GENERAL ANNOUNCEMENTS

Respect Life and the New Year – Understand the Value of Life in God’s Eyes

Genesis tells us: “God created man in his image; in the image of God he created him; male and female he created them. God blessed them, saying: “Be fertile and multiply; fill the earth and subdue it. Have dominion over the fish of the sea, the birds of the air, and all the living things that move on the earth.”

By creating man and woman in His own image, God endowed the human race with a dignity that no other creature can claim and that can never be taken away. Therefore, human life must be cherished, valued, and protected above all else.*

Check out the Respect Life brochure rack for what you can do to protect life. And join the committee; we need your help. We meet on the third Tuesday evening at 6:30 in the St. Veronica parish office. Call Monica Staubach at 414-335-1562 for more information.
