). Our current enrollment is 412 students and next week we will finish our first semester of 5 day per week in person instruction.

If you are considering enrolling at ASCS for the 2021-22 school year, perhaps hearing from one of our new families will help with your decision... "We made the decision to switch our boys to All Saints after attending Open House in January. We were extremely impressed by not only the academic standards but the honor code the students are held to as well. The teacher dedication and positive energy they brought to their classes was amazing. The boys were sold on the fact that the students got to roller skate during gym class and they now have the option to play a band instrument. All three boys love that we made the switch to All Saints! I am continually impressed by the amazing classroom projects and teacher involvement. I love the fact that we immediately felt like we were part of the All Saints family."
