The Baptism of the Lord

## THE BAPTISM OF THE LORD

This is what John the Baptist proclaimed: "One mightier than I is coming after me. I am not worthy to stoop and loosen the thongs of his sandals. I have baptized you with water; he will baptize you with the Holy Spirit."  
- Mk 1:7-8

Dear Parishioners,

Human Concerns is looking to continue the wonderful acts of charity that we have seen with our Thanksgiving Food Drive and our Christmas Tree Giving events this year. As you know we have had a barrel in the back of church in the past and have collected food items to be donated to Shalom Center. We wish to thank all parishioners who have previously donated items on a regular basis. Human Concerns has placed a 3 tier shelf in the back of church on the right side and will be collecting non-perishable food items and taking them to Shalom Center as well as the St. Vincent de Paul Food Pantry, on an alternating basis as the shelves fill up. Our hope is that when you do your shopping or if someone does it for you, you would consider purchasing one additional item and bringing it to church. Hopefully this will become a wonderful routine for you and continue our acts of charity!

## A Note from our Administrator

In watching the TV programs American Pickers or even Antique Roadshow, it is amazing seeing some people who have something that doesn't look like much and find out later that they had a treasure. The joy or amazement on their faces is priceless. What about our faith? Do we take it for granted or do we realize that we have a great treasure to explore and find new wonders that make us more amazed about our God? Do we realize the gift of our baptism? Have we looked into what the Catechism or the Saints have talked about baptism? Do we realize all the gifts and graces that came with our baptism? It is something worth looking into. You may be surprised the power God has given you through your baptism. Then do we ask God to help exercising these gifts? Do we know the gift God has given us? I encourage you and if you have children to take the time to look these up and see what our good Lord has given us. Because the more we know about what we have in our baptism, the more we will be amazed and find joy in the gift God the Father has given us. Happy exploring.

Fr. Joseph Lappe, MIC
