## STROKE SCREENINGS

Friday, July 1 | St. Mary Room

Are you one of the many people that have high blood pressure, high cholesterol, or diabetes? Perhaps you have family history of heart disease, stroke, or internal cancers? If so, PLEASE do not miss the ultrasound screening event that will take place here at Lumen Christi. Stroke Scan Plus will be hosting Vascular and Organ Wellness Ultrasound Screenings on Friday, July 1. These screenings are all done by ultrasound. There are no needles, blood draw, nor any disrobing necessary for these services.

The team will check the carotid arteries for blockages, the abdominal aorta for aneurysm, and will also scan several vital organs for stones, nodules, or any tumors that could be cancer.

Collectively, these screenings cost thousands in hospitals and are usually not covered by insurance providers unless a person is already having symptoms. Stroke Scan is offering these services to our parishioners for \$159 for all 7 tests combined. Insurance of any kind is not necessary to receive this discounted rate.

**Pre-registration is required, and you can either sign-up online via the parish website homepage button or in-person the weekend of June 25-26 with representatives at the welcome desk. More information is available on the parish website at [lumenchristiparish.org/strokescreening](http://lumenchristiparish.org/strokescreening).**

## FATHER'S DAY BLESSING

God our Father, in your wisdom and love you made all things.

Bless our father. Let the example of his faith and love shine forth.

Grant that we, his family, may honor him always  
with a spirit of profound respect.

Grant this through Christ our Lord.  
R/. Amen.

## STANDING ROOM ONLY AT JUNE AGE OF WISDOM MEETING

Fr. Matthew was this month's featured speaker at the recent June Age of Wisdom meeting. He spoke to a packed St. James Hall about his upbringing in India, his family, time in the seminary, mission work in India and the Philippines, and the overall journey he took that eventually brought him to Lumen Christi.

If you would like to listen to his talk, a recording can be found on the parish website homepage.

*Age of Wisdom provides a sense of community to all those over the age of 55 at Lumen Christi Parish through prayer and monthly events. Members are provided with opportunities for spiritual, educational, cultural, and social growth. Age of Wisdom usually meets the first Tuesday of the month at 1:30 PM in St. James Hall. Meetings will return in the fall. Watch the bulletin for details on each monthly program that cover a wide variety of topics.*

## IN LOVING MEMORY OF THOSE WHO RECENTLY PASSED AWAY:

Born to eternal rest on January 17, 2022

### KATHERINE GUERIN

*Eternal rest grant unto her, O Lord, and may perpetual light shine upon her.*

## STEWARDSHIP CORNER

**"They all ate and were satisfied. And when the leftover fragments were picked up, they filled twelve wicker baskets." Luke 9:17**

The story of the Loaves and Fishes shows us that when you share what you have, even if it doesn't seem like that much, miracles can happen! Do not think that your gift is too small or insignificant! Each of us has a role in God's plan; you just need to place your trust in the Lord. Nothing is impossible with God. You may be the answer to someone else's prayer.

### DID YOU KNOW?

Lumen Christi has a Poor Box in the Gathering Space located on the wall across from St. James Hall. Being both a stewardship and evangelizing parish, we are called to help those who may be struggling financially at times in their lives. We have a fund called Helping Hand to assist with various requests from parishioners. All donations are greatly appreciated. Thank you for your continued generosity!

### CREATION CARE CORNER RECOMMENDATION

*"...the related 'greenhouse effect' has now reached crisis proportions as a consequence of industrial growth, massive urban concentrations and vastly increased energy needs."*

— Pope John Paul II

**Use Powerstrips.** When your TV, computer and other appliances are plugged in, they quietly drain electricity all day, every day, even when turned off. This phenomenon is known as standby power: the electricity consumed when products are switched off. Standby power waste is a big issue. According to the Dept. of Energy, it accounts for 5-10% of residential energy use, costing the average U.S. household \$100 per year. It also contributes to wasted resources and pollution. Here are ways to address the issue and save:

- Plug the devices/appliances into a power strip & turn the strip off when not in use.
- Unplug the devices/appliances when not in use.
- Use Energy Star products—they typically have less standby power requirements.

### LUMEN CHRISTI CEMETERY NEWS

**Lumen Christi is pleased to announce the installation of a new granite columbarium in our cemetery.** This, our cemetery's third columbarium, was made possible by a generous donation from Mr. and Mrs. Donald Nestor (Gale & Don). Their donation was made in honor of Peggy Hughes' twenty five plus years of wonderful Liturgical and Musical ministry at St. James, then Lumen Christi and culminated with Peggy's retirement about two years ago.

If you are considering an above ground burial, there is space available in our new or existing columbaria. Each niche in the columbaria holds up to two urns. Inground burial plots are

available in the west section of our cemetery. **When visiting the cemetery, FOR YOUR SAFETY, please park on Range Line Road or in the Lumen Christi parking lot. DO NOT enter the cemetery or park on Mequon Road.**

Please see our cemetery brochure with information on both in-ground and above ground burials. It can be found in the parish office or at [www.lumenchristiparish.org/funeral](http://www.lumenchristiparish.org/funeral).

**To discuss your burial needs,** please contact Jane Bartlett, Director of Finance, at [bartlettj@lumenchristiparish.org](mailto:bartlettj@lumenchristiparish.org) or Fran Blaubach, Parish Administrative Assistant, at [blaubachf@lumenchristiparish.org](mailto:blaubachf@lumenchristiparish.org) or (262) 242-7967.

### COURTESY ANNOUNCEMENT

#### ST. JOHN BOSCO YOUTH DAY FIRE ON THE HILL

John Bosco Youth Day "Fire on the Hill" returns this fall! ### SACRED VESSELS

Have you ever paid attention to the purification of the sacred vessels after Holy Communion? If you haven't, I highly recommend doing so this Sunday. See the care with which the priest handles the chalice and the paten, pouring water into them to cleanse any loose particles of the Body and Blood of Christ. Observe the loving reverence he uses in wiping them dry with a special purificator. It's a ritual unto itself, and a powerful moment for reflection.

These vessels begin as earthly objects. They are made by human hands. There is nothing special about them — not until they go about the work for which they have been created. Until they contain the Body and Blood of Christ, they are only ordinary objects. But after they have carried within them the Eucharist, they are never the same. They will always be special and deserving of special care.

That's why partaking of the Eucharist is, for us, an evangelical undertaking. It is both a transformation and a declaration. When we accept this tremendous gift, we are proclaiming what we believe, and we are accepting the grace to follow through on that commitment.

When we are receiving the Eucharist, it is not possible for us to be passive. We become the vessel. We carry Christ into the world with us.

But do we act like it? Do we treat ourselves — our bodies, our souls — with the same respect as the priest cleansing the chalice? Do we treat one another with the reverence we would reserve for a sacred object? When we look at another person with anger or irritation or envy, do we acknowledge the change that we have willingly undergone by receiving Christ's Body and Blood into ourselves?
