## 14th Sunday in Ordinary Time - July 4, 2021

During this time, we celebrate the independence of our country. We would do well to echo the psalmist, saying, *"Our eyes are fixed on the Lord, pleading for His mercy."* May we always recognize and use the gifts of freedom and abundance He has showered upon us. See Psalm 123 (Our Sunday Visitor, *ibid.*, page 20).

### HOLY FAMILY CATHOLIC CHURCH 2020-2021 CSA CAMPAIGN

Did you know CSA Funding for the Office of Schools - as part of the Office of Catholic Formation provides direction to the fourteen Catholic schools in the diocese? Areas of oversight consist of monitoring policies related to civil and canon law, establishing curriculum, ensuring accreditation of all the schools, monitoring and coaching schools in the areas of marketing and development. The Office of Schools' mission is to assist schools in bringing Christ to all students and preparing children spiritually, academically and physically for their life ahead.

**Thank you for your generosity and loving stewardship!**

### GOSPEL MEDITATION

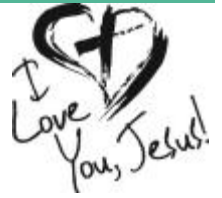

The author of The Cloud of Unknowing prays, "That which I am and the way that I am, with all my gifts of nature and grace, you have given to me, O Lord, and you are all this. I offer it all to you, principally to praise you and to help my fellow Christians and myself." Knowing that God sustains us in being is the key to faith. All that we need to do is to love God as God is and the rest will begin to fall into place. God made us in His image and desires that we have life. God also desires that we be healed of all of our wounds, especially those caused by sin, and know his loving touch. Being weighed down by negativity, imperfections, the cares of the world, and weakness is not something that God desires.

Faith can profoundly change how we see God, ourselves, and one another. It gives a clearer lens through which to see life and connects us with the powerful virtues of love and hope. Three friends journeying with us through all that we encounter, faith, hope, and love, help us experience God's embrace and heal us. All we have to do is let God be who God is and not foolishly try to make Him into what we need or want Him to be. Without God we cease to be. It's that simple. The very blood that flows through my veins and the life that I have

come directly from Divine origins. With this knowledge of who God is and who I am, I can open my ears and hear the powerful words Jesus speaks, "Do not be afraid, just have faith." Trust begins.

When we are struggling, we naturally reach out for God because we know that a divine remedy is the only remedy. But, in doing so we wrestle with letting God take charge. We want something more miraculous and visible than the obvious and have difficulty in finding consolation simply resting in God's presence. Our naked being, stripped of any pretense or self-serving agenda, is being called to rest in and love the uncreated Presence of God. Reach out in love to God. Ask God to heal you from all that separates you from Him. Put aside any ideas of God that create barriers between you and God's tender and endearing presence. The Cloud of Unknowing leaves us with wisdom, "think of yourself and of him in the same way, that is, with the simple awareness that he is as he is and that you are as you are." This is a meeting of two friends who desire nothing more than to share life together.

### It takes a village

Do you remember that old adage, "*It takes a village to raise a child.*" Very recently, I found a second part of that quote, which reads:

***"It takes a village to raise a child, and I choose to be an actively-participating member of my village"***

***~ Megan Davis***

We lost a lot of classroom helpers (catechists and aides) over the past year and a half and are in dire need of some helpers in the classrooms. I urge you to pray and consider volunteering your time and energy to the faith formation program for the upcoming school year. Please reach out to Jamie if you can help.

**How will you be an actively-participating member of our village?**

***See you there :)***

### Faith Formation Tip:

This week's Gospel reading has two stories of healing; in both situations, Jesus carries a sense of peace through chaos, weeping, wailing, ridicule, and doubt. How often do we turn to Jesus when we are in a state of distress? How often do we remember to ask Jesus for peace when it feels like life is falling apart? Probably not often enough. Next time your life is feeling like a storm, I challenge you to focus your eyes on the Light. Turn your concerns and worries over to Jesus and see what happens.

*"God doesn't call the qualified.*

*He qualifies the called."*

(The Koran) Let's feed our souls by taking a virtual walk with the Creator of the very first garden.

### **2021 KNOW YOUR FAITH SERIES:**

**The Social Justice Teachings of the Church |**

**Now thru October 28, 2021**

As followers of Jesus, we have been called to love one another as Jesus loved us. Jesus identified with and reached out to "the least of these," the hungry and the stranger (cf. Mt 25:45). Jesus taught by word and example that every person is invaluable and worthy of respect as a member of the human family. Jesus showed us that human dignity comes from God, not from any human quality or accomplishment.

How we view others, how we treat others, and how we care for the most vulnerable members of society is referred to as social justice. Social justice is an essential component of living our faith.

Social justice teaching emerges from the truth of what God has revealed to us about who God is and the depth of God's love for us and for all creation. We invite you to join us as we explore the seven tenets of social justice teaching in our 2021 Know Your Faith series. The presentations will be held from **6:30-8 pm on the 4th Thursday of each month now through October**. You may participate via Zoom meeting or by gathering with us at St. Anthony's in the Solanus Center.

### **July 22:**

#### **Call to Family, Community and Participation**

Leo and Janet Jacoby will frame their remarks with the social encyclical by Pope Francis, *Fratelli Tutti* (October 4, 2020) and share family stories that helped form the social conscience of their two children.

### **August 26:**

#### **Option for the Poor and Vulnerable**

Lee Ann Lella will help us consider "An Option that is Not Optional" and what this means for us today and how we are called to live it out. A basic moral test for our society is how we treat the most vulnerable in our midst.

**"Mysticism in the Franciscan Tradition"****July 10, Saturday 10 a.m. – 2:00 p.m.****Guest Speaker: Ramona Miller, OSF****This event will be held at Holy Family Catholic Church in Woodruff, WI and also livestreamed via [www.marywoodsc.org](http://www.marywoodsc.org)**

Mysticism is *experiential knowledge of spiritual things*. Franciscan mysticism is a trustworthy and simple—though not necessarily easy—path precisely because of its application to the ordinary person. Franciscanism is truly a *sidewalk spirituality* for the streets of the world, a path highly possible and attractive for all would-be seekers. You don't need to be celibate, isolated from others, highly educated, or in any way "superior" to your neighbor. In fact, it is much better if you are none of these. During our time together, Sister Ramona will present aspects of Franciscan mysticism and how it applies to one's everyday life.

Bring a bag lunch and be ready to be inspired!
