The three kings in today's Gospel traveled a great distance at considerable cost to offer their richest gifts to the Infant Jesus. How far will I go, and what will I offer to do homage to this newborn King and Savior? (Our Sunday, Visitor, ibid., page 25).

HAPPY NEW YEAR FROM

FR. JERRY, BOB, KATHY, MICHELLE, HOLLY D, LYN,
HOLLY S, ERIC, TODD, MISTY & PEGGY!

MANY HANDS....

There are many ways our talents and time can be shared collectively as we come together as the Body of Christ. Many hands DO make light work when celebrating Mass or other liturgies and services. Having an ample number of ministers keeps our church community healthy and well-rounded. The Pandemic has changed the number of ministers we have serving in these needed ministries. *Is God calling you to a special task?*

Do you enjoy preparing the dinner table in a special way? Perhaps you might be called to be a Sacristan.

Do you feel a special calling to be a minister who offers the Body and Blood of Christ? Eucharistic Ministry may be your place to serve.

Do you enjoy meeting people and making them feel welcome? Hospitality and Greeting is the ministry for you.

Perhaps you like to help keep organization during the liturgy in the way our assembly moves about and be on hand to help with questions during Mass. Usher/Hospitality Ministry might suit you.

Are you good with technology? Consider Video Ministry.

Do you sew or are you gifted with decorative skill? Art and Environment Ministry would love to have you.
DECORATING FOR ADVENT IS HAPPENING SOON! WE NEED YOU!

Do you have a musical gift? Music Ministry is open to all. Pray about it!

Have you felt called to be an integral working member of the liturgy? What a great way to work on our call to holiness as we come together to serve in the ministries of the liturgy!

Families can be very difficult things to negotiate. This is true not only of our families of origin, the current family of which we are a part, the family of our Church, our society, and our global family as well. Everything human can be found in family stories. Those stories speak of wonderful life-giving successes as well as painful spirit-robbing abuses. Our greatest joys and our greatest wounds are usually connected with the experience of family. Our needs, experiences, and unresolved baggage often color what we bring to our familiar relationships. They contribute to our level of defensiveness, how guarded and protected we become, and what prejudices we believe.

In order to break the cycle of dysfunction we have to remember that it is not only by human effort that we negotiate the difficult and challenging events of our lives. There is a Divine Effort at work as well. For sure, the human effort can create quite a mess and easily destroy lives. This is true of any family with which we are associated. Today's Feast of the Holy Family serves to help us understand that there is a Divine Story being told as well. It is a story of perseverance in the face of hardship, determination in the face of despair, healing when we see nothing but wounds, and light where there is darkness.

Do we believe that God is always working, guiding, restoring, and leading? Unless we do, we will never be free from the imperfections and wounds that bind us and never be able to understand what it really means to forgive. Pope Francis tells us that the "light which comes from the Holy Family encourages us to offer human warmth to other families." While this is most certainly true, we can only really begin to do this when we realize that we are still works in progress, not anchored to the wounds and sins of our past, and still a leading star in God's continually unfolding story of love. The Holy Family persevered and radiated warmth because they knew they were not alone. We can too.

Let's explore the interrelationship of these three concepts and our experience of God in each. **Register by Thursday, Jan. 13.**

NEW YEAR'S EVE AND DAY RETREAT | December 31, 2021 - January 1, 2022 | Presented by Fr. Tom Zelinski

"When we do not know how to pray, the Spirit prays within us." (Romans 8:26-27) **The turn of the year** often stirs thoughts of reflection on our life journey. We will reflect on behaviors of our lives parallel the actions of God within us. We will do this by considering different "stories" that occur in our lives. Retreatants will be invited to look back over their own experiences of personal growth, spirituality, and life in the Church. **This retreat is open to participants who are fully vaccinated at least two weeks prior to the event.**

LEARNING TO LIVE AND LOVE BEYOND BIAS: Anti-Bias Training Workshops | Jan 25, Feb 1, Feb 8, Feb 15 | Tuesdays: 6:00 - 8:00pm | PRESENTED BY REV. CHRISTA FISCHER

Each of us is genetically and culturally predisposed to bias. Our ancient ancestors utilized bias to maintain the safety and preservation of their tribes; bias was integral to our country's justification of a free and enslaved labor force; bias enabled legalized segregation and Jim Crow laws; and our own unconscious bias perpetuates our alienation from each other and the fragmentation of our society. **Free Will Offering**

JANUARY SILENT THEME RETREAT: Separating the Wheat from the Chaff in Our Lives | January 28-30, 2022 | Presented by: Fr. Frank Corradi, Fr. Aaron Devett, Lee Ann Niebuhr, Elizabeth Schussler, and Rita Simon

We have all been moving through dramatic and incredibly challenging times this year. Perhaps this upheaval in our "normal" lives has called you to reevaluate what is really important in your life and what, at the core, really matters. Let us explore how the gift of dark times, when we are drawn to go deeply into silence with deep listening, allows the Spirit to lead us to new life and transformation. **At all three sessions, check-in will begin at 3:00 pm on Friday, followed by orientation at 5:45 and supper at 6:00. The retreats will conclude after Mass and the noon meal on Sunday. All sessions are limited to 28 participants! Register early! Cost: \$200**

St. Stephen | Feast Day December 26

The Acts of the Apostles tells the story of St. Stephen, the first Christian martyr. A man filled with grace and power, he worked great wonders among the people. Some Jews debated with St. Stephen but could not match his wisdom and spirit. Eventually, a charge of blasphemy was brought up against him, and the local population demanded that he be tried and sentenced. He was seized and carried before the Sanhedrin.

Despite the danger he faced, in front of the Sanhedrin and his accusers, St. Stephen gave a long speech about the history of Israel and the blessings that God had given upon His chosen people. He talked about how Israel had become disobedient despite God's abundant mercy. This enraged his accusers, and eventually the crowd dragged him out of the city and stoned him to death.

Even in his final moments, St. Stephen displayed great forgiveness and even asked God not to hold the sins of his attackers against them. Hundreds of years after his death, he is still a role model for us to follow.
