BECOMING A CATHOLIC IS A JOYOUS EXPERIENCE!

Some receive this gift while they are infants, while others come into the Catholic community later in life.

If you are an individual who has not yet been baptized, or if you have been baptized but have not received Eucharist or Confirmation, and you are looking to deepen your faith, we're so glad you're here!

We invite you to learn more about the process through which we welcome or reconnect you with the Catholic Church. The journey is guided by members of our parish community, but is ultimately a personal journey in which you will grow in your identity as a Catholic.

To learn more about how Lumen Christi can be part of your faith journey, please contact Meaghan Turner turnerm@lumenchristiparish.org for more information.

SPRING WORKS OF MERCY GRANTS AWARDED

The Lumen Christi Human Concerns' Works of Mercy Grant recently met 2022 to discuss the spring Works of Mercy grant applications. The committee acts on behalf of the parish community by making financial grants available to organizations outside the parish, who minister to those in need of material and spiritual assistance with a priority given to Catholic organizations. By sharing the parish's resources within our community, we seek to carry out the parish vision of, "one family sharing the love and light of Christ". This spring, Lumen Christi Parish awarded \$23,700 in grant requests to seven local non-profit organizations who serve the least of these through the corporal and spiritual works of mercy. The fall application period will open up in November.

STEWARDSHIP CORNER

"Take care to guard against all greed, for though one may be rich, one's life does not consist of possessions." Luke 12:15

The Gospel message is contrary to modern culture that continually tries to convince us that our joy comes from the material things we possess. That the more we acquire, the happier we will be. Jesus shows us that our true joy comes from our "invisible" gifts like love, mercy and forgiveness. True joy comes from "emptying" ourselves, giving of ourselves rather than always taking. We are called not to hoard but to share. True joy comes from living a grateful and generous lifestyle; become more "God-centered" and less "self-centered."

CREATION CARE CORNER RECOMMENDATION

"The environmental challenge we are undergoing, and it's human roots, concerns and affect us all." - Pope Francis

Every appliance comes with two price tags: the purchase price and the cost of operating the product. ENERGY STAR certified appliances help consumers save money on operating costs by reducing energy use without sacrificing performance. Reducing energy use can reduce fossil fuel emissions that pollute the air and contribute to climate instability. And since appliances have a long service life, small everyday savings add up to a big impact over time. Choosing energy efficient ENERGY STAR products can save families \$200 to \$400 a year. Go to www.energystar.gov for more information.

18TH SUNDAY IN ORDINARY TIME

WHAT WE STORE IN THE BARN

I once knew a godly woman who had truly tasted the bitterness of this earthly life. This woman knew pain. She knew sacrifice. She knew hard labor and loss, including the death of a cherished child. She worked each day at a low-paying job, waiting patiently for her 65th birthday, when she could retire and devote herself full-time to her grandchildren. She crossed off the dwindling days on her calendar like a first grader waiting for Christmas.

Ninety-eight days before she was set to retire, she died suddenly. Her name was erased from the schedule at work and penciled over with that of her replacement hire.

All things are vanity.

I think we all know someone like this, don't we? If the details aren't exactly the same, the outline of the story is:

someone labors "with wisdom and knowledge and skill," in the words of Ecclesiastes. And what profit comes to him? Sorrow and grief all his days. The proverbial barn filled with harvest and left to rot.

But I'll let you in on a secret: this isn't a sad story. I've only told you part of it.

This woman heard, daily, the voice of God, and against it she never hardened her heart, whatever news it brought her. This woman loved as hard as she worked. Every action was a form of evangelization. To talk to her was to feel the embrace of Christ.

As much as she waited for that retirement that never came, it was never the harvest in her barn.

This is what it means to be a true steward: to seek what is above.

— Tracy Earl Welliver, MTS ©LPI

Gospel: Jesus tells the parable of the rich fool in response to a question about inheritance, warning the crowd about over dependence on possessions. How do you balance your material needs with "what matters to God?"

LUMINOUS MYSTERIES

The Transfiguration is part of the Luminous Mysteries, which were introduced to the Church in 2002 by St. John Paul II. These mysteries recall events that demonstrate the light of Christ during his public ministry. On this feast day, let us ponder this miraculous episode of Jesus' life by praying along with this recording of the Rosary.
