## Everyday STEWARDSHIP

### I HOPE I AM LIKE HIM

"Who is this Christ? Is he like you?"

Perhaps you've heard this story, often attributed to the life of St. Teresa of Calcutta. A sick man asked her this question, as he marveled at her tireless service to himself and others in the name of someone named Jesus Christ.

"He is nothing like me," the saint is said to have answered. "But I hope I am like him."

Though the authenticity of this exchange cannot be verified, its message rings perfectly true: all the value of our stewardship lies in its relativity to the one in whose name we perform it.

Consider the figure of John the Baptist — a magnificent, towering character even purely from a literary or historical perspective. A martyr who fed on wild locusts and boldly spoke truth to power — a man so great some mistook him for the Messiah.

But why is he great? Because he prepared the way. All his accomplishments and escapades mean nothing if they are taken out of the context of salvation history. He only makes sense relative to Christ — and this is exactly as he wanted it. "One worthier than I is coming," he insists. And because of that humility and that total embrace of God's will, he is given one of the greatest honors in the New Testament — he baptizes the Son of God.

Let's examine our lives in the light of their relativity to Christ. How do we prepare the way? When Christ comes to us, what do we do? How do we leave ourselves open to be actors in God's plan?

— Tracy Earl Welliver, MTS ©LPi

## LIVE THE LITURGY: INSPIRATION FOR THE WEEK

"Jesus stood in line with everyone else and was baptized. There is something incredibly humbling about how this must have played out. Then, God did something truly awesome and inspiring. Through a very gentle and simple action he let the world know about the special relationship He shares with Jesus. That's exactly what is so incredible about our baptisms as well! Through those holy waters, God announces to the world the special place we also occupy in His heart. We no longer have to wonder about the purpose of our lives or struggle to find our way. We do not need to fumble around, tripping over ourselves and wondering why we are even here. The answer has been given. All we have to do is live out the vocation we have received, to live the Gospel in fidelity to our Creator. There is nothing to fear and worry has no place. Standing in line with other sinners, we have our anchor and God is very pleased. ©LPi

Thank you to all who brought non-working Christmas lights to be recycled. Each of us can make a difference!

A NEW YEAR RESOLUTION TO CARE FOR CREATION:

The Pope's encyclical, *Laudato Si'*, is a text of landmark significance in Catholic social teaching. He challenges us to rethink our relationship with nature. The Pope asks us to examine our lifestyles through sound ecological virtues, strive for greater simplicity, and to focus less on material things.

What will you do in the New Year to demonstrate your care for creation and gratitude for this great gift from God?
